AKE A

good

OK

Angela,

Well all I can say is I'm glad I met you this year. You're really a nice sweet ~~Baptist~~ Girl. Well have a great summer & I'll see you either during the summer or the next school year.

Love ya Joanna Carolina

Angela,
you are a good friend and I enjoyed being around you in 2nd bell. Have a good summer and hope to have some classes together next year.

Christa

Angela
I'm so happy school is almost over! Yeah! It's been great getting to know you in Latin class. I'm so glad this class is almost finished. Gosh, I've got lots of extra sleep during 5th Bell. (Just kidding) Hope you do well in next year. Hope to see you next year. May all your dreams come true! Live life to the fullest! Have a great summer!

Friends,
Jon

Angela,
It has been fun w/ you in typing. Don't stop typing. Hope to see you next year.
Have a great summer!

Mishay Phillips

Don't Tint too much

Angela,

Hey, girl! Well, I really don't know what to say, but I guess its been nice knowing you and have you this year in one of my classes. Hope to see you next year and maybe over the summer. Finally, school is over and I can't really wait! So, maybe we could be together in one of my classes next year, even though I'm going to be a senior ~~at least~~ and you're going to be a Junior it doesn't really matter, right. Anyway, I guess this is all I could say. Have a good Summer Vacation and don't get really Tan, okey!

Always,
Diana

Hey Latina, Sweetie, I had fun getting to know you this year. Oh well, I may not see you next year but maybe we could be together in the future. Have fun in high school. Good luck in the future!

Always,
Jenny

Angela,
Hey, you've been a great friend. Hope you have a great Summer. You better not fail cause I'll have to beat you up. Kit

Angie,
It's been nice knowing you. Don't get fat.
Bye,
Angela. King

LOKI
Smith

Hey, woman, what's ↑ or ↓?
Well I'm NOT the first to sign your crack. And I won't be the second either. HA! HA! Well, hope you have a great summer! Don't break in to many guys.

K.I.I
447-6648

Angela,
Hello, How are you?
The year has gone by so fast, and I have not learned a thing in Mr. Weatherly's class. We really didn't talk much because you sat on the other side of the room. I hope to see you next year. Have a good summer. See ya.

JEFF EDWARDS

Angela,
I hope you had as much fun this year as I did.
Hope we get a class together next year.
Keith Kinne 449-2330

Angela,
What's up? Have a killer fuckin' summer. I hope to see ya next year.

Angela,
Well, I must say, it's been a thoroughly enjoyable year in Mr. Weatherly's class! I'm glad I got to know you. You're a really nice person. I won't be returning here next year, so enjoy your next two years at Bayside! Good luck in the future and have a great summer!
Bring,
Jessica Anson

Angela - Hey baby baby baby!
What can I say? It's the end of the year (Thank God) & I sincerely don't think I could have made it thrô Biology & cutting up frogs w/o you! Thank You for cheering me up every morning when I needed it & yes, you do did succeed at that even thô it didn't seem like it! ☺ You are Beautiful and funny & Believe it! cause I wouldn't have said it if I didn't mean it. I'll miss you very much next year! I hope I taught you something this year w/ taking good notes - Ha Ha Ha - Next time someone wants to copy off your paper, think of Cecily and Michelle! You were the best lab partner I ever had & like I said I couldn't have made it w/o you. I hope your life is wonderful & that you'll never run into another Meko :-) I will never forget you! I think of you like a sister (don't ask why) and I hope you have a truely dazzling summer! (Triffling) ha ha Well this is getting too long so I'll sign off now. I'd like to write to you since I need someone to write to while I'm gone o.k.? Well you are: my sis, GREAT FRIEND, & a good note taker! HAVE FUN!

I'll Miss You! ☺ always, Debb

ANGELA,
Hi! I'm GLAD I MET YOU. IT'S NICE TO HAVE YOU IN MR. WALSH'S LATIN II. IT'S BEEN FUN IN HIS CLASS, THOUGH IT'S KINDA BORING SOMETIMES (WELL ALL YEAR.) HOPE TO SEE YOU IN LATIN 2 NEXT YEAR. HAVE A BLAST SUMMER. YOU'RE A NICE GIRL AND GET THOSE GUYS. STAY THAT WAY!
FRENZ,
MONET SUGGANS

MEN SUCK SHIT (remember this) I'll never forget those silly paper folding things!

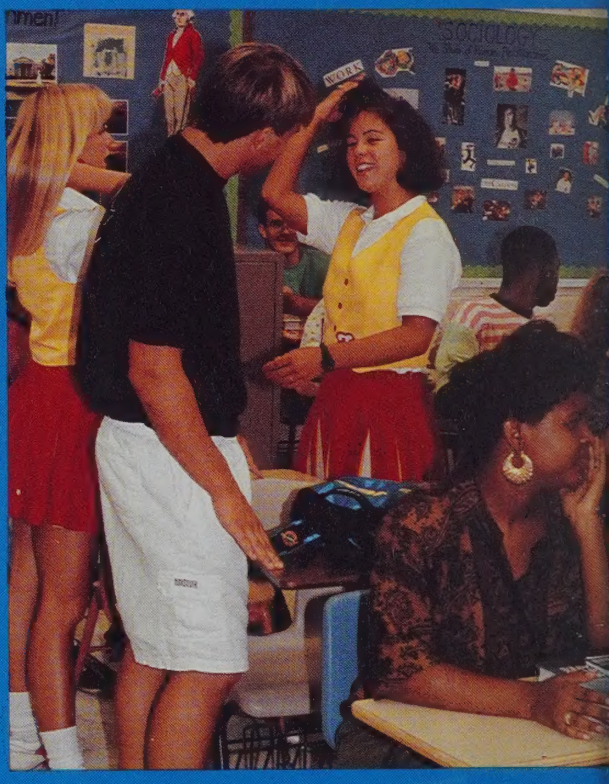
Home Is Where The Heart Is

TAKE A GOOD LOOK at the new found pride in Bayside: when asked to define Bayside in one word Mike Jose said "Family", and that one word said it all! The enthusiasm of the teachers and students, as well as the desire to see Bayside on top was the sole motivation behind our many successes. From a basketball team that became State Champions and a debate team that remained undefeated, to a school song produced and recorded by some of our own students, Bayside has made history. We had to overcome many obstacles to reach such a point of stardom, but through it all, we pulled together and gave Bayside a name admired by many. When reflecting upon this past year, it all becomes quite simple, we ARE family at Bayside, and the pride in Bayside can only grow stronger, after all — home is where the heart is!

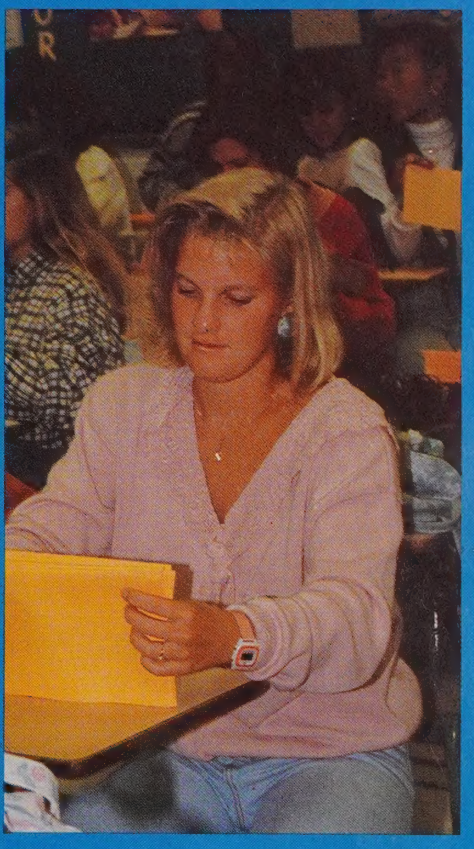
Mr. Massey, Mrs. Lane, and Mr. Morgan proved that Bayside is family at the "flash fire" that was held in honor of Homecoming.



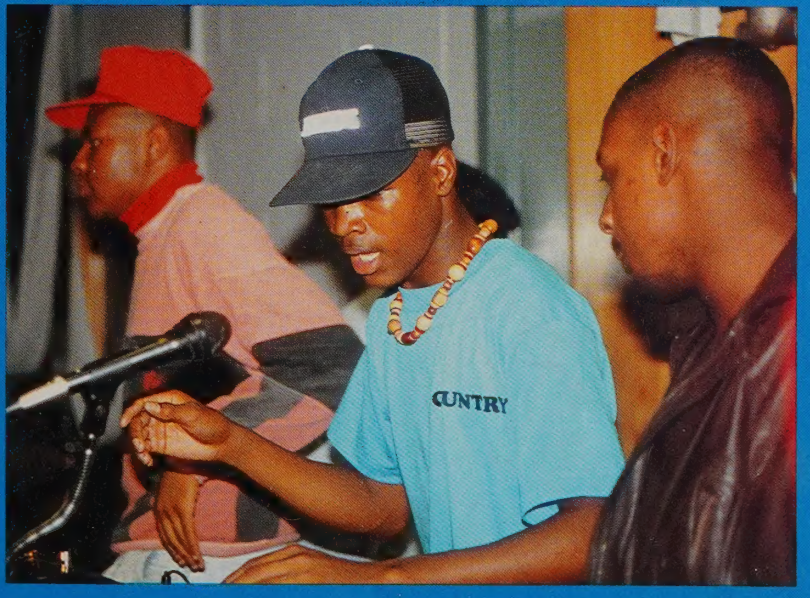
Students dressed up as cowboys and nerds in spirit of the Homecoming festivities.

ll in the spirit of Bayside, Trey Ore, Chris Carawan, Doug Smith, and Jeff Adkins, painted
eir faces for a football game.

cott Hatch, Teri Porter, and Abby Brandt take time out of their busy class schedule to have a
tle fun.



Tori Reinhold organizes pamphlets at the first executive board meeting of the year.



"Country", a fellow marlin, played live music at the Homecoming dance.

The band practiced for many hours in order to master the music for half-time during the Homecoming game.

Family Pride

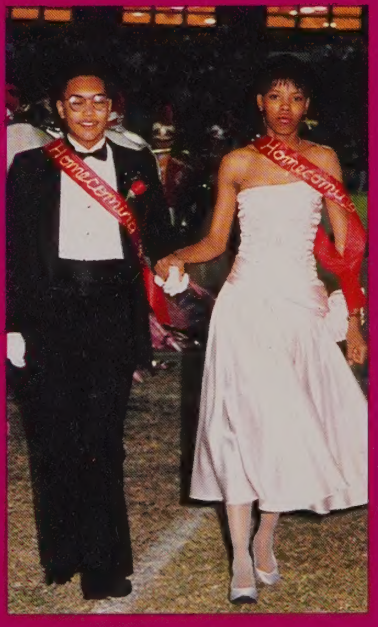
Cheers and chants in honor of Bayside echoed across the stadium. The crowd was wild, this was not just another football game, it was Homecoming 1990! The traditional parade of brilliant floats starting from Old Donation for the Gifted and Talented to Bayside's own stadium was enough to set the enthusiastic tone for the evening. During half-time, girls in glamorous gowns adorned the field with their handsome escorts beside them. The crowd roared as the judges announced that Kelly McGinnis and Eric McMillan were this year's Homecoming King and Queen. The SCA provided an alumni room and a dance featuring live music from "Country", a fellow family member. Thanks to the dedication and the time put forth by the SCA and the students of Bayside, this past Homecoming was another huge success!

Rose Renaud and Chuck Shoot were Homecoming King and Queen 1989-1990.

Eric McMillan and Kelly McGinnis were all smiles after being crowned this year's Homecoming King and Queen.

Doug Smith and
Emily Brandt

J.J. Dancel and
Kim Guns



Eric McMillan and
Carsheena Pequese

Jay Jamison and
Cori Gillis

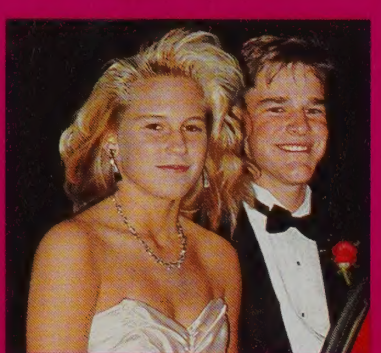
Andrew Keever and Sandy Mallory

John Manuel and Veda Saulsberry

Scott Whited and Tonya Jones

Ash Downs and Michelle Cherwa

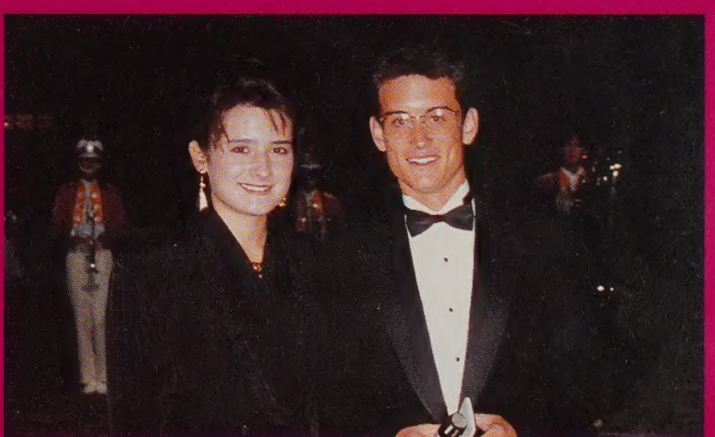
Justin Greer and Rickita Bell



Kyle Benwitz and Jackie Burdette

Israel Blakesley and Melissa Smith

The FHA won for the best small club float.



Tina Payne and Jeff Adkins were Homecoming host and hostess.

The senior float won the large float competition in the Homecoming parade.

Looking Back And Moving Forward

In the beginning we were young and gay
We came to Bayside as a lonely soul
We wanted to go but we're here to stay
Becoming seniors was our major goal
Now we want to stay but we have to leave
Our feelings are mixed with glee and sadness
We can taste the dreams that we must achieve
Accomplishments result in happiness
Graduation Day in the month of June
Out in the world we must make our mark
Moving on seems to come a bit too soon
Bright futures won't lead us into the dark
The years to come may be hard and intense
But in the end we'll make the difference.

STUDENT LIFE

SUMMER JOBS
Taking the Heat In Stride

As the days become longer and warmer, and the school year draws to a close, students often find themselves daydreaming about the onset of summer. The dream often starts as one about fun filled days at the beach, or wild summer nights at the strip, or even a flaming summer romance. Yet sometimes those dreams are interrupted by the fact that in order to have continuous fun all summer, you need the funds. This requires finding the ever-dreaded summer job. Some people have mastered the technique of finding the perfect summer job. They work as lifeguards at neighborhood pools or Wild Water Rapids, or act as counselors at summer camps. But for most, a summer job means being a hostess, a bag boy, a waitress, or a dishwasher. Yet even though a job can take some of the fun out of the summer, it also takes away the monotony, and before you know it, the days get cooler and shorter as another school year approaches.

Pattie Teets takes an order.

Delancy Hall rings up an order.

Jobs

What was your most memorable summer job?

"I worked as a cub scout volunteer for the Tidewater Park Community in 1988. I really had fun with all the children. I love kids."
Jacquie Ababio '91

"My most memorable summer job was baby-sitting a five year old, who never ran out of energy."
Andrea Boone '91

"In the 10th grade, I worked at the Cavalier Hotel working as a children's activity assistant."
Rebecca Ann Burns '91

"My only summer job was working as a cashier. It made me realize how important college really is. I want more out of life than that!"
Holly Moorefield '91

"I worked at Putt-Putt in the summer of '89, as a parking lot attendant. If I could have kept it forever, I would have."
Doug Smith '91

"My most memorable summer job was working at Helping Hands camp teaching retarded and physically handicapped children how to swim."
Alyson Condon '91

"I was a buffet runner at Captain George's on Laskin Road. I had so much fun meeting people and making money at the same time."
Groeup Duch '91

"My most memorable summer job was at Food Lion where I caught a guy trying to steal $45.00 worth of steaks."
Alex Carroll '91

"I have *never* had a summer job. Pretty funny, huh?"
Tina Payne '91

Mike Chapman, are those fries ready yet?

Shannon Marrion counts change at the Food Lion.

Maria Rodriguez counts pills to fill a prescription.

Home For The Holidays

The winter holidays, for most people, are what make the winter season tolerable. Therefore, so as to bring the joy and excitement of the holidays to the halls of Bayside, the SCA sponsored a door decorating contest. The theme of the contest was "A Winter Wonderland". The doors were adorned with Christmas lights, ornaments, and tinsel. Others were covered with shiney paper, bows, and cards. When walking down the halls of Bayside, you could sense the familiar feeling of togetherness that often accompanies the holiday season and with the beauty of the winter exhibited on the doors of every hall, you felt as if you were actually home for the holidays.

Veda Saulsberry and Rana Parham stand proudly in front o their door.

These girls are all smiles as they display the door that the designed.

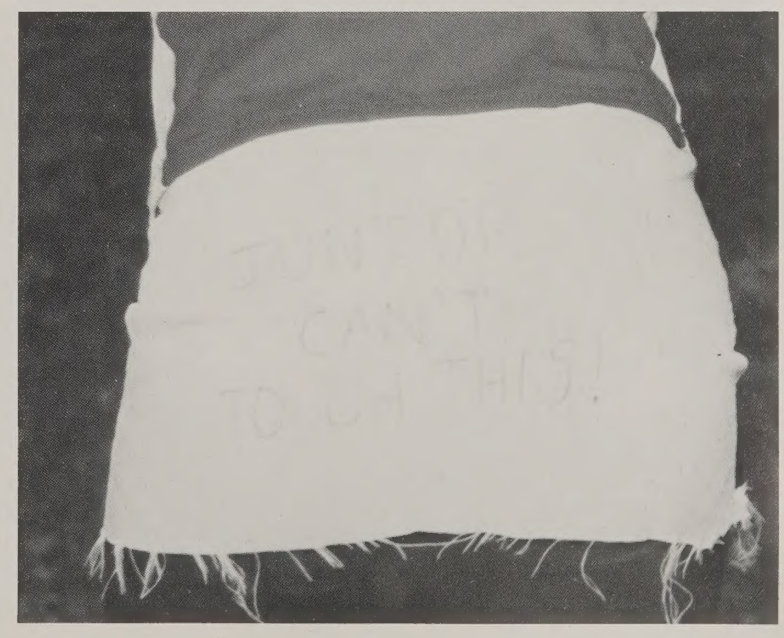
Ms. Davis' class takes a break from their art-work to pose in front of their fabulous design.

POWDER PUFF 1990
SENIORS Vs JUNIORS

This year the annual Powder Puff ame between the Juniors and Se- iors took place November 15, 990. Admission to the game varied om two canned goods to two dol- rs, all the food and money went to elp the needy during Thanksgiv- g. The game started at 7:00. The ore for the first half of the game as tied at zero. During the half- me show, while the players prac- ced, the Junior and Senior cheer- aders did their dance to M.C. ammers song "U Can't Touch This." When the fourth quarter began the score was still tied at zero. There were 20 seconds left on the clock when Junior quarterback Nancy Hansen threw a pass to Bernie, "Catch that pass" Morgan, a Senior player. Bernie was brought down at the 20 yard line by Junior Leslie "brought down Bernie" Guidry. The score at the end of the game was Seniors 0 and Juniors 0, but as tradition goes, the Seniors won.

During halftime show, Senior Cheerleaders show off their cheering skills.

ina Payne takes time out of the Powder Puff ame to take a picture.



10,000 LIGHTS

A Dazzling Display of Illumination

The Parade of Lights officially announced the beginning of the Yuletide season in downtown Norfolk. The parade, sponsored by the Downtown Norfolk Council, a non-profit organization, has become one of the top winter events on the east coast.

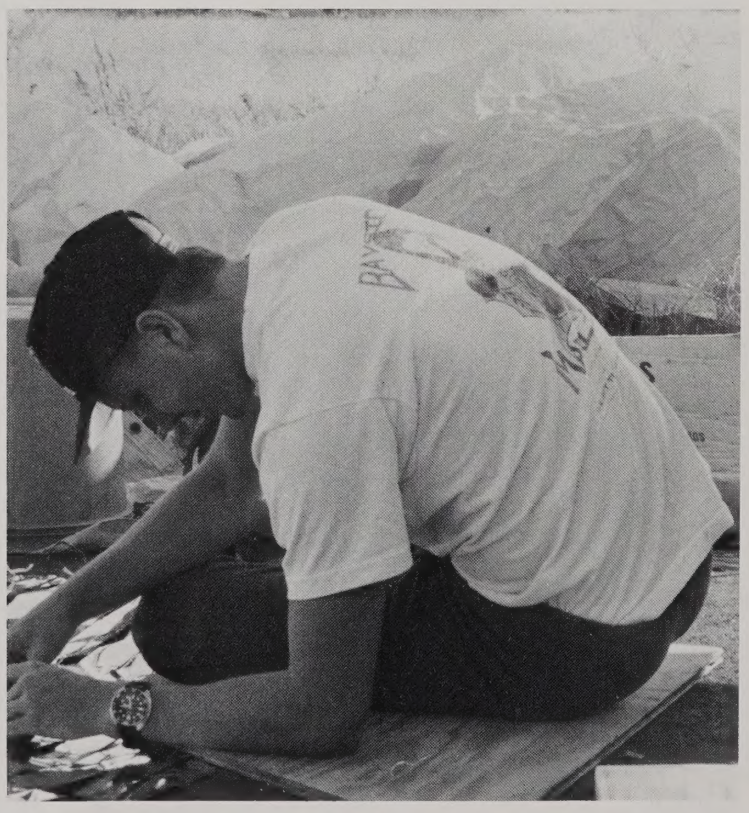
For the past two years, the senior class had entered their homecoming float in the parade, and each year the Marlins brought home the top award.

The class of '91 was very enthusiastic about entering their float in the parade of lights, yet they knew a lot of work was needed to get the float ready. New plans had to be made, more supplies had to be bought and boxes of lights had to be mounted.

After endless weeks of work the float was finally ready just in time for the parade. The seniors, with the help of their sponsor Mr. Pate, had transformed their float into a dazzling display of illumination.

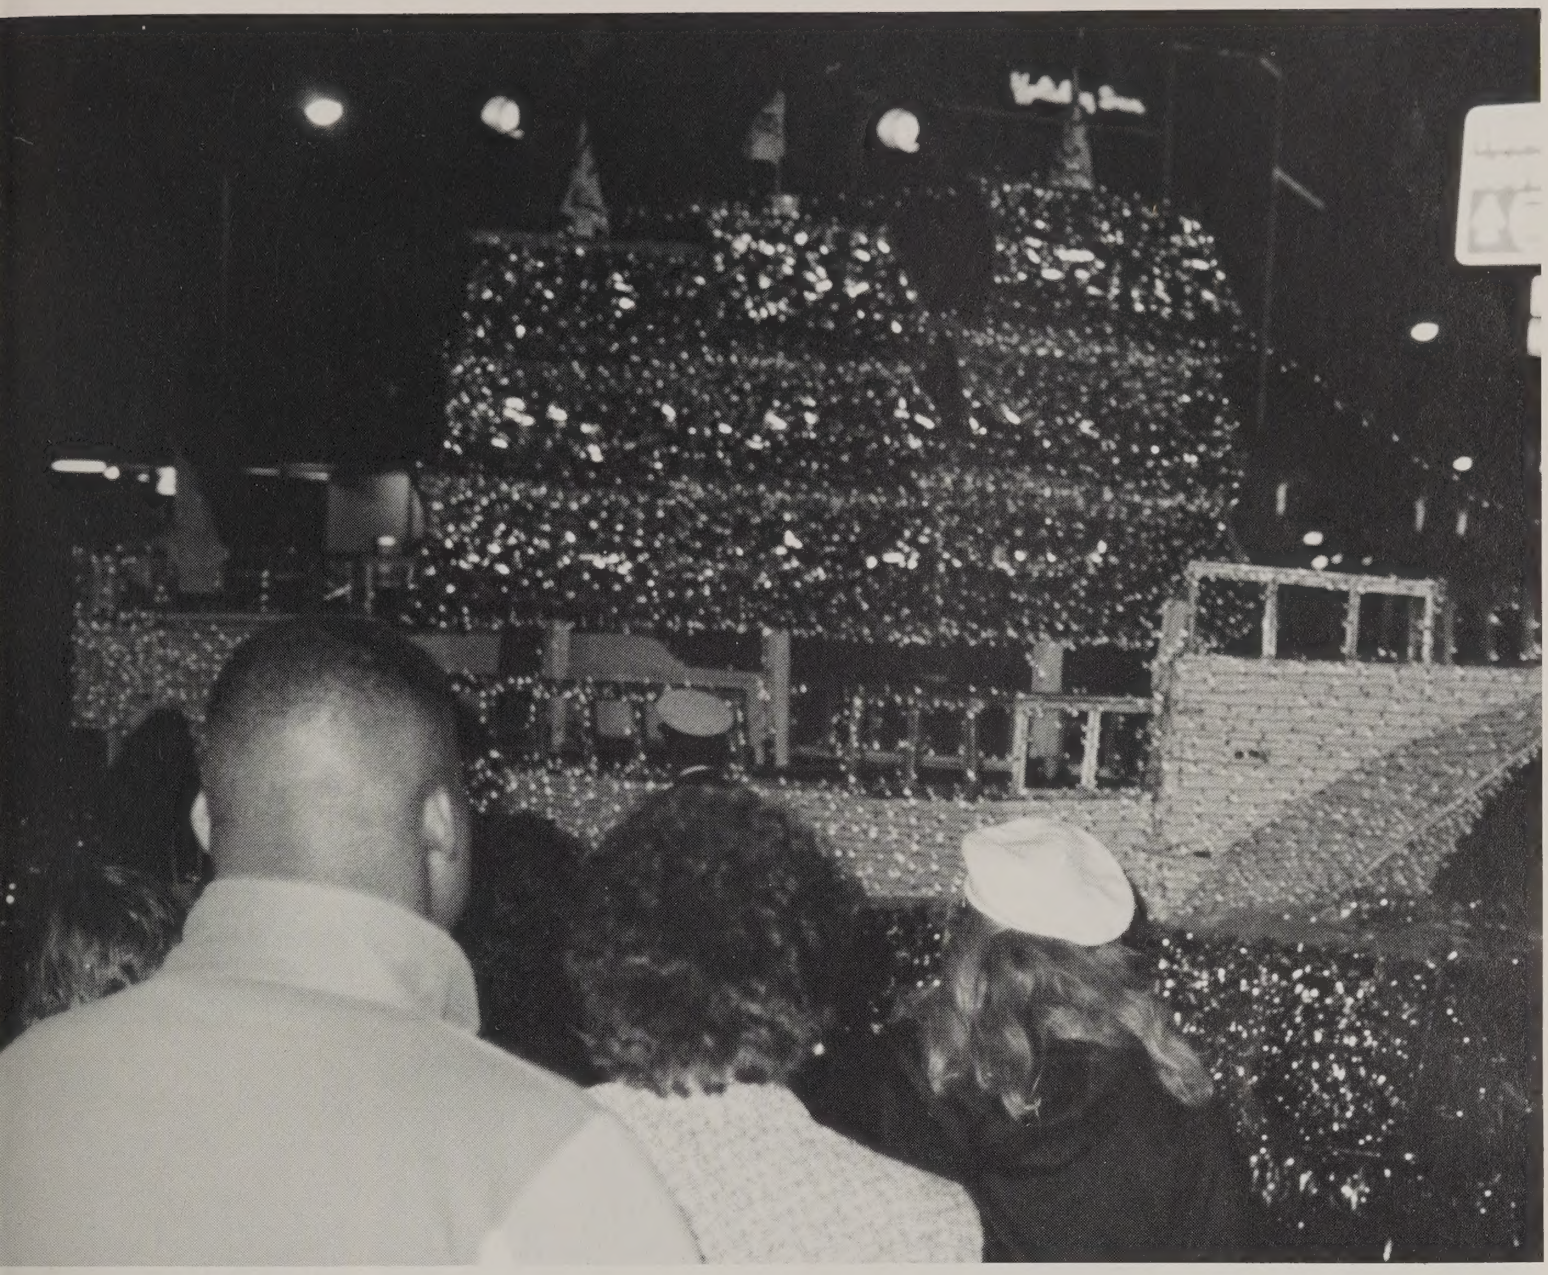
Spectators lined the streets of Norfolk to take a good look at Bayside High School and their grandeur of 10,000 lights. After the judging the senior class once again was awarded the Frosty's Fancy Plaque for 1st Place.

Mike Jose shows senior helpers how to attach the lights.

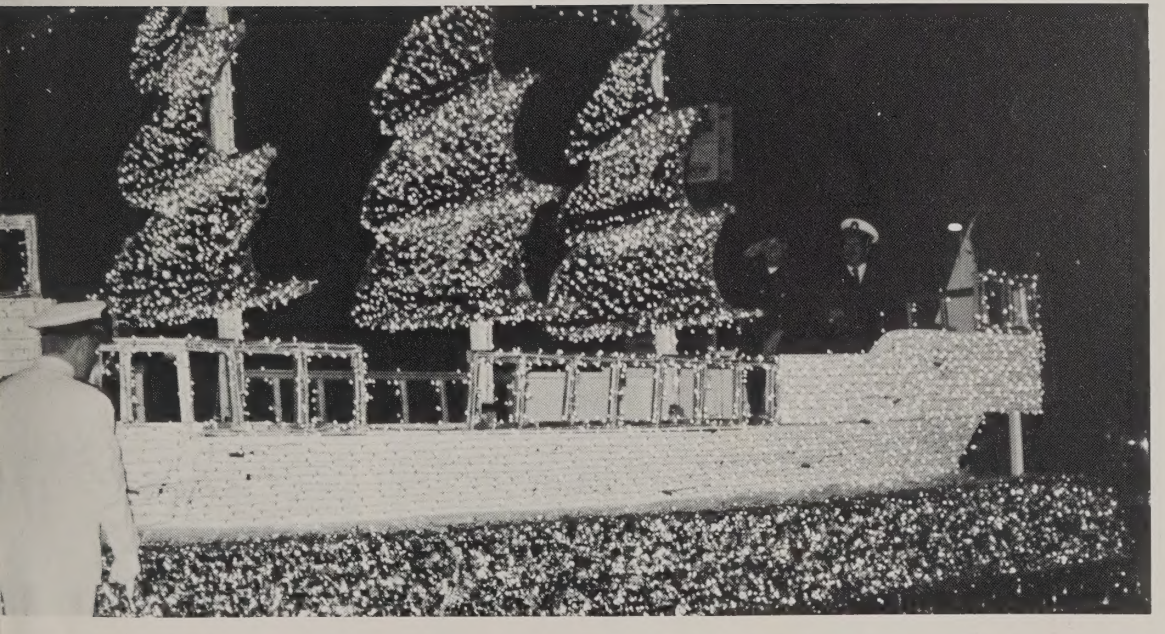


Doug Smith tries to repair a small rip in the foil.

Just before dark the float was completed.



A dazzling display of illumination.

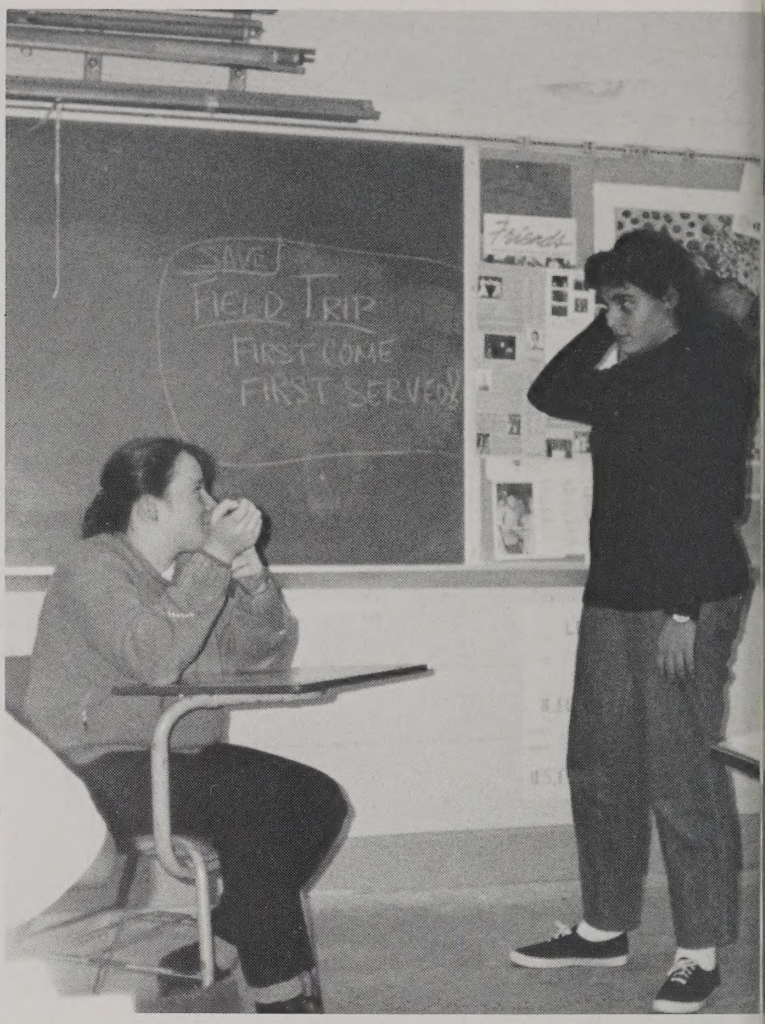


Live Performances
Great & Small

Places everyone! From the top! And action! These were some of the familiar cues used in a variety of productions performed throughout the year. One of the many activities that gave students the opportunity to show off their talents was a one-act play coordinated by Ms. Rhodes. The play, entitled "My Hands is Full O' Gifts", was a success from the start. Students had to audition for the parts, and their long hours of rehearsal allowed them to take the play as far as the Beach District Theatre Festival.

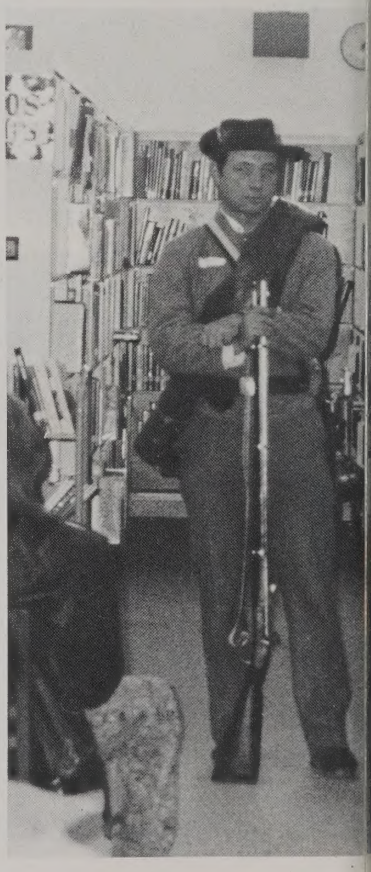
The library also brought many exciting presentations to the Bayside students. One that was particularly memorable was a Civil War reenactment presented to the history classes.

In the classroom, students also had the chance to perform. But no matter where the production took place, whether in the classroom or on the stage, Bayside's student actors shined in performances both great and small.

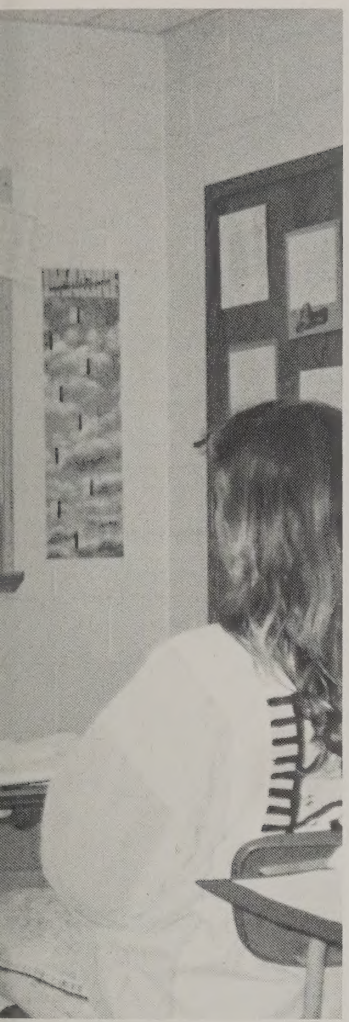


French students perform a skit in class.

Guest speakers discuss the Civil War to history classes.

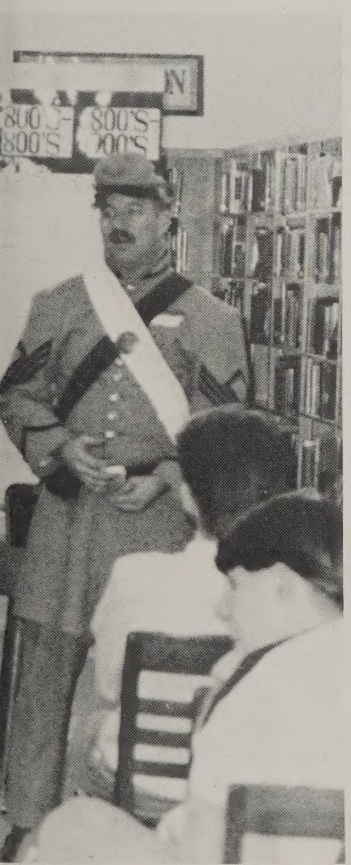


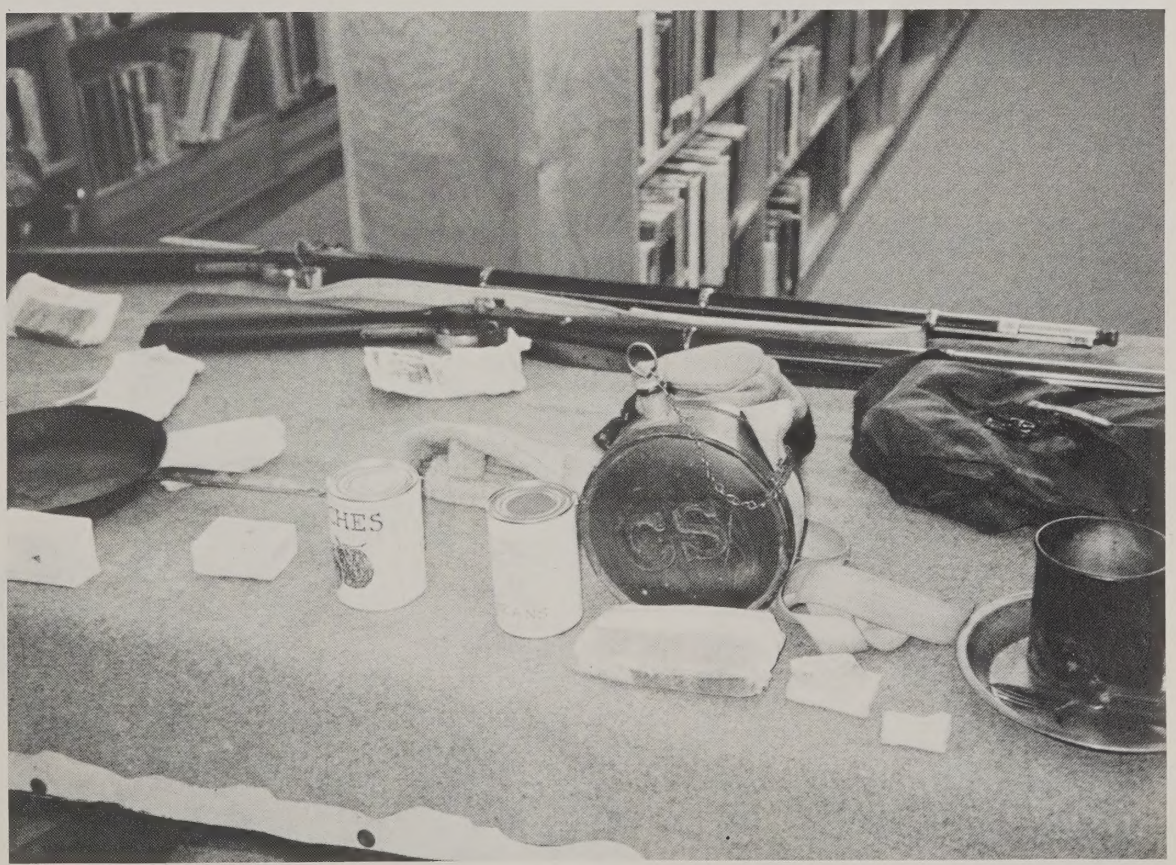
On stage, students perform in the one-act play.



Jason Cruzo practices his piece on the snare drum.

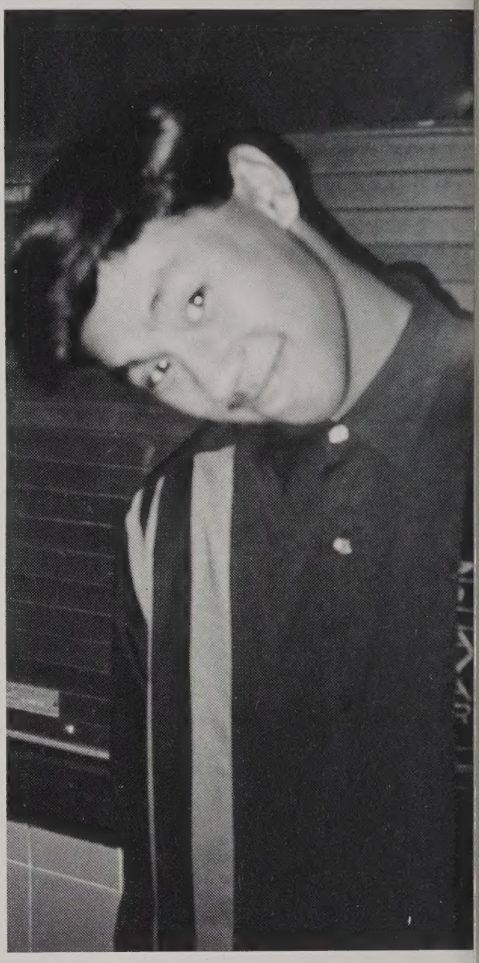
The guest speakers brought actual Civil War relics to the library for their presentation.





"Fads And Fashions"
In Style For the 90's

Where is the one place that looking your best alsways counts? School of course! Showing individual style and going with the flow of what's hot and what's not were common ways for students to express their differences in 1991. Many students found the fit that made the fashion at stores in the area like WRV, DJ's Express, and The Limited. To emphasize African culture many wore Rasta colored accessories to accent their outfits. Students also wore large earrings, crystal pendants, and stylish belts to accessorize and add a special touch to their ensembles that were in style for the 90's. Whether their styles were sleek and stylish or cool and comfortable, students always set themselves apart from each other with their individual style.



Relaxing at lunch, students show their individual style.

Joel Aldea, with his designer button top, poses showing his comfortable yet classy look.

Robert Lee combines African style with surf wear for his own stylish outfit.

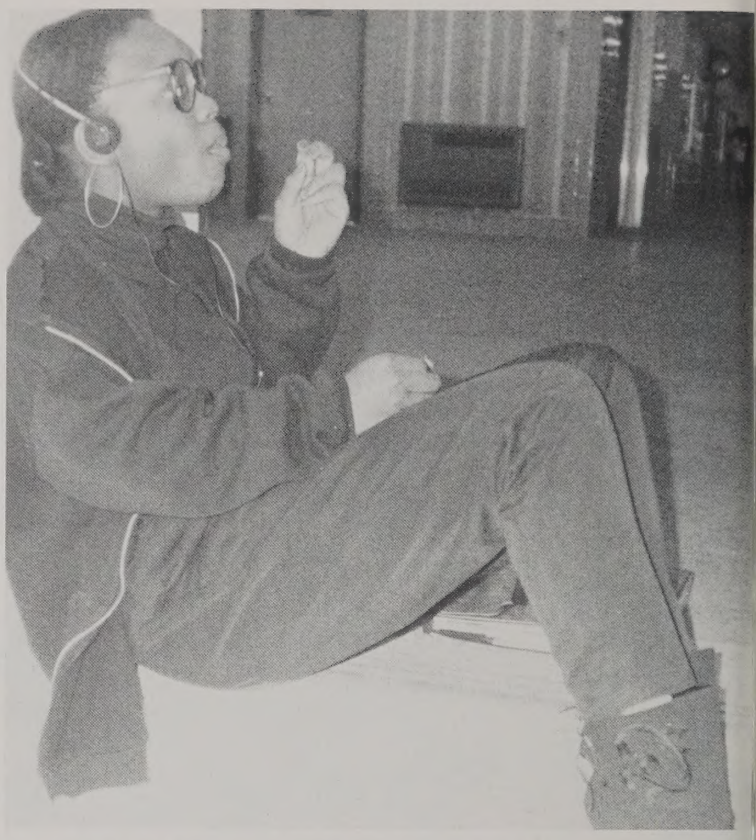
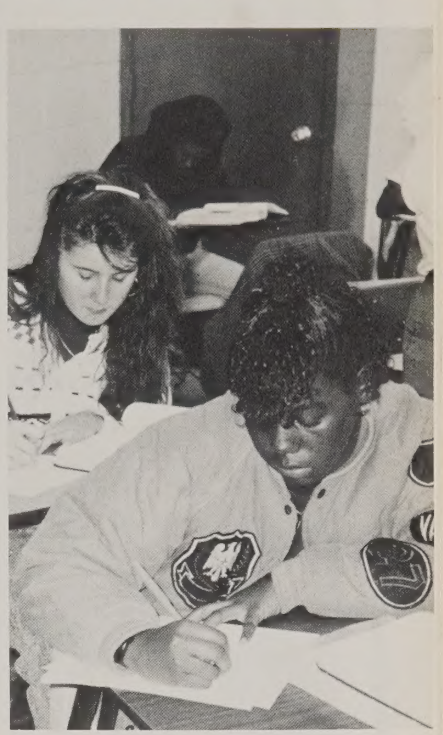
The "Life" In High School

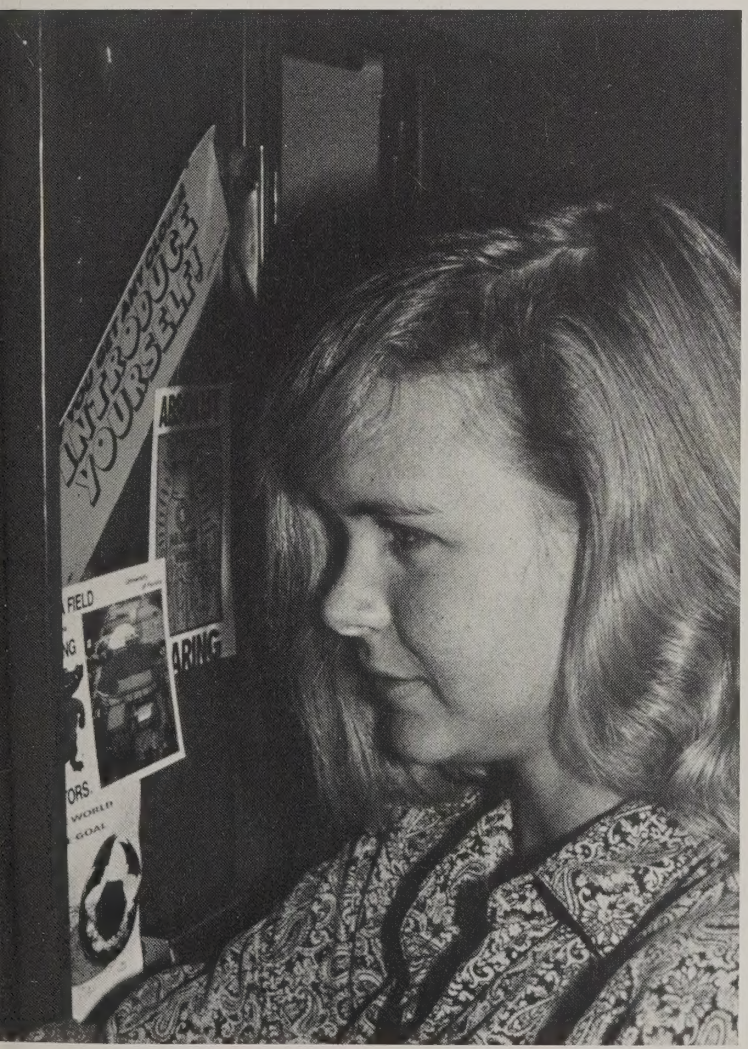
Marlins were busy at school putting their minds to work learning and experiencing new things everyday. A new experience for the young women of Bayside was a seminar, "Standing Tall," designed to examine inner feelings. Pep rallies introduced fall, winter, and spring sports and gave the students a break from the classroom. Special events such as rent-a-sophomore, rent-an-athlete, and secret pals proved that it wasn't all work and no play throughout the year! On the serious side, students explored opportunities as many people from different careers came to talk about things such as military careers, business fields, and college. Marlins gave support to the troops in the Persian Gulf by wearing yellow ribbons to signify their love and caring. With all the activities that went on throughout the year and all the good times students shared, being at school seemed to go by as the passing wind, remaining only a memory that will never be forgotten.



Top: Melanie Ingram enjoys listening to her walkman during lunch. Right: Hanging out at lunch these students are "all smiles".

Left: In between classes, students chat as they enjoy their 5 minute break. Below: Erin Greathouse and Shonda Ford concentrate on Geometry.





Left: With her decorated locker, Becke Bazar gets her books for class. Above: Using the phone during lunch was a common thing for students to do.

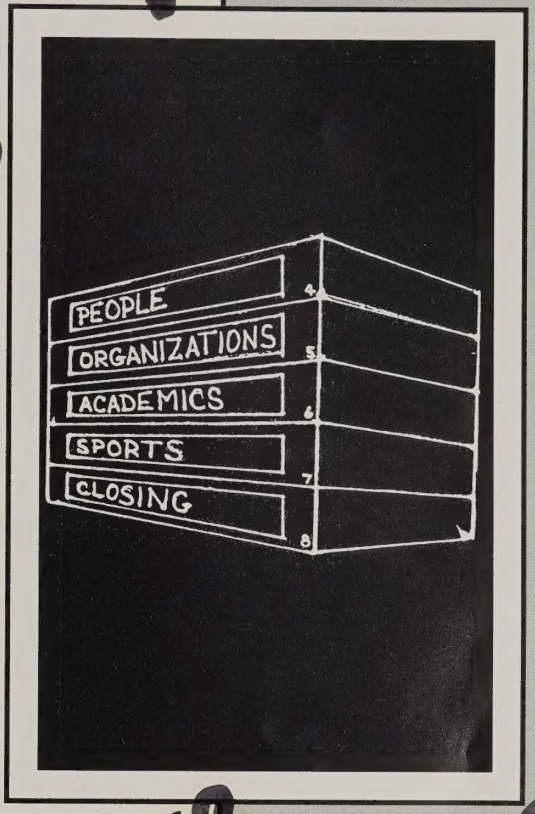
RENOVATIONS

WE'VE GOT

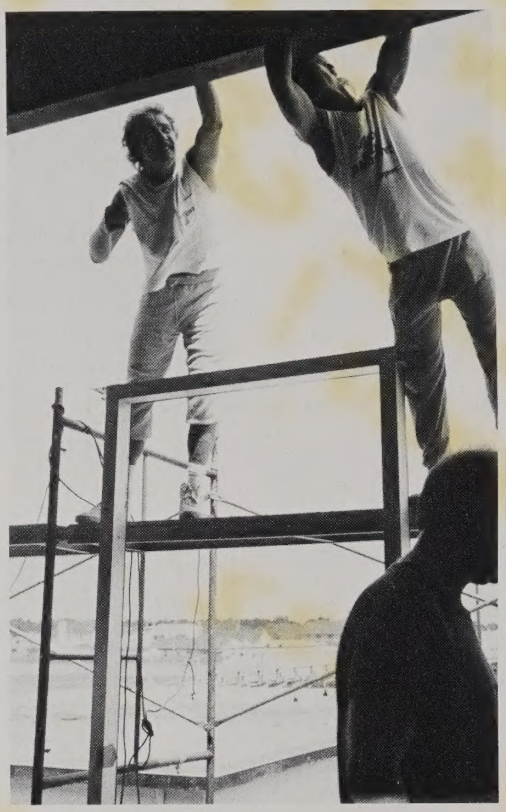
LOOK



RENOVATIONS
"Showcase of the City"

Bayside has experienced many forms of reconstruction in the past, from changes in spirit to changes in academic standards. But TAKE A GOOD LOOK at us now; now we have changed everything. In November of 1989, Virginia Beach passed a board referendum that would include total renovation of Bayside. Most of the repairs required structural renovation, which primarily involved repairing the roof, the ceilings, and the floors. Mr. Morgan stated that with the completion of the renovations, Bayside would be "the showcase of the city."

Kelly McGinnis, senior, commented, "the renovations helped to promote school spirit and build pride in the community." Indeed this was the overall opinion of Bayside's family. R.G. Lambert and Sons, General Contractors, you have made Bayside proud!



The workmen worked long hours to reconstruct the m
hall.

The office windows were taped in preparation for the r
ovations.

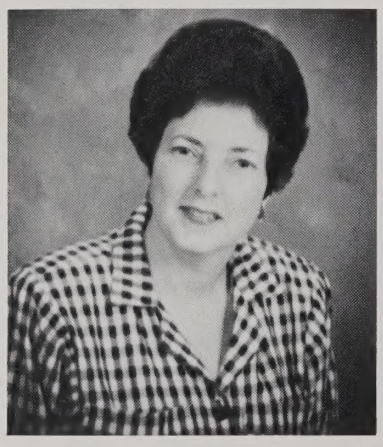
The main office during renovations

The main office after the completion of the renovations.

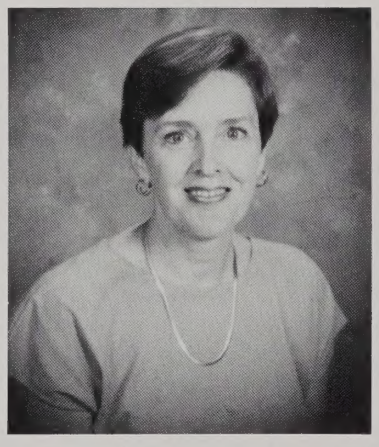
GRAND OPENING

The long red and gold ribbons were stretched across the entrance to the library. Long hours and tedious work had finally paid off. The official opening ceremony of the new library took place on October 30, 1990. Special guests, volunteers, students, librarians, and administrators all gathered in front of the library to witness the gala event. With a grateful thank you, Mr. Morgan cut the ribbons and the library doors were officially opened.

Mr. Morgan cuts the ceremonial ribbon during the opening ceremony of the library.



Mrs. Blankenship, head librarian



Mrs. Benson, media specialist

Mr. Morgan and Mrs. Blankenship show their appreciation with a certificate for the volunteers.

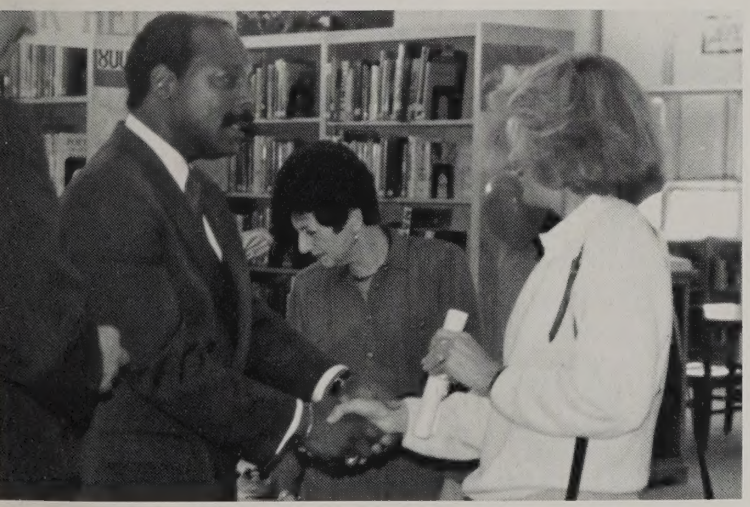
Mrs. Garzolini, secretary

P. Williams, J. Cornish, J. Garzolini, M. Benson, J. Foster, A. Reason

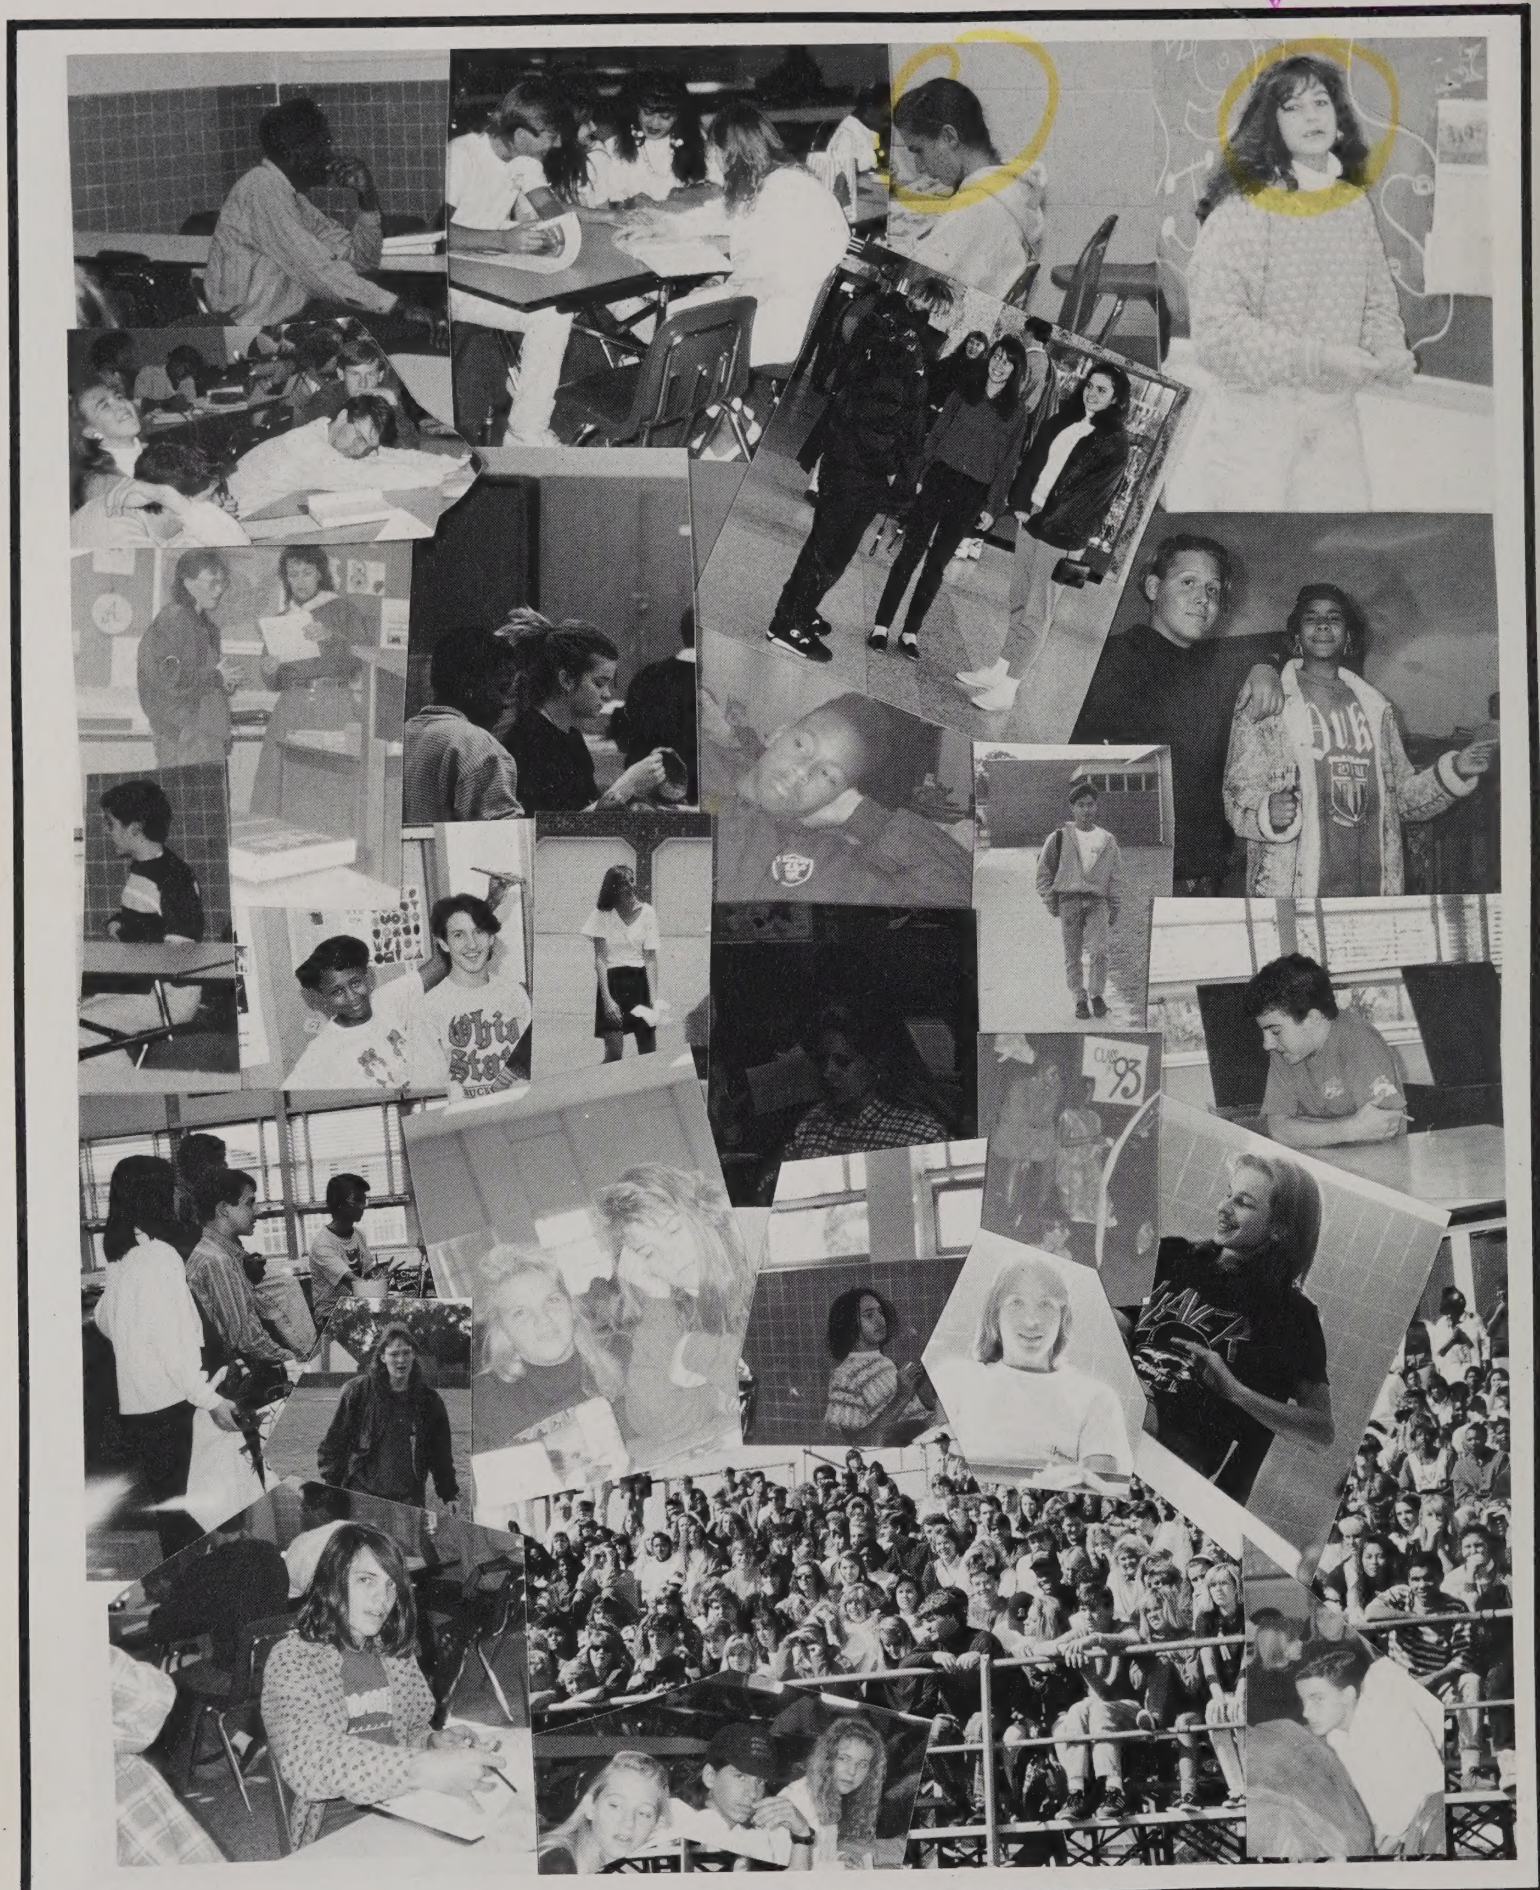
Mr. Palombo hands Mrs. Biedeger her thank you.

Mr. Morgan and Mr. Palombo stand with the proud recipients.

Mrs. Olsen receives her thank you from Mr. Palombo.



Mrs. Leenders receives her thank you from Mr. Morgan.



Ohio State
CLASS '93

Angela -
Hey Sweetie! Welp, the year is finally over and Latin has been.... an experience ☺ No, its been pretty neat! I'm glad I met u this year - too bad we weren't closer friends ☺ maybe we can do something over the summer! That would be fun! You're a really sweet person who always has a smile on her face ☺ you keep me in a good mood, too ☺ Have a great summer!

Kit

♡ya,
Michelle
Cherwa
'92

Angela,
Latin has been real — real what, I don't know. It was nice talking to you when you bothered to show up to class. Mr. Walsh's sense of humor leaves a lot to be desired, but it was fun. Have a cool summer and good luck next year.

Nanci Groves

Angie, welp, its been real great in third hell, we gotta have some classes next year. You, Nelle & Christie gave me a great hell, Inn real sorry things didn't work out with you + Mike. Good luck w/him in the summer. C-ya

Regina ☺

Stay Sweet

PEOPLE

"If you could train an underclassman on how to be a senior, what would your advice be?"

"Start saving up now for your prom because it will cost you a bundle." — James D. Moore '91

"Enjoy your senior year, but don't take things for granted." — Holly Morefield '91

"I would tell an underclassman to take time to really enjoy the year and all the opportunities presented, after all this is the end of a long chapter in our lives." — Christina Marneris '91

"Don't go where the path leads, rather go where there is no path and leave a trail." — Emerald Hazel V. Garcia '91

"Walk around like you know everybody. Smile and act ignorant in the halls, but be edu-mu-cated in the classroom." — Theresa Ferell '91

"Learn as much as you can about as many things as you can." — Bruce Smith '91

"Make decisions you will be comfortable with." — Lamont Thomas '91

"Don't date popular guys, it causes too many problems." — Yaylin Sanchez '91

"You can't train anybody to be a senior, when you get there you're a senior." — Jennifer Perez '91

JUNIORS

Junior Class Officers: Sarah Eyler, Secretary; Michelle Cherwa, President; Kiea Brown, Treasurer; Kim Goodwin, Vice-President.

Ordering a class ring is just another big decision a Junior has to make. The class ring is not only a symbol of graduation, it is a momento of high school days. The tradition of "turning" the ring, on ones finger, to bring good luck, is an important part of owning a ring. A special someone is asked to be the first person to turn the ring, then other classmates are asked to make full turns until the ring has been turned enough to equal the year of graduation. When the correct number of turns have been reached, usually a close friend makes the last turn to "lock" in the luck.

CLASS OF 1992

"We are the Future"

What does the word "JUNIOR" mean to a Bayside Marlin? That has been a question many have tried to answer. Everyone seemed to have his own definition.

Mark Robert stated that "Junior year is not just preparation for senior year, it is also when we say goodbye to childhood and hello to life." "The Junior year is the year when you take command." Janene Cornish added, "Technically, you become the leader of your army, your future."

The word as a whole means many different things, but each letter of junior also has its own meaning.

J — Jammed with so much dedication, talent, enthusiasm that there is no end in sight.

U — United for great things.

N — Note worthy accomplishments throughout the year.

I — Intramural relationship between academics and sports.

O — Outstanding year we had. All the new things we gained, like new friends, our rings, and knowledge.

R — Ready for senior year!

The Class of 1992 has proven this year that we were not just another junior class. We proved we are the future.

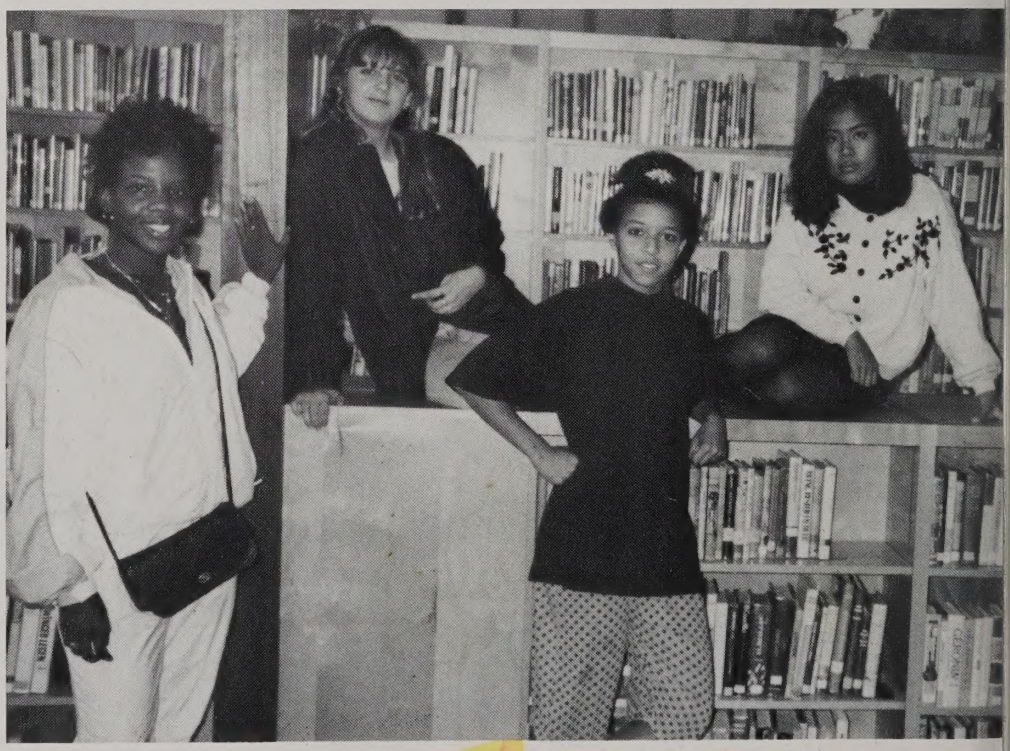
SOPHOMORES
The Small People

Sophomores may technically be the small people on the totem pole, but this year's sophomores had no trouble showing their spirit. They involved themselves in many school activities. Through their involvement in sports, clubs, and academics they proved that being small did not mean small achievements. They showed their knowledge during the PSAT's, and their desire to take on the many roads of life during Driver's Ed.

Yes, being small had its advantages; sophomores found that they could weasel their way through crowded halls, and hide behind the big guys in times when it was necessary. Some even found their way to the top of the ladder by taking on class offices as well as other high positions. They discovered that being small was not so bad, because it helped pave the way to Bayside's greatness.



Class Officers: Kisha Perkins, Kiki Thompson, Rickita Bell, Joanne Carolins

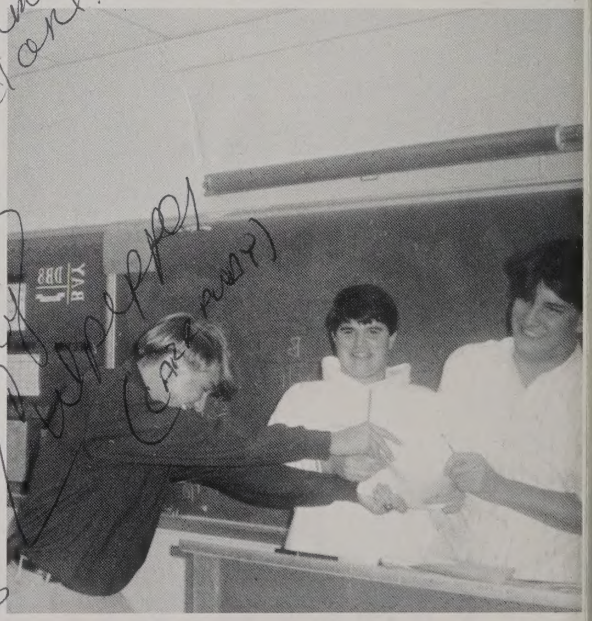
A Tradition Of Excellence

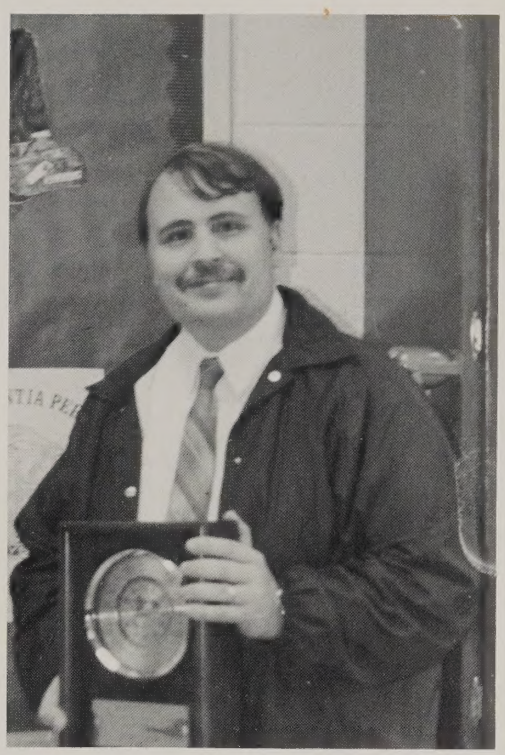
The Bayside Debate team has continued to uphold its five year tradition of excellence. Many new members joined the team, and the hard work put forth by all team members has led to multiple achievements. The team attended Tidewater Debate League tournaments, as well as traveling to Bronx, Chicago, Harvard, Wake, Emory, Vestavia, and many other out-of-state competitions. For the past four years the team has held district championship, regional championship the last three years, and state championship the last two years. Coach Eakin says, "Our students have built a tradition of excellence here at Bayside which each new class carries on over as their own."

All seriousness aside, Walter Doetsch, Bernie Pritchard, and Micheal Dutcher have fun debating.

The debate team gathers together to listen to the wise words of Coach Eakin.

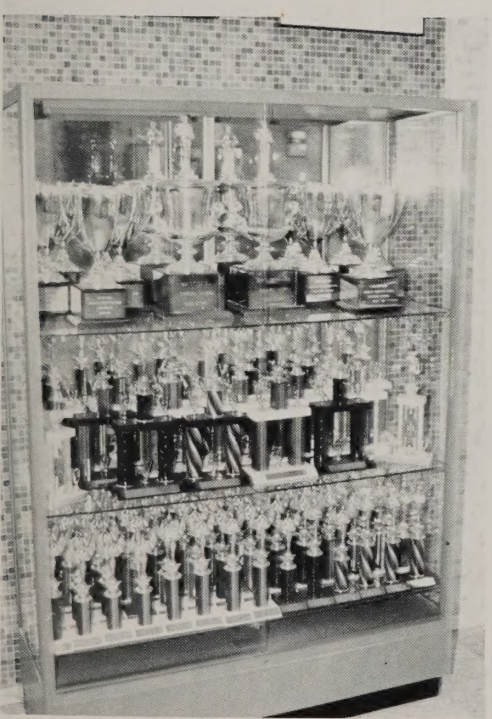


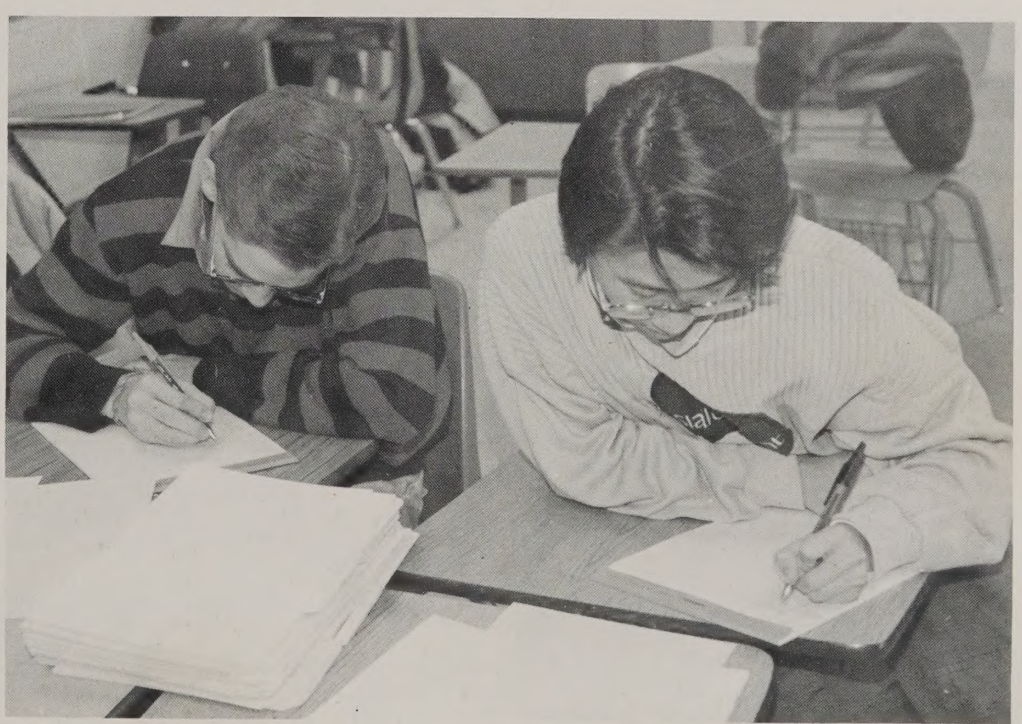
Row 1: W. Doetsch, L. Love, J. Kreimer, G. Davis, S. Doetsch, M. Dutcher Row 2: J. Curtis, C. Forbes, S. Waterstruss, V. Whitmore, C. Ossont Row 3: S. Fisher, B. Pritchard, M. Roberts Row 4: D. Heidt, M. Jones, S. , L. Neighbors, S. Forbes, D. Devoe Row 5: Coach Eakin, M. Lee, S. Heidt



Coach Eakin smiles proudly as he holds a cherished debate award.

Steven Heidt and Minh Van gather research before a tournament.





SHORELINES
BAYSIDE'S NEWSMAGAZINE

Shorelines Awards
National and State

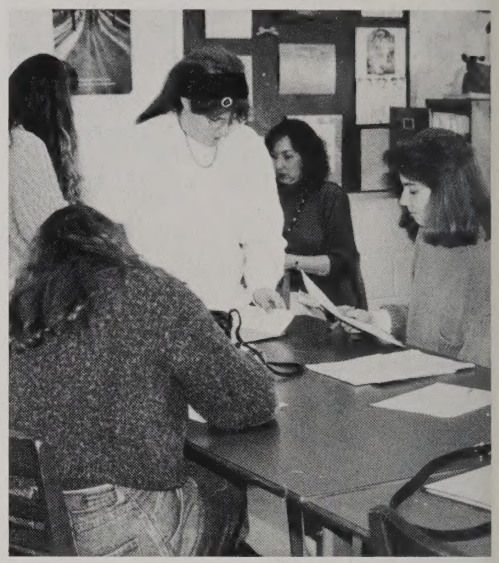
National Scholastic Press Association — 1st Class
Marks of Distinction
"well rounded coverage"
"well written and thoughtful"

Design
"excellent modular design"
"feature stories are well written"
"feature stories show excellent planning"

Quill and Scroll International — 1st Place
Superior Achievement
"I salute the staff for putting emphasis on quality."

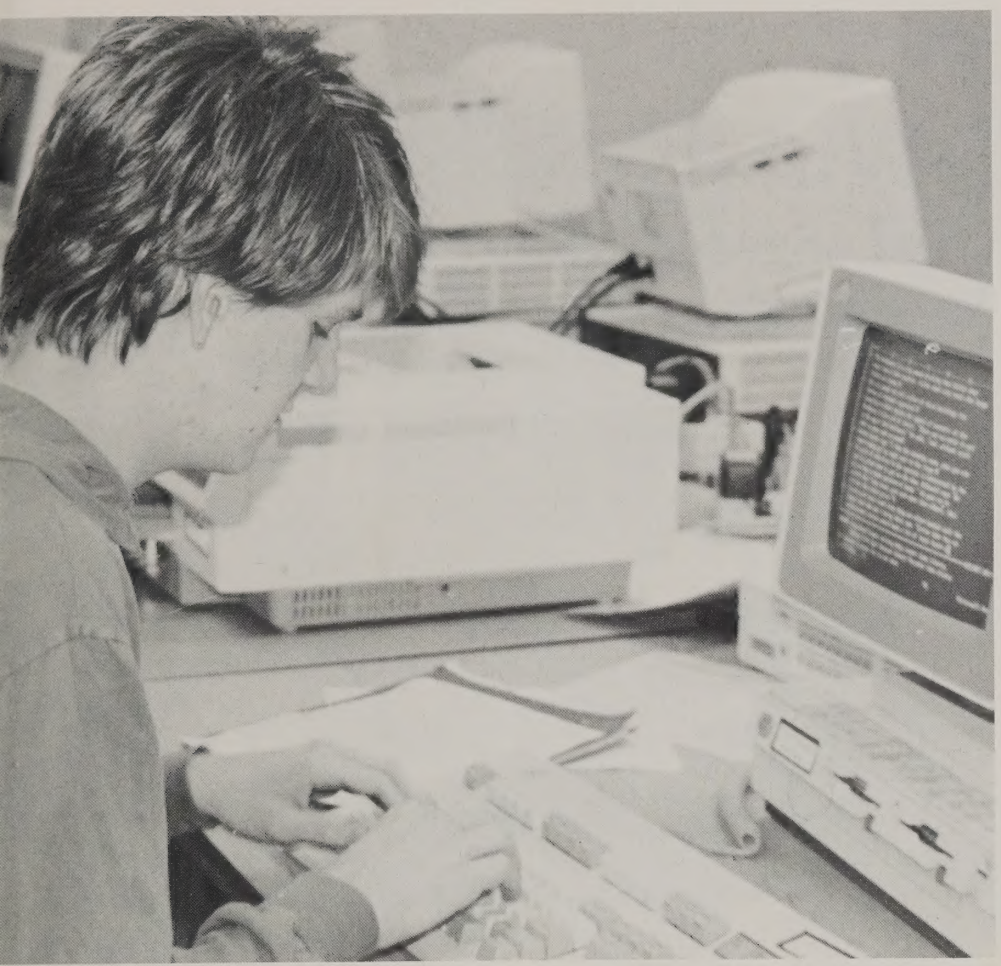
Virginia High School League — Trophy Class
"Writing style and consistent attention to careful editing set Shorelines apart from comparable newspapers."
"Outstanding concern with making your paper a true student newspaper . . ."
"Warm personal profiles are an outstanding Shorelines characteristic."
"Traditions of excellence pervade every issue."

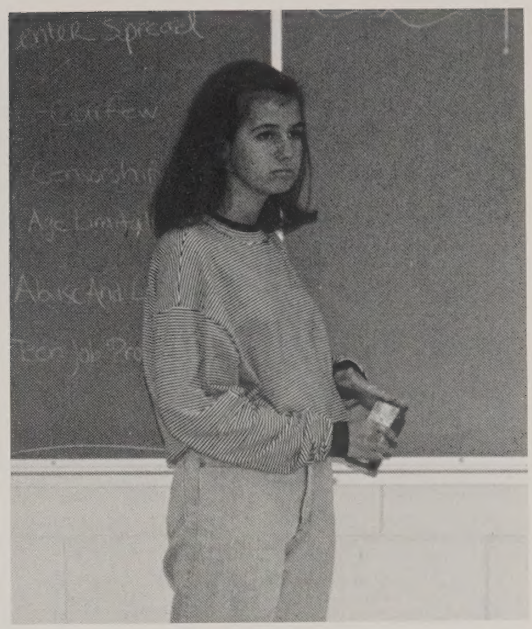
Shorelines, Bayside High School's own newsmagazine sponsored by Mrs. Cobb has a "Tradition of excellence pervading each issue". This is the opinion of Bayside High School as well as the judges of the National Scholastic Press Association. Shorelines has recently won Quill and Scroll International and is first place for superior achievement with the Virginia High School League Trophy Class. For the 1990-91 school year the co-editors were Amy Fletcher and Jennifer Honan. The goal of the newsmagazine staff was to create a magazine interesting to the majority of the student body while reporting issues students deal with on a day to day basis.



Working diligently: Mrs. Cobb, Claire Roberts, Beth Fite, Missy Woodard, and Sheri Fisher.

Betsy Newman, Josh Knutsen, Amy Fletcher, Missy Woodard, Lonie Palalay, Chris Dembitz, Walter Doetsch, Isabel Main, Kelly Cardwell, Sheri Fisher, Leonard Neighbors, Mrs. Ohmes, Claire Roberts, Shannon Marrion, Christina Manderiz, Beth Fite, Kim Goodwin, Ben Roberts, Mrs. Cobb.





Ben Roberts uses the computer to write copy.

Jennifer Honan, co-editor, brain storms for ideas.

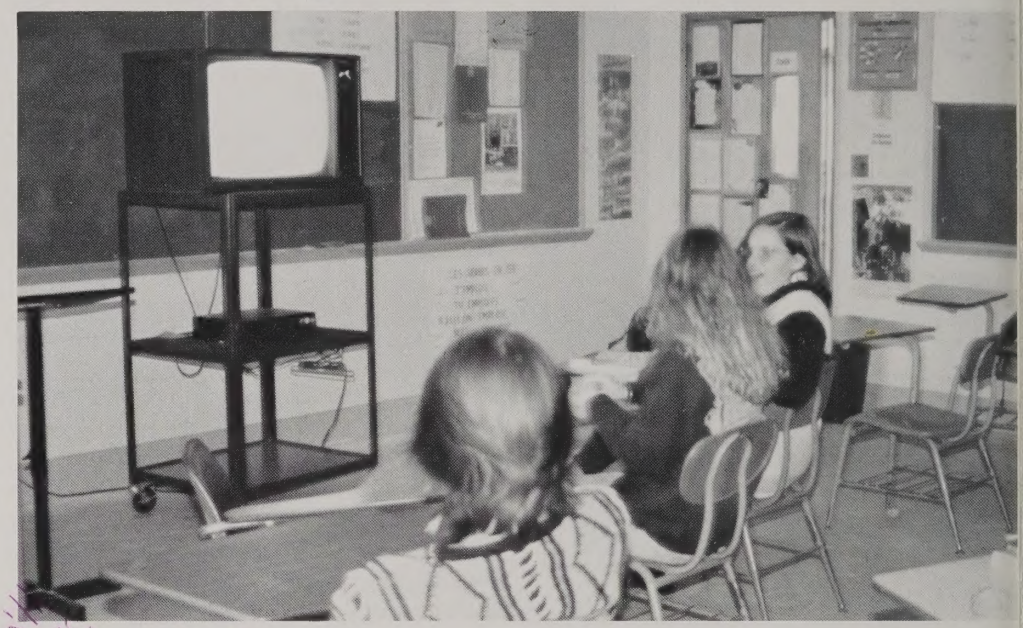
Shore Lines

In Touch With New Cultures

The Language Clubs

Half of the fun of taking a foreign language is being able to participate in the language clubs. The clubs help bring the culture of the countries closer to home, and they allow the students to experience the other aspects of the language not taught in the classroom. Through the clubs, one can become acquainted with the land, the people, the traditions, and most importantly, the foods of the foreign languages. Bayside's foreign language clubs prove that learning something new can be exciting and interesting.



Members of the French club prepare to watch a French Film

Angela,
Hey! Well you've been a bitch long & I don't have all year! I hope I in any yr. classes next yr. so you have a great summer w/o me. (even though you probably say me)

Frenz,
Wendy
'93

P.S. Look on the next page!

National Honor Society

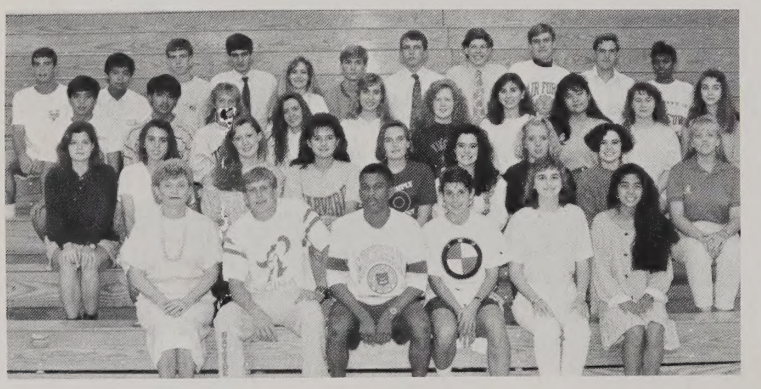
The Best Of The Best

The best of the best at Bayside can only be found in the National Honor Society. All members display outstanding values of character, scholarship, leadership, and service. Sound hard? But wait, NHS students also had above 3.0 GPA's and participated in community, and extracurricular activities. Many members even found time to hold leadership positions in other clubs.

Although the Honor Society members were busy with keeping grades up, they worked on several school and service projects. Each nine weeks the NHS hosted an Honor Roll Party for all students who made the honor roll. Every Wednesday students received tutoring from Honor Society members. Other projects included making food baskets for the needy, visiting children's hospitals, and visiting homes for the elderly.

Bayside's National Honor society members proved to be "highly conscientious and motivated students" says Mrs. Butler, the NHS sponsor. It is easy to see why the NHS is clearly the best of the best.

Cori Gillis and Brad Bateman cheerfully serve honor roll students at an Honor Roll Party.



Row 1: Mrs. Butler, D. Smith (Vice Pres.), M. Crenshaw (Tres.), C. Gillis (Pres.), B. Newman (Sec.), M. Palalay (Proj. Chairman), Row 2: I. Main, C. Forbes, S. Waterstruss, T. Payne, H. Honor Society members munch on the snacks as they host the Honor Roll Party.

Governor's Magnet School

Eight Stars Shine Bright

This past year, eight Bayside High School students lives were enriched after attending the Governor's Magnet School for the Arts. Rebecca Burns, Nathan Collinsworth, Ruby Manadero, Antoinette Newsome, Melissa Richardson, Elizabeth Schery, Deb Wallace, and Kerry Wynn took three hours out of their regular class schedule and traveled to Norfolk to such buildings as the Tidewater Ballet, the Colley Avenue Art Studio, and two area universities, Old Dominion University and Norfolk State University to receive training in their respective disciplines of visual art, dance, drama, and music both instrumental and vocal.

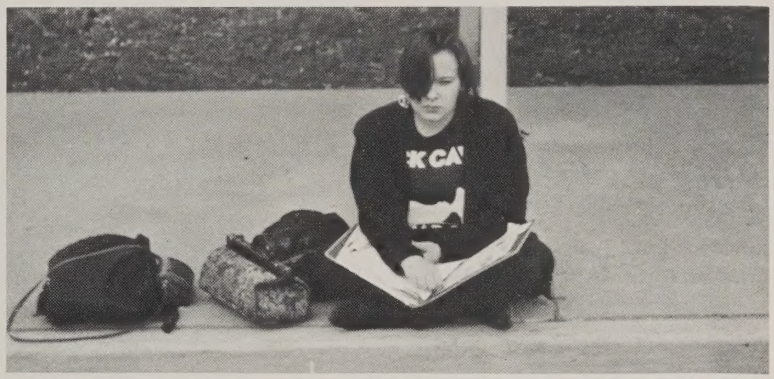
"The training I received was on a college level," said senior and vocal major Rebecca Burns, "You have to practice a talent so it will pay off in the future."

Ruby Manadero, an art major said, "Even though it took away much of my free time, I know it will be worth it in the future."

"The Magnet School gave me the opportunity to interact with other young musicians and performers as well as prominent artists that reside in the area." stated Kelly Wynn, an instrumental major (cello).

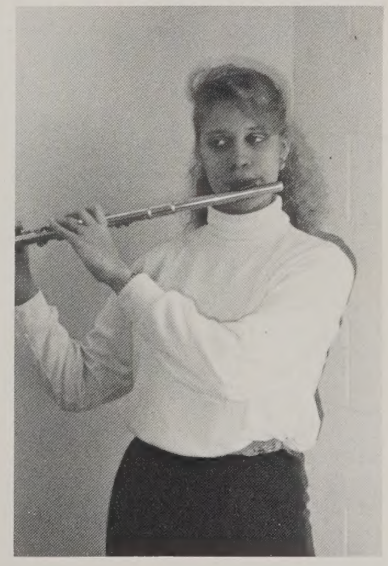
Burns, Manadero, and Wynn along with two other seniors, Colinsworth and Schery, have just completed their final year. Magnet School you have made Bayside proud.

Ruby Manadero takes pride in showing her art work.



Deb Wallace waits patiently for a ride to Norfolk State University.

lagnet School: left to right, Kerry Wynn, Rebecca Burns, Antoinette Newsome, Elizabeth Schery, Ruby Mananero, Nathan Collinsworth, nd Melissa Richardson.



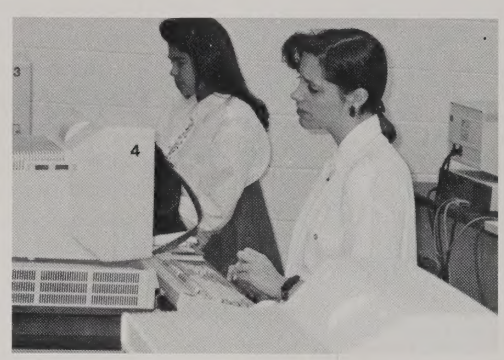
Antoinette Newsome practices for proficiency.

FBLA

Dreaming of Tomorrow

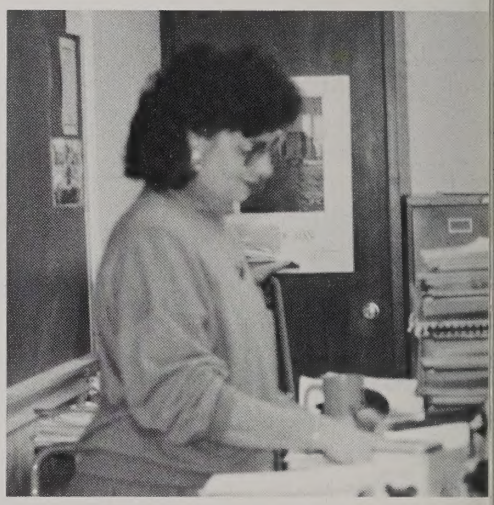
The FBLA, otherwise known as "Future Business Leaders of America" gave encouragement and leadership to its members in many ways. FBLA Marlins were involved with many fund-raising activities. To raise money for their trip to California, they sold candy. They entered a float in this year's Homecoming Parade and won third place.

Competitions were held in early spring. Teachers selected their top business students to compete in areas such as economics, parliamentary procedure, shorthand, and public speaking. All schools competed at a regional level in March. The first place winners went to a state level competition in April. The finalists traveled to the national competition in California! Marlin City honored Vocational Education and FBLA week during February 11 to 15. FBLA, where dreams can become a reality!



FBLA member, Tracey Meeks shows dismay trying to work the computer.

The U.S. Postal Service raised the price of stamps to 29¢ on February 3, 1991



Mrs. Parr, prepares notes for a FBLA meeting.

SERVICE . . .

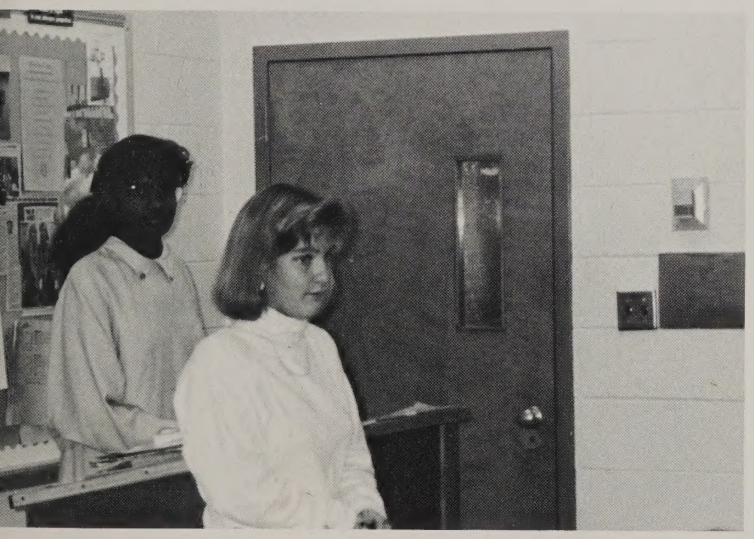
The Key Club

The Key Club is an organization dedicated to the community. With in and out of school activities, they help children, the elderly, and the needy. A number of events took place last year.

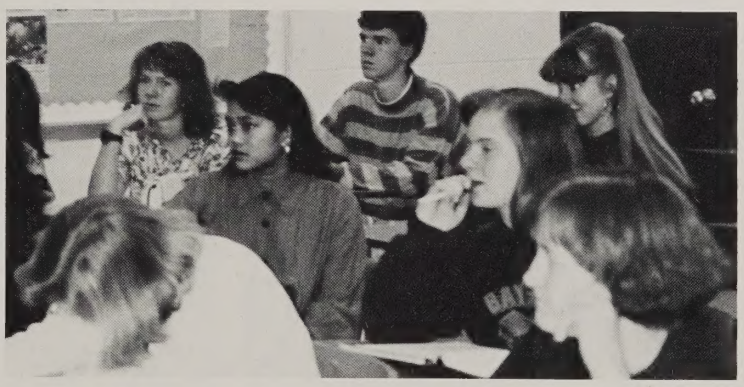
In December the Key Club played elves by answering Santa letters from elementary school children. They held successful food and hygiene product drives. As a final project they planted daffodil bulbs.

Through fund raisers and beautification projects the Key Club made the community a better place. The Marlin Key Clubbers deserve praise.

Concentrating: Key Club members putting their minds together.



Tory Reinhold discusses the District Key Club conference.



Cecilia Bersonda and Ashley Parr try to think of some February activities.

Scientific News
90/91

As the school year began, new concerns mounted about the state of our world and its environment.

A massive oil slick was detected on Jan. 23, 1991 in the Middle East causing many worries for environmentalist. The slick which covered a wide portion of the Kuwait coast began as being 30 miles long and 8 miles wide but continually grew.

The source of the slick was thought to be an attempt by Iraq's forces to weaken the allied forces. However, the oil slick became not only a military concern but an environmental one as well. The slick has been considered an environmental catastrophe which was certain to kill most marine life in the gulf region.

Luckily, allied forces joined together to lessen the flow of oil. Bombings were a new but effective way of stopping the growth of the devastating slick.

Local concerns for the environment have also precipitated this year. Debate began over a program involving the Lake Gaston pipeline and a recyclable water system. Because of the shortage of water in our region, an idea arose to begin building a dual water distribution system to not only distribute water but to recycle it as well.

The Clean Up the Bay project was another example of the environmental spirit of our community. Concerned citizens from throughout the area have come together for the last couple of years to clean and beautify the Bay's shore.

Science Club

Scientifically Enjoyable

Eggs dropping from the bleachers, airplanes flying in school, laser beams shooting through the air . . . not a sight you see everyday! Sure it was for the students of the science club. The club was jam-packed full of fun and unusual activities.

BEAR, or Bayside Environmental Awareness Renaissance, was formed because of the students' concerns for environmental issues. The group promotes environmental awareness and education, as well as protection of the environment.

CHROME and the Engineering Club were also involved in the Science Club making sure their future would be brighter. Students had a chance to apply to an out -of-the ordinary summer job with NASA workers.

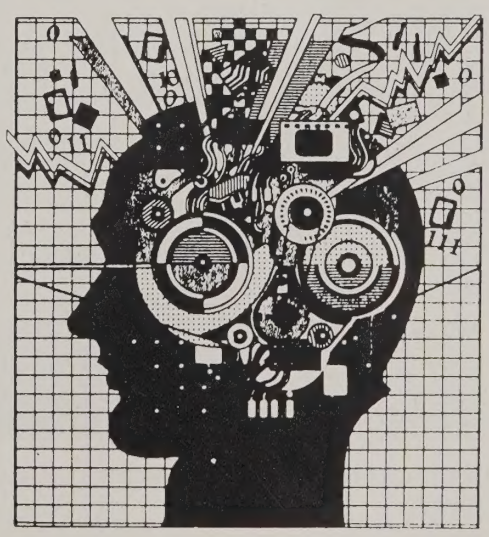
It was clear that this year Science Club members knew how to prepare for the future but had an enjoyable time while doing so.

BEAR students help clean up our environment in the Clean up the Bay program.

Ronita Qyiero, Becky Dejaegher, Lan Van, Phuong Le, and Mrs. Trombino pick up cans in the school courtyard.

Science Club members enjoy "petting" Dashboard, an 8 ft. Boa Constrictor.

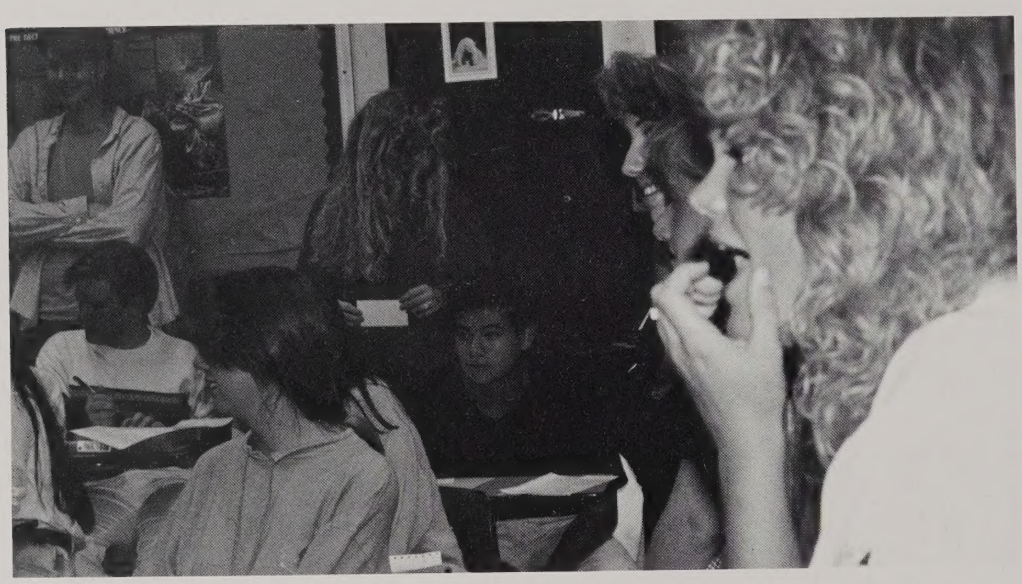
Photographer, Laura Reason, is thankful the science club is working so hard to protect our wildlife and environment.



Working For The Spirit Of Bayside . .

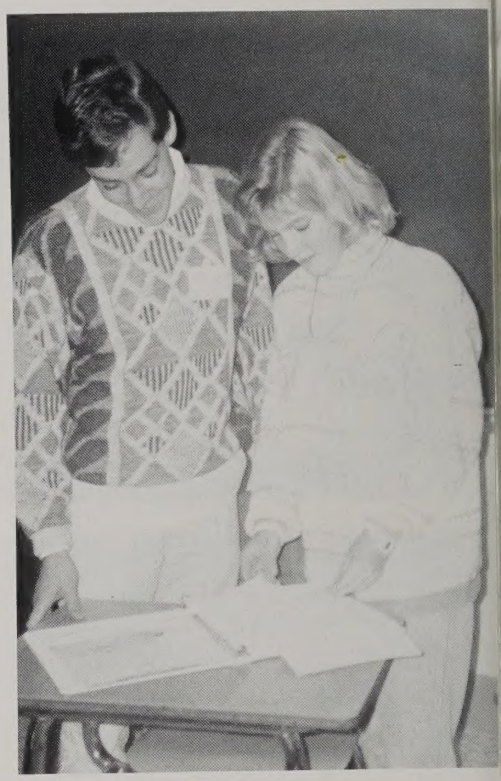
The SCA and ICC

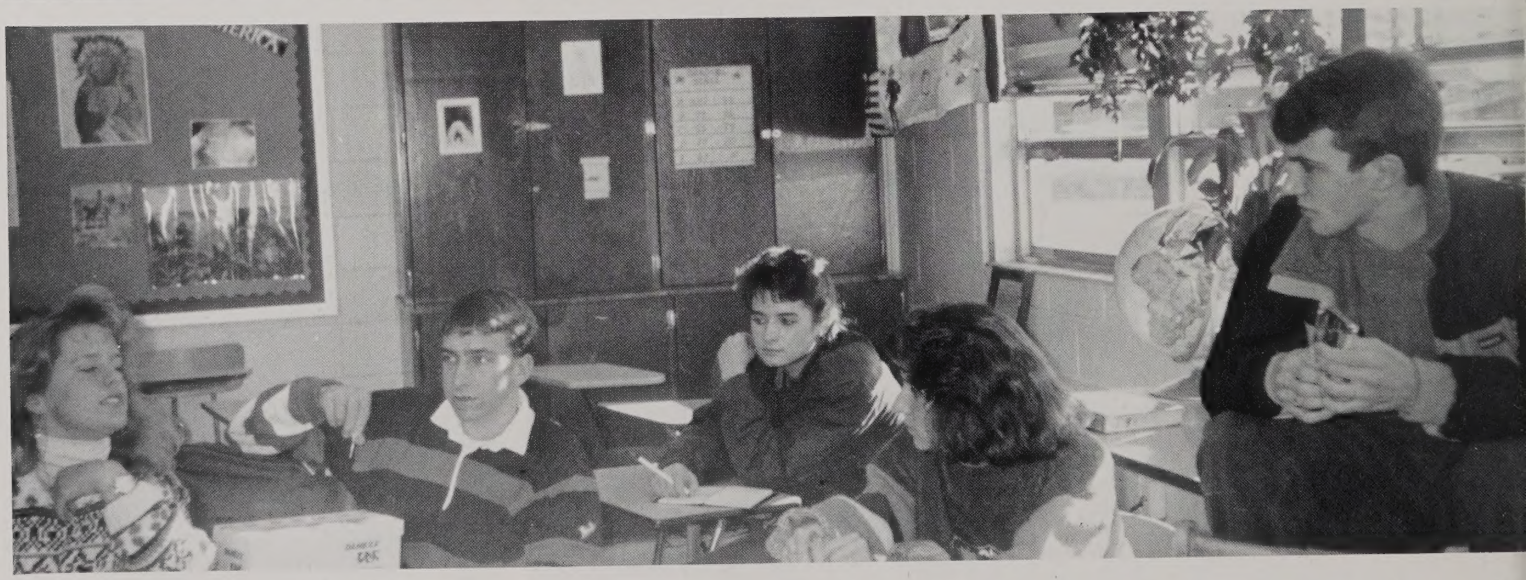
The SCA is the largest organization of Bayside and the activities that it sponsors affect the school in its entirety. The SCA is a student group organized to support the school in activities, programs, and projects in and out of school. It is active in Homecoming festivities, Scholarship Basketball, Awards Day, service projects such as the Children's Hospital of the King's Daughters, and many other activities to promote school spirit. The activities of the SCA do not stop at simply the General Assembly, the SCA branches off to many other activities such as the ICC and the Executive Board. Together with the SCA, these clubs are helping to take Bayside's spirit to its peak!



These members of the Executive Board eagerly await th next assignment.

Tori Reinhold acts as Chairman for City-Wide SCA, h she demonstrates true leadership.





At this SCA officers' meeting, the officers discuss upcoming events.

This year's SCA officers: (l. to r.) Amy Gordon (Sec.), Andrew Keever (V. Pres.), Chris Dembitz (Pres.), and Cori Gillis (Treas.).

Emily Brandt passes the time away at an Executive Board meeting.

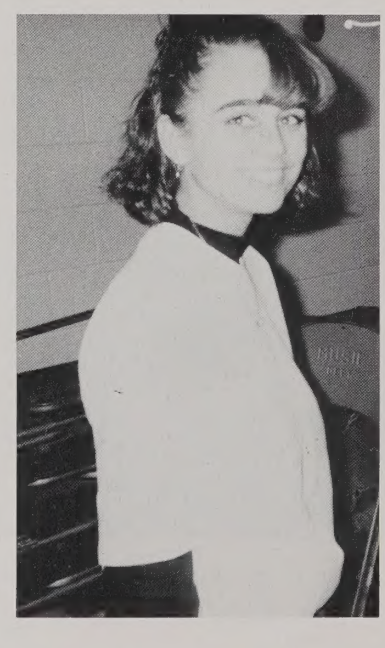
Keep A Song
In Your Heart

A family within a family is a good description of the Marlin singers. Throughout the day, members can be seen together in the hallways or classrooms. With each performance, the bond between them gets stronger.

The Bayside singing Marlins consist of three groups: concert choir, Madrigals, and mixed chorus. Each group has its own class bell, and each is under the direction of Mr. Sunderland. The concert choir and mixed chorus members participate in concerts and public exhibitions. The Madrigals, Bayside's swing choir, combines song with dance as they entertain a variety of audiences. All three groups, however, devote a great amount of time, learning their parts in class and in after school sectional practices. This year, the Bayside chorus members auditioned for District Two Chorus, with many selected for this honor.

The singing Marlins are truly a unique part of the Bayside family. Keep a song in your hearts — you're making Bayside proud!

Kim Simpson and Ingenue Fraley watch as Cynthia Claunch gets her hair styled.

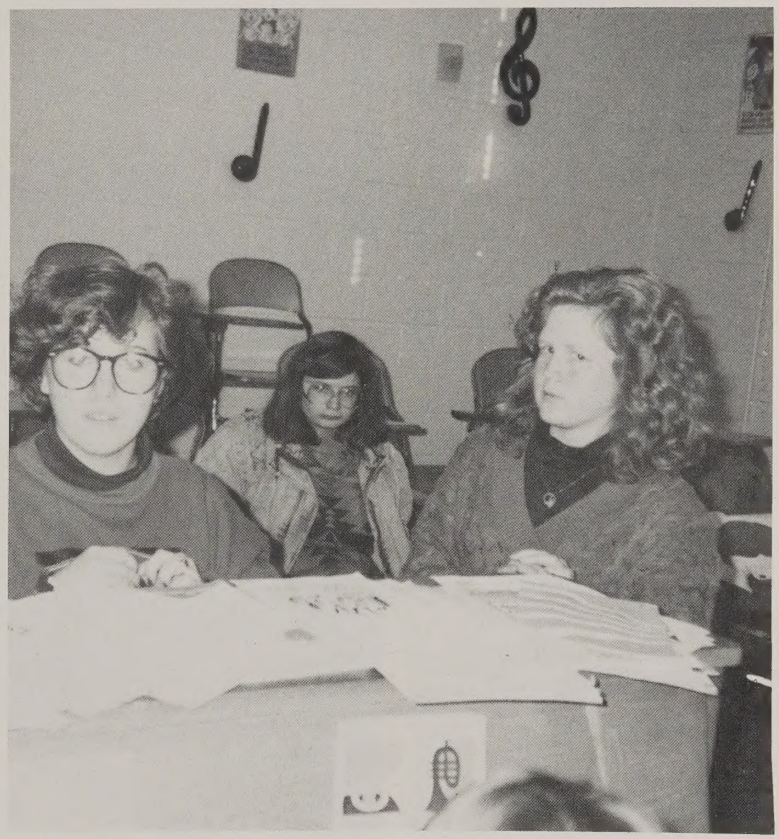


Cynthia Claunch smiles between songs.

Christina Quillin talks with Kelly Koren b fore class.

Betsy Reynolds and Amy Fletcher lead the Madrigals in a song.

Michelle Dorsh, Jeanne Owens, and Heather Slagel wait for Mr. Sunderland to instruct them.



Worn out at the end of a hard day, Ann Marie Fournier tries to take a nap.

Lisa Smelser laughs with David Daniels after a performance at Waterside.

Think Ahead
Stretch Your Concentration

Checkmate! You win the game! Your opponent's king has no where to go without capture. You have just finished one of the hardest board games in the world. Your patience and concentration have been stretched to the limit by the rigid demands of the game. Each piece was moved with the utmost care to play a part in the grueling, but successful strategy. Congratulations!

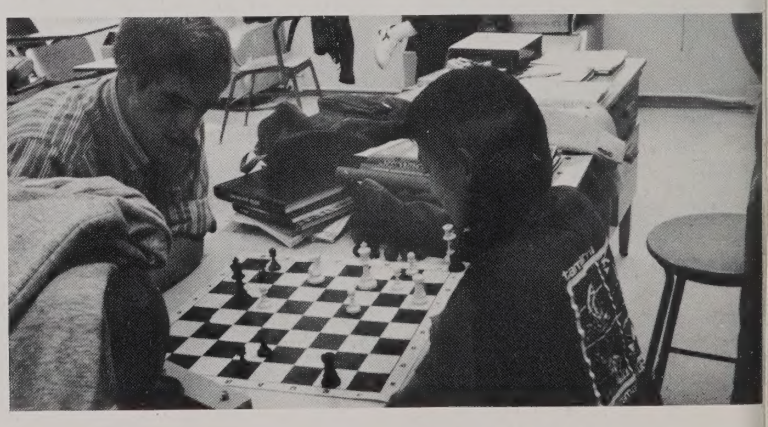
The Marlin Chess Club practiced daily during sixth bell lunch and after school on Thursday. To tell you how grueling and intense chess can be, the first meet against Salem was a draw. At the Hampton Roads Invitational they placed fourth. The Chess Club tested their skills of the game to limit when they played in the State Scholastic Tournament in March and in the Virginia Beach Annual Tournament in May.

The Chess Team has played their part in making Bayside proud.

Seated L to R: James Hart, Tim Morgan, Chris Claymor, Brad Bateman, capt. Standing L to R: Matt Mizenko, Tracy Scott, Mr. M. Bland, Sven Doebler, Mike Talento.

The library is a good place to test your strategies.

Brad Bateman and Chris Claymor practice for the next meet.



GIFTED AND TALENTED

A slightly different pattern!

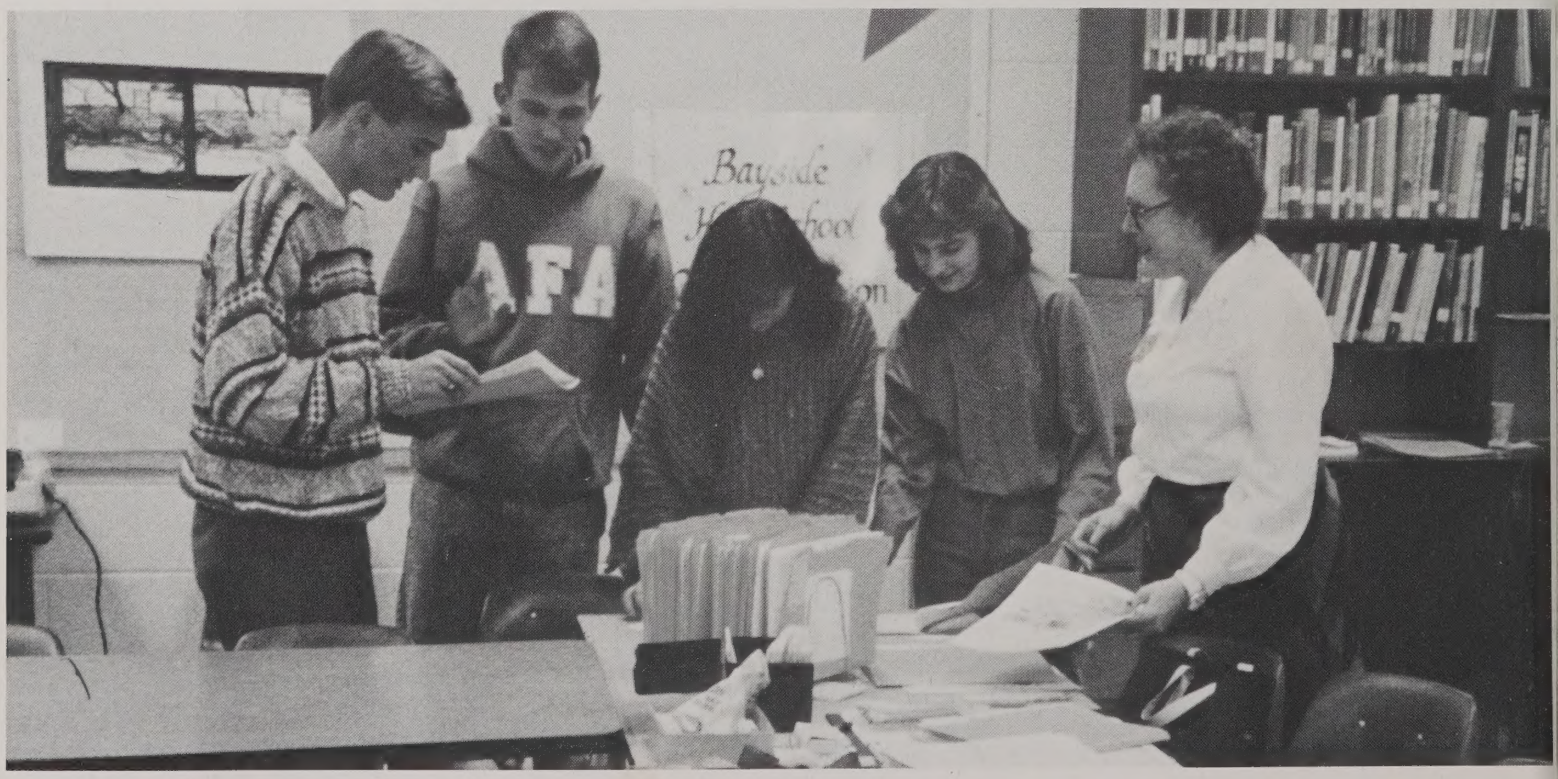
If you were to look through a microscope at a complex specimen, after taking a closer look, you see a slightly different pattern, in different parts of the specimen. In your mind, replace the "specimen" with the student body and the "slightly different pattern" with the students in the Gifted and Talented Program.

In the Gifted and Talented Program selected students are given the opportunity to enhance their knowledge of the subjects they most enjoy. This helps them gain their future goals. Classes range from Astronomy to Human Anatomy. This year two days out of each week students spent two hours at a certain location to learn about the subject they had chosen. For those interested in special art courses the Old Donation Center provided classes in visual arts, music, and dance. The Astronomy course was held at Plaza Junior High near the planetarium. One student who took the course on Human Anatomy this school year actually went around with a doctor and studied cadavers!

Sharon Dorsch removes photo paper from her drawer at the Old Donation Center.

Bryan Smith straightens his art display at the Old Donation Center.

Ms. Felton talks with (R-L) Betsy Newman, Betsy Reynolds, Chris Dembitz, and Walter Dorsch.

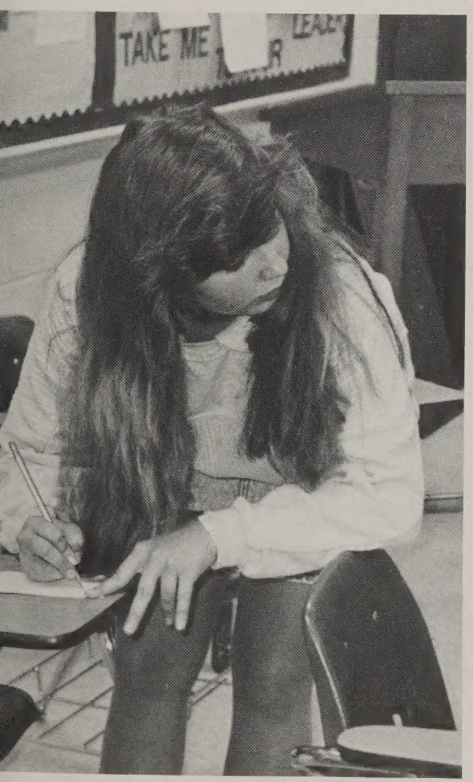


Bay Reflections
Art, Poetry and Literature

Producing a magazine was not an easy task for the staff of Bay Reflections. Each staff member was required to submit a personal essay, short story or original poem as part of their application. After careful consideration Mrs. Hansen selected just the right students for the literary staff.

Next came the horrendous task of gathering information, art, poetry and literature to be used in the publication. "In the past the magazine has been for the elite." stated Mrs. Hansen. This year their goal was to turn out the best magazine and appeal to the largest audience possible. After months of organizing and reorganizing, things began to take shape. Brian Smith designed this years cover, and Daniel Taylor was selected president, with Velika Anich vice-president, Christina Marneris secretary, and Robin Ennis treasurer.

Velika Anich and Mrs. Hansen sort through the art work submitted for publication in the magazine.



Melissa White ponders over what to write next.

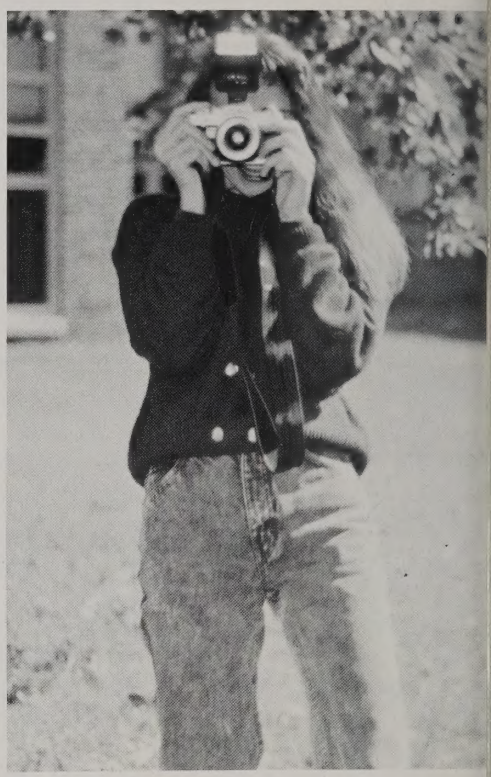
Velika Anich, Ashley Parr, and Melissa White listen as Mrs. Hansen critiques a literary work.

The Mariner 90/91
Take A Good Look

The Mariner staff started the year off with twenty-three staff members all assigned to Mrs. Kelly, a new advisor, in the small portable. As the weeks passed the staff grew, and the portable got smaller. "I had to assign certain days for everyone", explained Mrs. Kelly. "I kept waiting for the staff to dwindle . . ., but it never did."

Despite the hardship and confusion, the Mariner staff had a lot of new accomplishments this year. For the first time the cover was completely designed by a student, sophomore, Genevieve Davis, and voted on by the entire student body. For the first time, the faculty section has been removed and all teachers appear in their academic areas throughout the book. The senior class appears in full color. The theme, "Take A Good Look", was developed by the staff in July. It was announced to the student body in September, and in October the theme was used for the SCA.

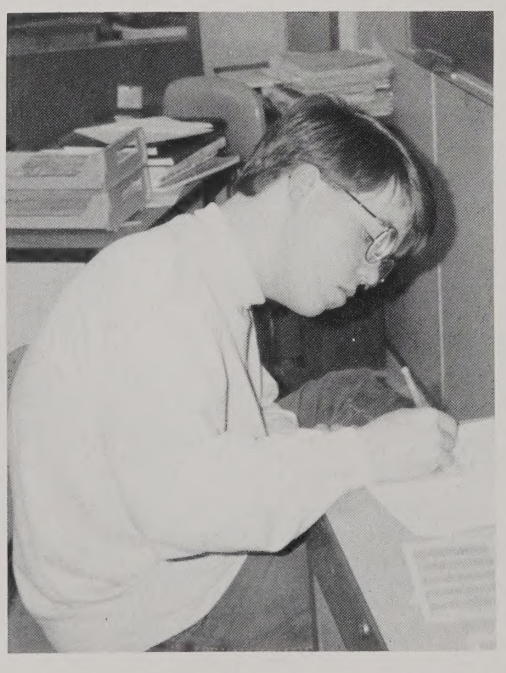
All in all, it was a very busy year for the Mariner staff, but thanks to the guidance of Mrs. Kelly and the hard work of their editor, senior Lauren Gordon, the staff was able to produce another great Bayside yearbook. Take A Good Look!



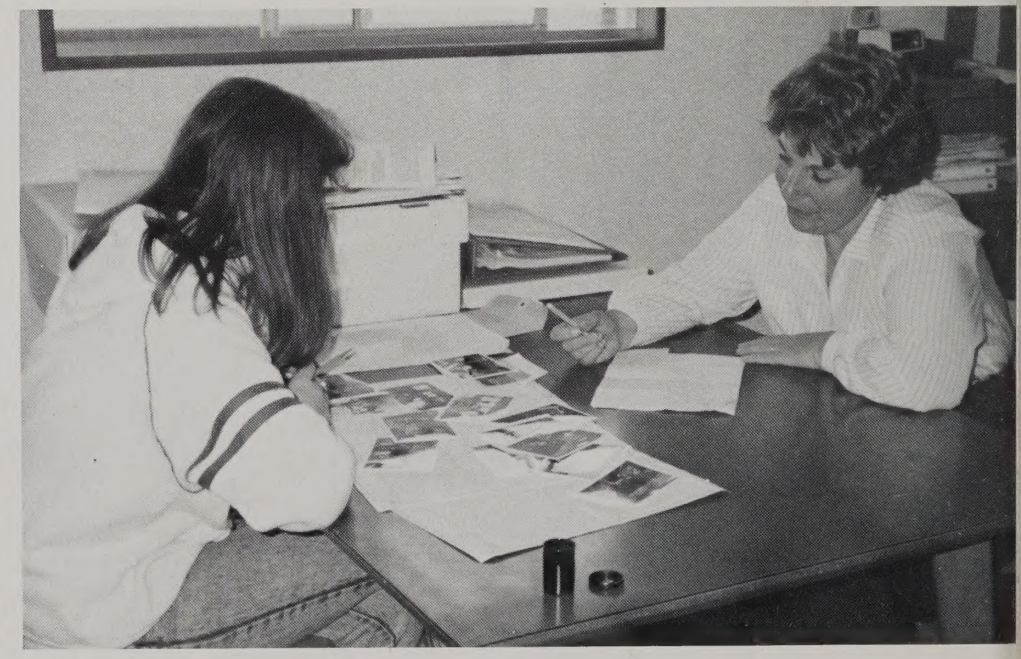
"Smile! but don't pose, your're on candid camera", said Editor, Lauren Gordon.

"One lives by understanding creativity..."

F.C. Whalen

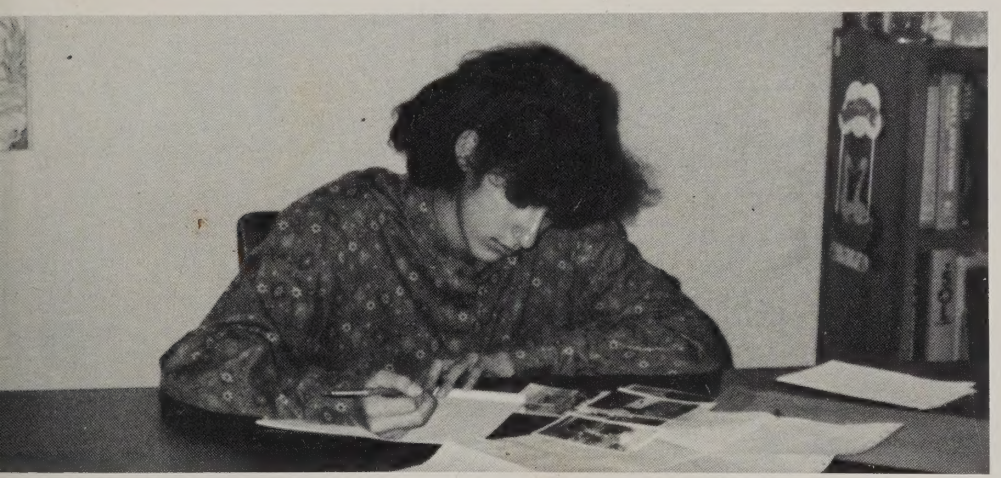


Mark Beacham looked like "Atlas" when he took the job of creating the index on his shoulders.

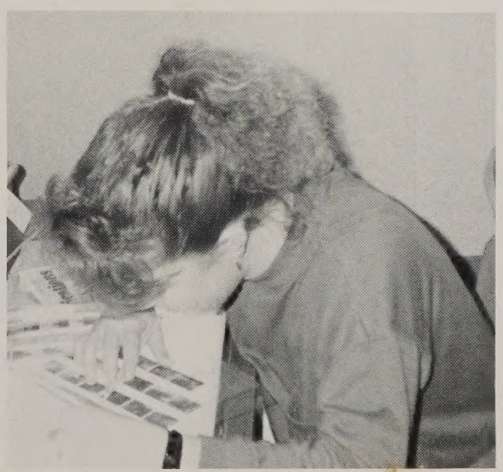


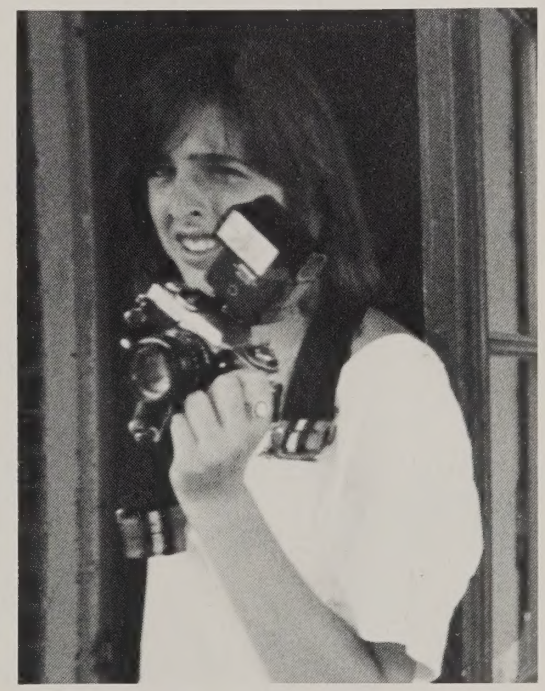
Advisor Mrs. Kelly and co-editor Carol Mayer after many hours finalize the senior section of the yearbook.

ear book staff: (L-R) Laura Reason, Anthony Michanowicz, Marc Beacham, Genevieve Davis, Deanne Dent, Ronita Quiero, Lauren Gordon, Shannon Marrion, Jason Brand, Heather Land, arol Mayer, J.J. Dancel, Lori Stevens, Allison Grablowsky, (not pictured: Mrs. Kelly, Marnita Dailey, Sabrina Allen, Jennifer Cardona, Betsy Thorpe, Doug Smith, Angela Reason)



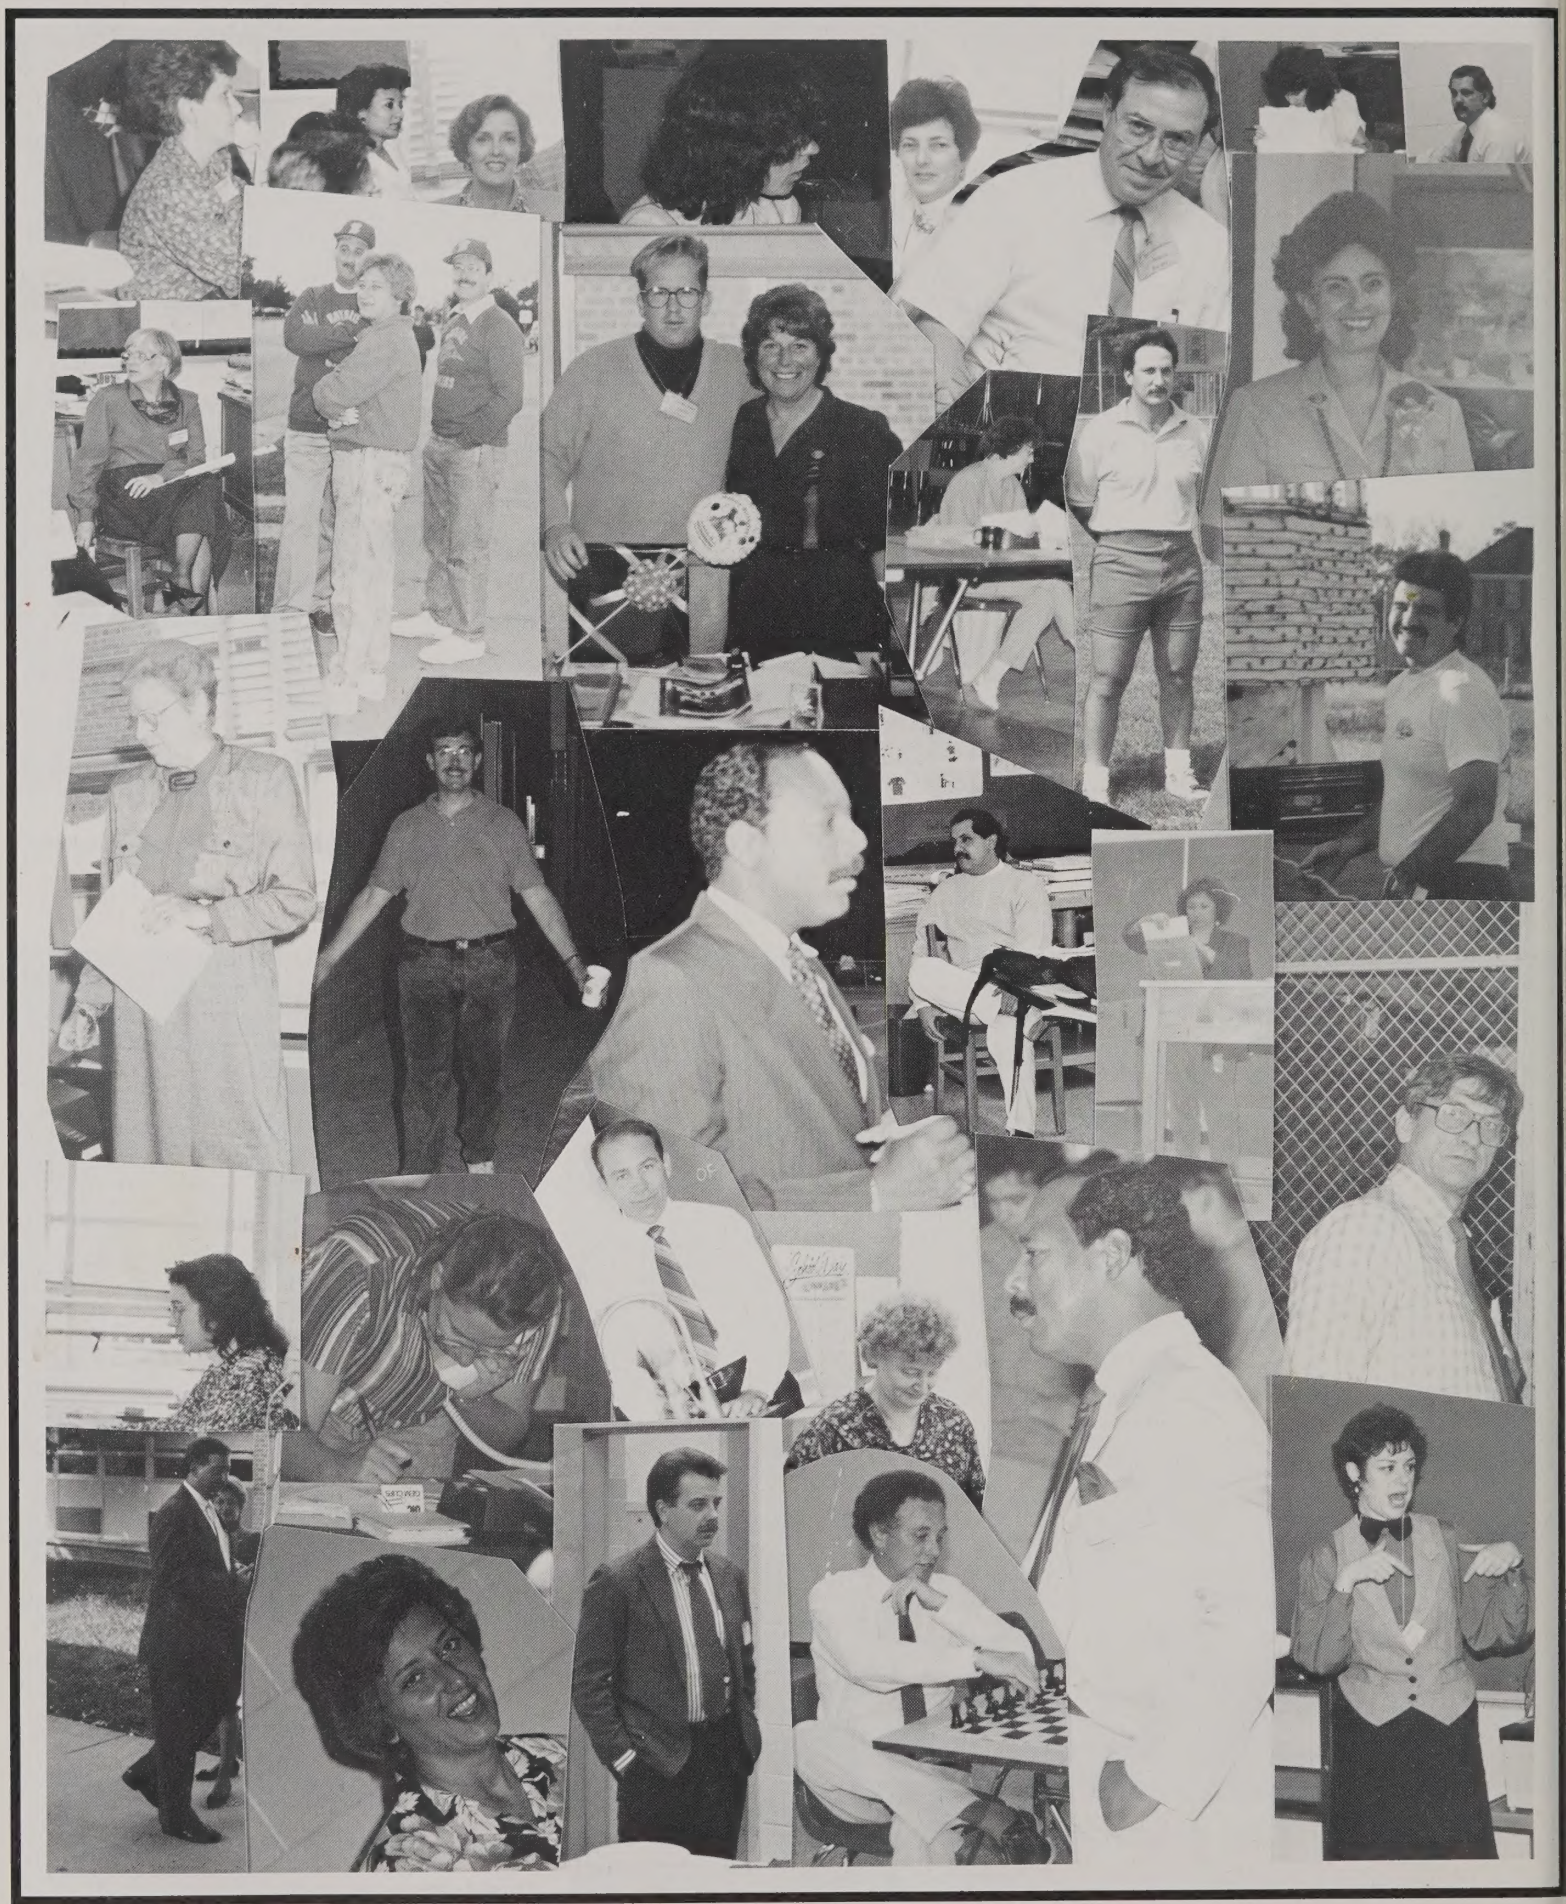
llison Grablowsky work diligently to finish her golf layout.





Shannon Marrion grimaces at the thought of stepping through the mess to photograph the school renovation.

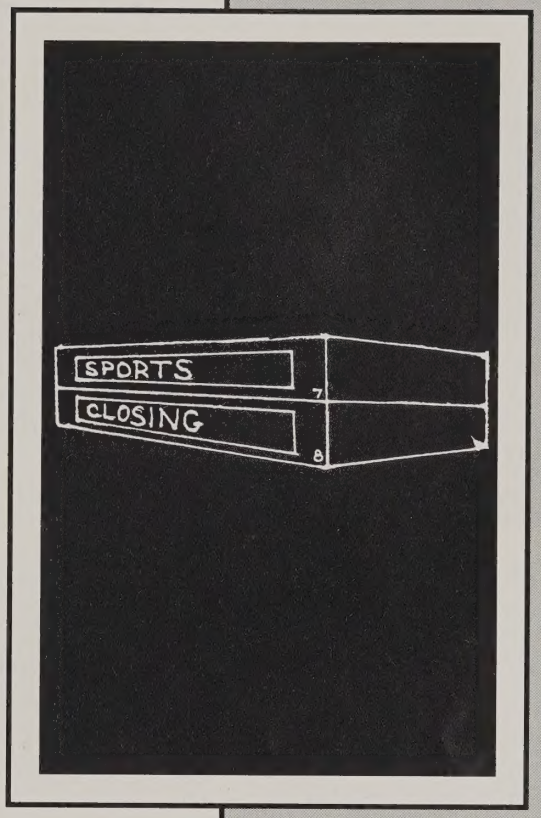
Jennifer Cardona views negatives before they are printed.



GOOD LOOKS &

Brains

TOO



ACADEMICS

Administration

The Head Of Our Family

The Administration takes great pride in Bayside High School. They are all concerned with the well being of all the students.

Mr. Morgan has a lot of experience with the school system. He graduated from Virginia State College with his undergraduate degree and from the University of Virginia with his graduate degree. Mr. Morgan was a teacher in the Portsmouth and Chesapeake school systems. He was an administrator at Brookwood and Seastack Elementary, Lynnhaven Junior and Bayside Junior High, and at Bayside Senior High School.

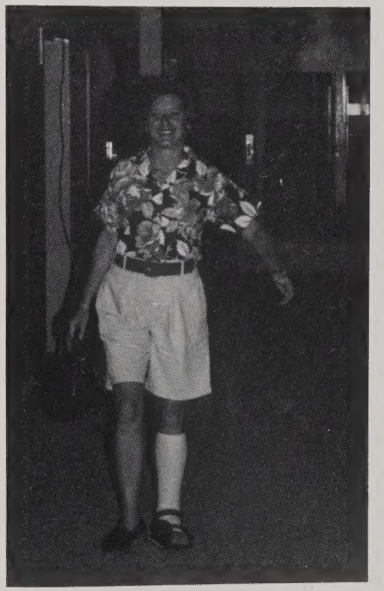
Mrs. Lane graduated from Old Dominion University with her Bachelor of Science degree. She got her Masters of Art from George Washington University. She taught English, speech, drama, and visual language at Plaza Junior from 1972 to 1978. Before becoming the assistant principal at Bayside High School, Mrs. Lane was the assistant principal at Great Neck Junior High.

Mr. Palombo graduated from Old Dominion University with his Bachelor of Science and Master of Science. His teaching experience come from Princess Anne Junior High (1968-1969) and Plaza Junior High (1969-1976). Mr. Palombo was an assistant principal at Princess Anne Junior High (1982-1985) and at Kellam High School (1985-1990).

Mr. Massey was a graduate of Bayside High School. He was an assistant principal at Great Neck Junior High. Prior to that he was a Student Activities Coordinator at Green Run High School. He graduated from Old Dominion with a Bachelor of Science degree in secondary mathematics and a Master of Science in administration. The Bayside graduate says, "Once a Marlin Always a Marlin."

Mr. Morgan had the pleasure of using the cafeteria during the summer for his office.

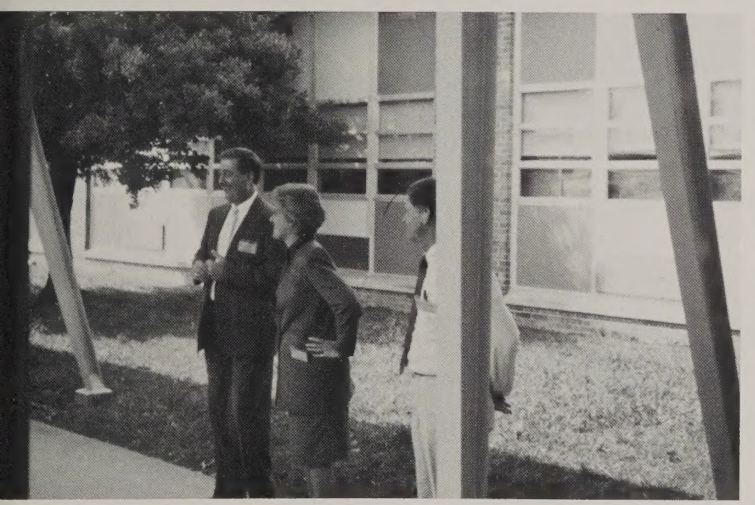
When you have a sore foot the halls sure are long.



Mr. Morgan always has time for his students.

Mr. Robert Palombo was welcomed at Bayside as our new assistant principal.

Mrs. Charna Lane talks with a friend.



r. Palombo and Mrs. Lane watch as the ses pull out from another day.

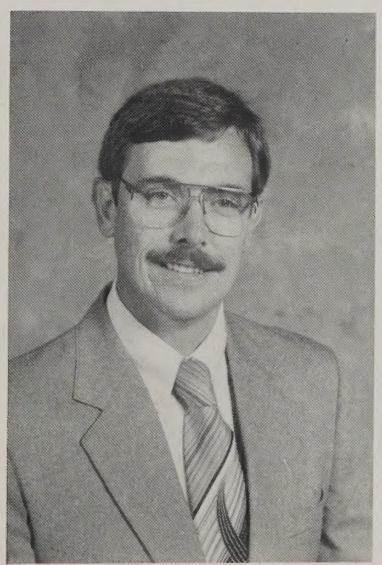
ssistant Principal Maynard Massey poses for s school picture.



Main Office
Center Of It All

The front office is always a busy place. Even when the doors close for the summer. The office staff remains busy preparing for the next school year. Throughout the year, under the watchful eye of Mr. Morgan's secretary, Marie Vesprille, the secretaries, the general aides and the office helpers are busy answering phones, sending messages, checking attendance, and welcoming guests. Because of the effort of all of the office staff, Bayside is a smooth operating high school. So next time you enter the office of Bayside be sure to thank them for being there.

Mrs. Marie Versprille, head secretary, stays busy with answering calls and doing paperwork.

Office helpers L-R: R. Ennis, P. Saunders, M. Perry, J. Helton, T. Williams, J. Millirons

Filing papers, Mrs. Pamela Hewitt, book keeper, is surprised as her picture is taken.

en the temporary office in the cafeteria couldn't prevent Mrs. Dorothy Young and Mrs. Pamela Hewitt from continuing their work.

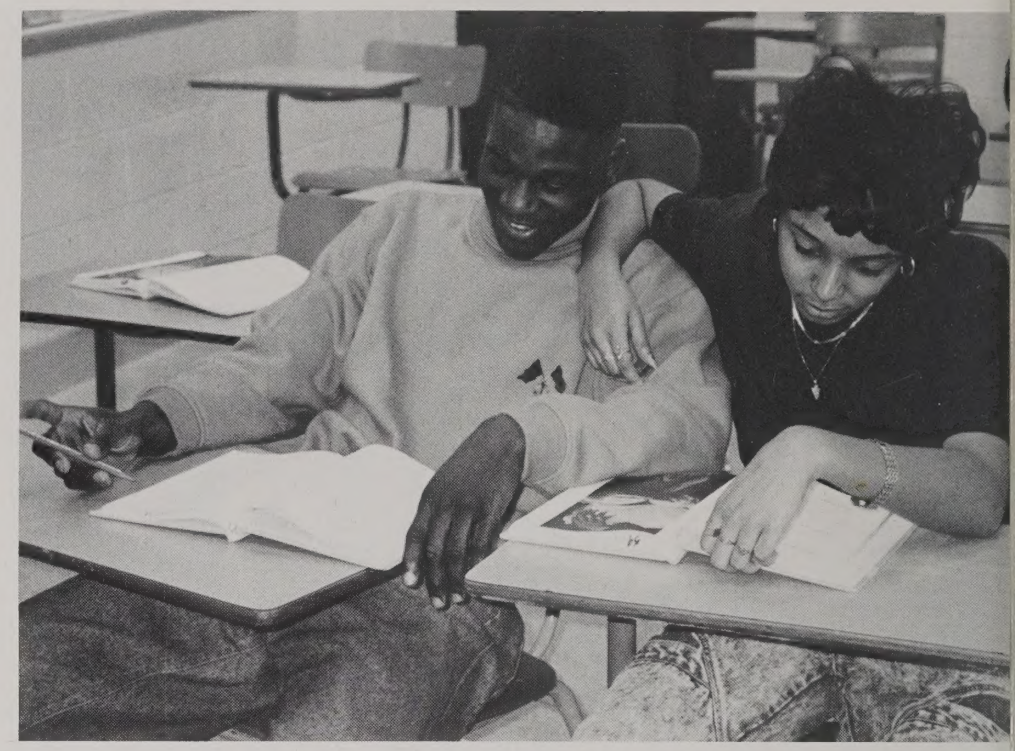
The English Enthusiasts

People do not often realize the importance of English. Yet without it we could not communicate well with others, and anyone who attends Bayside knows that communication among family members is one of our trademarks! Therefore, this year's English Department made it a point to stress the importance of grammar, writing skills, and public speaking through class discussion or other projects. Along with developing their communication skills, the students also developed their analytical and reading skills by studying authors of American, British, and World Literature. Our English teachers have always shown a strong interest in making English an enjoyable and interesting subject. Their dedication, interest, and desire to make learning fun have helped make English Enthusiasts of us all.



The smiles on these students' faces prove that reading can be fun.

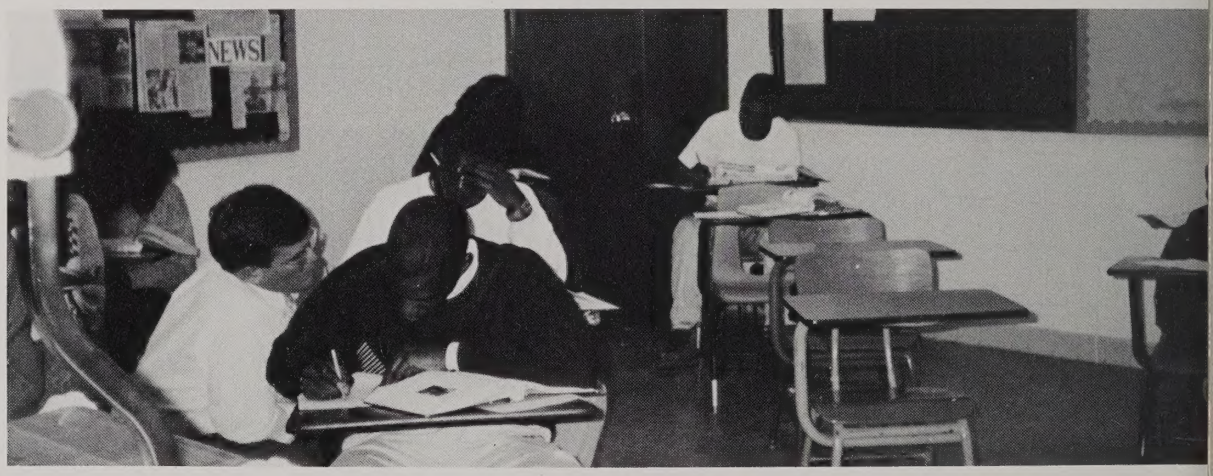
Brian Kidd found that reading can be fun and relaxing.

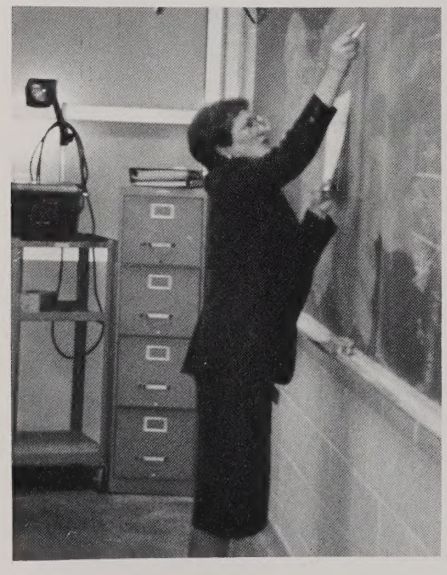
IN SUMMING UP
MARLIN MATH

What was it like for this year's Marlin mathematicians? The answer depends on the grade level. In geometry, sophomores learned about the beauty of a line and how they connected and intersected to form an angle. In Algebra I and Algebra II/ Trigonometry, juniors expanded their algebraic skills, and some went on to tackle Trigonometry. Then there were the seniors. For them, math was a definite obstacle. Math Analysis and Calculus made graduation a difficult dream to achieve. Thanks to the experience and dedication of the math teachers, the struggle became less difficult. This year, the marlins were definitely, infinitely mathematical geniuses!

Mrs. Edwards prepares a lesson plan.



Mr. Parker explains a problem to his students.



Mrs. Baumstimler eagerly shares her knowledge with her students.

Mrs. Butler helps her students measure up.

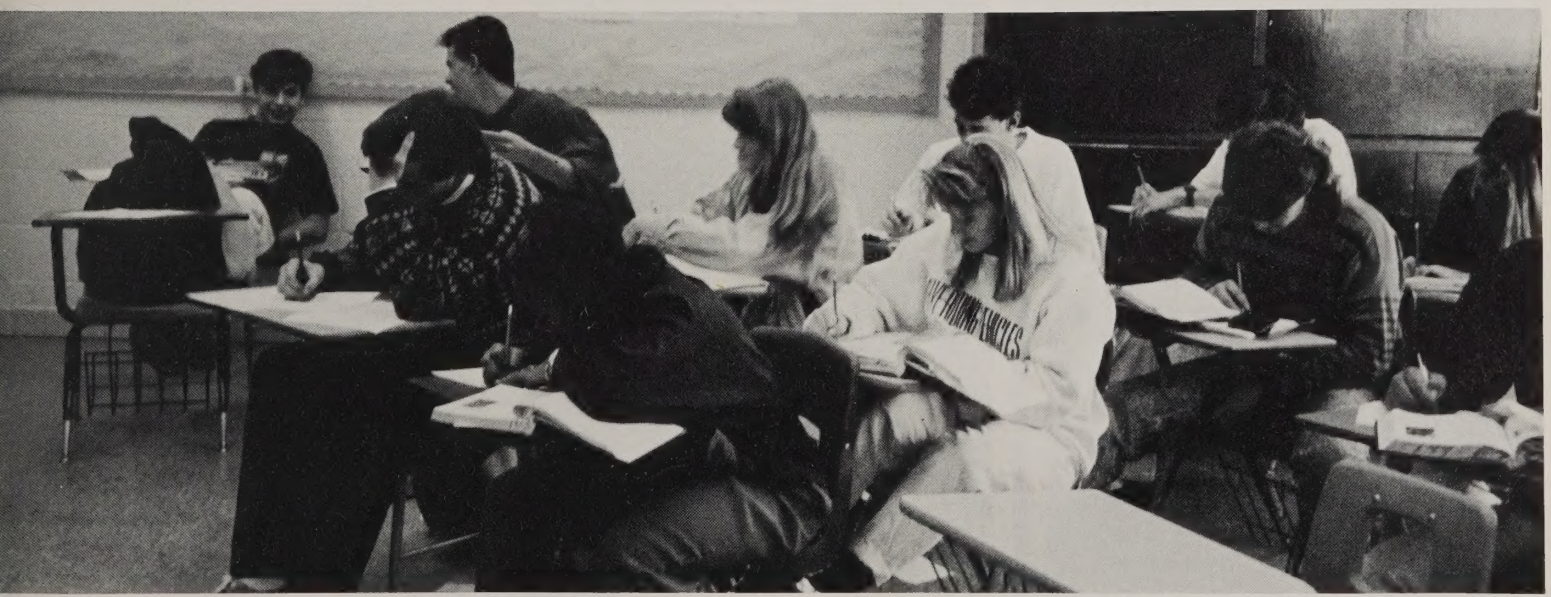
Mr. R. Weatherly



Learning math was never so much fun.

Operation Desert Storm

War In The Gulf

"Five months ago, Saddam Hussein started this cruel war against Kuwait; tonight the battle has been joined. This military action, taken in accord with United Nations resolutions and with the consent of the United States Congress, follows months of constant and virtually endless diplomatic activity on the part of the United Nations, the United States and many, many other countries." These were the words of President Bush on the day everyone remembers Wednesday, January 16, 1991 the day United States and allied forces went to war against Iraq.

This war was the first one our generation has experienced and many at Bayside held their breath as the Jan. 15 deadline came near. This deadline set by Bush was the final day for Saddam Hussein to pull out from Kuwait without action taken from United States and allied forces. As we waited, anticipation of what the war might bring was in the minds of everyone. Questions were being asked both in and out of school.

However, once the war started it was evident what was going to occur. Continuous air attacks began against Iraq by U.S. sorties. Scud missiles were being launched by Iraq's troops. And novel Patriot missiles counter attacked. In fact, these missiles became great success stories for the military defense systems. The Patriots with a range of 38.44 miles were able to destroy aircraft and other missiles. So the war brought about some new and informative information as to the usefulness of the Patriot missiles for future use.

But in the end, it is not the new things learned in this war or the old things remembered of past wars it is the fact that our country continues to defend the liberation of another small, defenseless country.

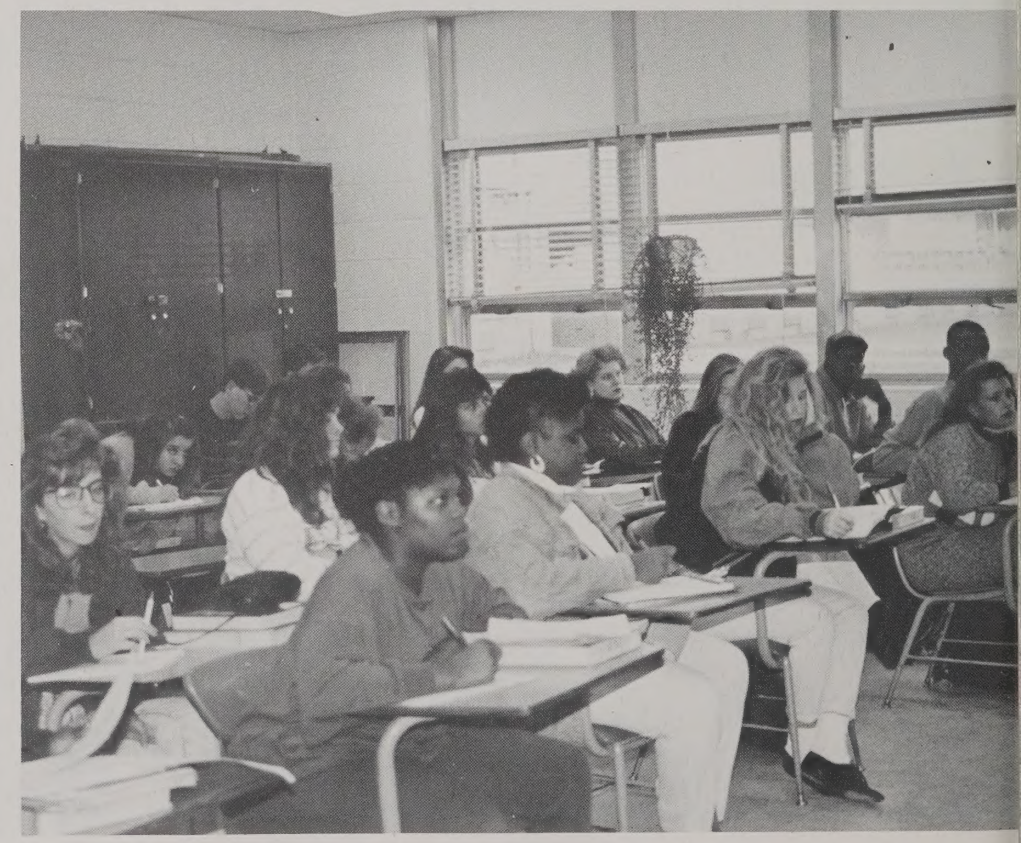
History

" . . . doomed to repeat?"

Social studies included several different types of classes, World History, United States History, Virginia History, and Government. Social Studies classes gave an understanding of world cultures, the development of American ideas, and the structures of government. Whether students listened to lectures, discussed current events, or watched filmstrips or movies, they learned much about the vast history of American and the world itself.

This year students not only focused on the past history but also the history taking place currently. Students discussed the current political and economical crisis. The Desert Storm War was a popular topic for all World and United States history classes to discuss. The recession our country was under also became another issue to discuss and understand.

And if some students thought history classes were not quite as interesting as other classes teachers chimed the famous saying, "Those who don't learn from history are DOOMED to repeat it!"



Mr. Fuller's U.S. History class listens intently and carefully takes notes.

"Tis a moment in my memory lock'd"

William Shakespeare

Do remember where you were and what you were doing when you heard the bombing of Iraq began?

"I was getting ready to do my homework, so I turned on the T.V., 7:07 p.m.. I felt happy and sad."

British Patel '92

"I was on my way to see **Romeo and Juliet,** *the opera. I heard on my car radio that bombing had began in Iraq, but the report was unconfirmed. On the way home, three hours later, I found out that the war had officially begun and was doing well."*

Suzanne Waterstruss '91

"I was talking on the phone with my boyfriend Doug, when my mom came into the kitchen and told me that we had bombed Iraq."

Maria Rodrigues '92

"I was at work, waiting on a customer when the radio told us of the bombing."

Bill Ryan '91

"I was in my room with my feet on the desk reading "Huckleberry Finn" for homework. My mom yelled "Jennifer, the war started." It didn't hit me until I got done reading the book."

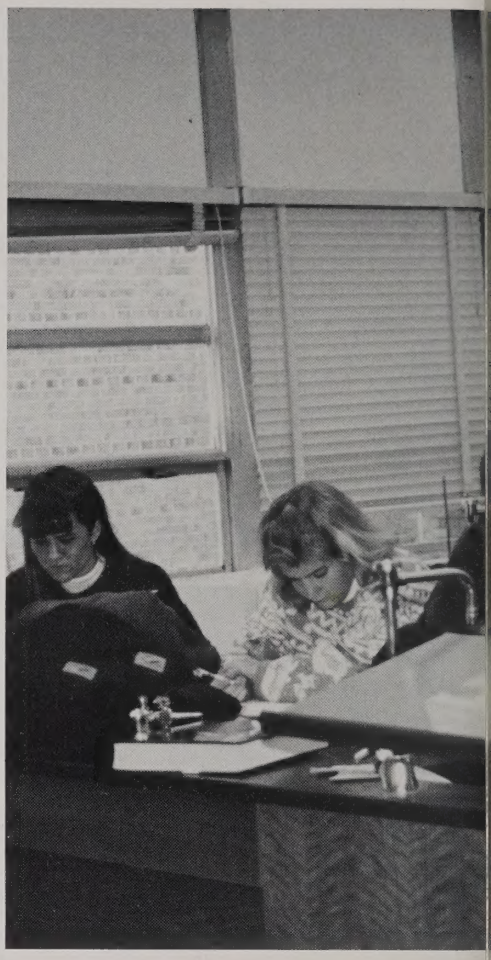
Jennifer Cardona '92

"I was doing my homework while talking on the phone and watching some T.V. show. The newscaster came on the T.V. screen and announced the beginning of the war. That is one moment in time I'll never forget."

Lori Stevens '92

Science

Understanding the Universe's Occurrences



Why does Earth revolve around the sun? What is the chemical formula for Mercury? What is Newton's second law? How does DNA effect the growth of an organism? All of these questions can be quickly answered in a variety of science classes offered at Bayside. Earth Science, Biology, Chemistry, and Physics all provide answers to all types of questions. Whether students mixed chemicals together in a Chemistry lab or watched the momentum of colliding objects in a Physics lab students learned about the unknown. Although concepts in science may be hard at times, students can learn and understand the universe's occurrences better.

"Even though Physics is hard, you can always relate it to everyday things," says Brandi Ortiz.

Outside the classroom, an appreciation for science can be found in the Science Club. Science Club members can be described as imaginative and inventive. This active group of curious scientists participate in national competitions and ODU's Engineering Open House. Once again, this year the students competed in the annual egg-drop and paper airplane contests. Students also took a trip to NASA, CEBAF, Virginia Marine Science Museum. By participating in Science trips and projects, students have found science a fun, interesting, and entertaining subject.

ART
"WORTH LOOKING AT"

Pencil, pen, and brush, to a Marlin artist these utensils were everyday tools. With skillful hands and vivid imaginations they created the many works of art that became the highlights of every art show.

One of the first major art shows this school year was the Annual Youth Neptune Festival Art Show held at the Virginia Beach Oceanfront. On September 30, local high school students gathered around the boardwalk and lined the beach with their paintings, sculptured, and photographs. Many artists from the Bayside family won awards. Other major art shows of the year included Student Gallery and the Lynnhaven Mall ArtShow.

Congratulations to all the Bayside Artists who were awarded for their fantastic talents.

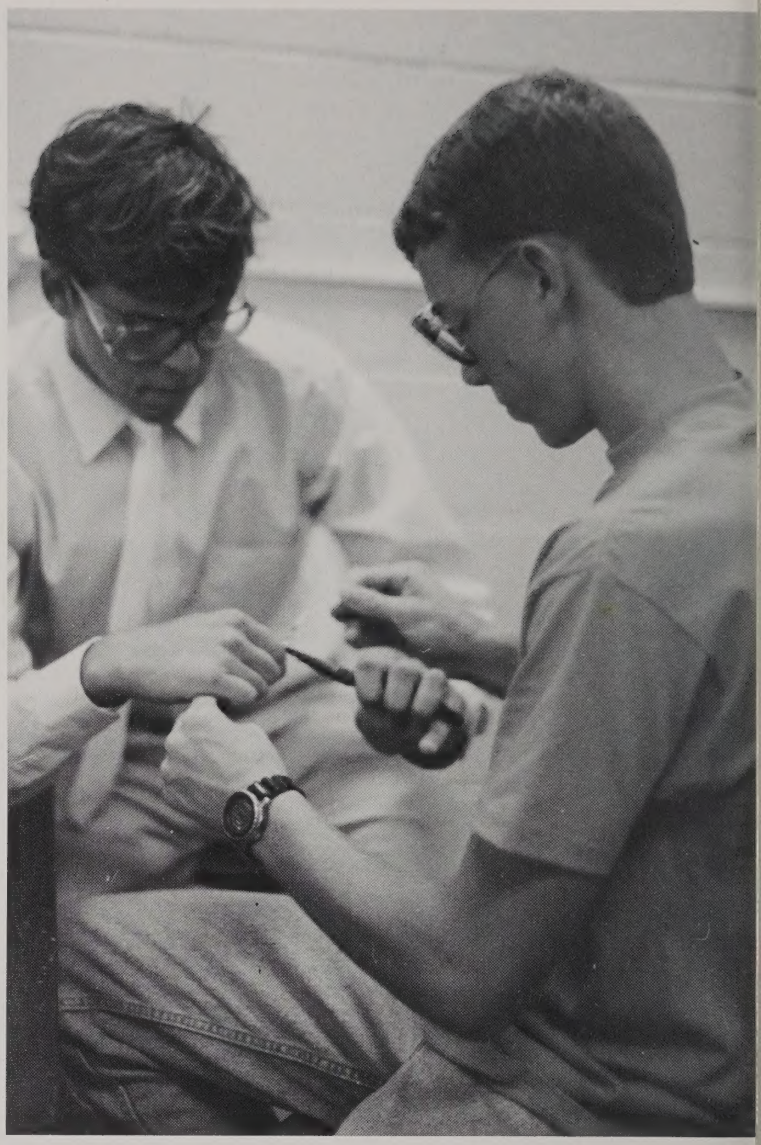
TECHNOLOGY
BUILDING A WAY TO THE TOP

Technology isn't about playing with building blocks. Technology is serious business. Technology teaches the skill of custom crafting works of beauty. If you enjoy building things or you are interested in photography, technology may be for you. Ceramics class offers an opportunity to make vases, ash trays or statutes which can help beautify the home. Woodworking allows you to make shelves, plant stands, bookcases, and even furniture! After adding the finishing touches, you have a great product. In photography, you can learn screenprinting, or prepare for such tasks as photographing weddings or taking snapshots for the yearbook. Technology teaches us a practical approach to a functional purpose.



Anthony Michanowicz and Travis Midgett work diligently on a project.

BUSINESS
WE ARE THE FUTURE

Believe it or not learning typing skills, credit management, and computer technology is getting us ready for a future in the business world. You say "Yuck" to the economy? Well think again! Learning about economics, business law, communication, and accounting will instill in us knowledge we will later need to know. If you are in a business class, you are probably a member of FBLA, that is . . . Future Business Leaders of America. It's a great club which gives inspiration to enable you to become business leaders. Business can actually be fun!!

HOME ECONOMICS
HANDS-ON TRAINING

The Home Economics department offers four exciting classes designed to prepare students to handle life on their own. Food Management I and II prepare students to tackle that basic necessity — food. Students get hands-on training in selecting, preparing and, of course, eating a variety of delectable delights. Sewing class provides students the opportunity to use the sewing machine, thus learning various stitches. Students are given practical experience as they stitch and baste their way through different projects. Food Management I and II and Sewing are taught by Mrs. Thompson.

Mrs. Hendricks, another member of the Home Economics faculty, teaches Family Life and Child Care. She is also the sponsor of Future Homemakers of America (FHA). The Family Life course concentrates on the study of family relations, development of self, dating, marriage, children and divorce. The Child Care course focuses on the care and behavior of children. Students receive "hands-on" experience by carrying around a five-pound bag of flour dressed like a baby. In all, the department endeavors for students to study and gain experience in life-related situations.

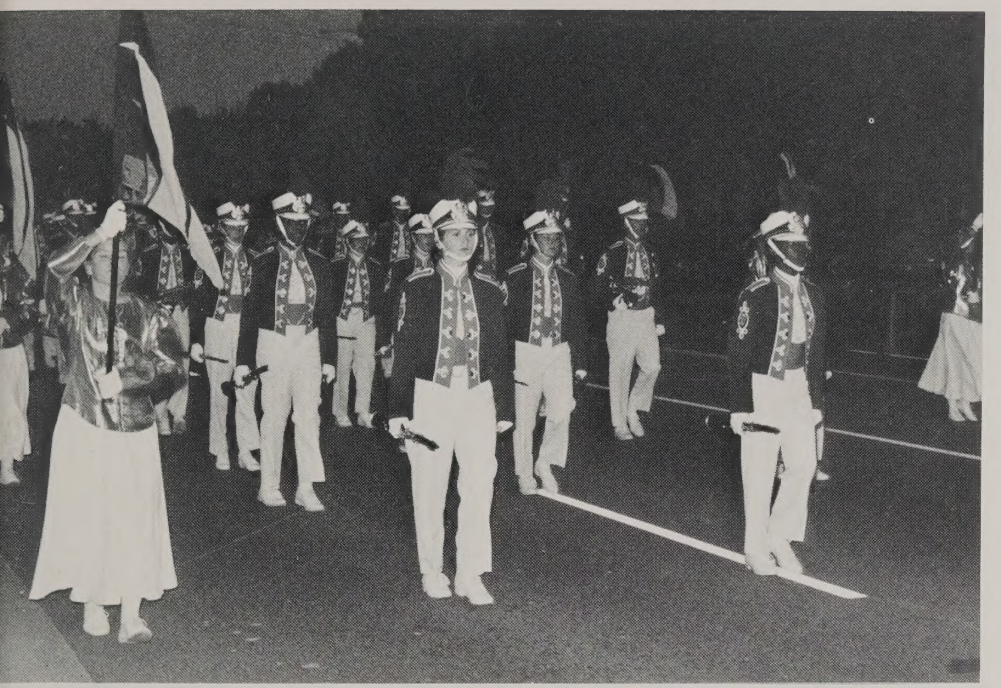
It's Time To . . .
Stop, Look, and Listen . . .

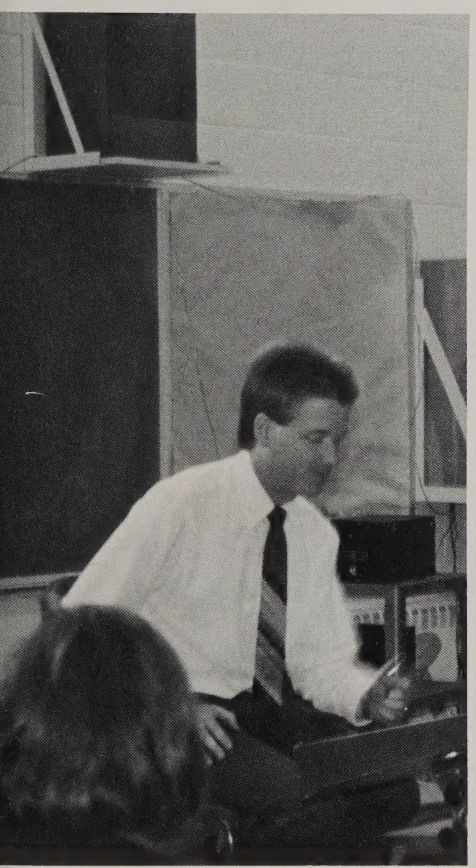
The Bayside High School Marching Band, under the direction of Mr. Snead, was in step with the winning times at Bayside. This year the band played like never before, which won them awards of excellence. Tisha Castle, Senior, said, "The band had made remarkable progress this school year."

Carnita Allen, Sophomore, fel "honored" to be a part of such an awar winning band. Like Carnita Allen, Bay side felt equally honored to claim thes talented MUSICAL MARLINS.

The Marching Marlins demonstrate their award winning talents at Homecoming.



The Marching Marlins march to another victory.



e smile on Mr. Snead's face shows how happy he is that band has won so many awards.

The flags also play an important role in band; they add emphasis to the music.

Looking to the East

Bayside's foreign language department emphasized the importance of becoming aware of the customs and cultures of other countries. Therefore, it was not uncommon to hear our Marlins speaking in different languages down the halls. Bayside always had a strong language department and with the addition of Russian last year, it became even stronger. If one LOOKS at all that Bayside has done it is obvious that we have had many reasons to be proud. They very fact that we have helped break the language barrier is just another!

SPORTS

"Have Ya Got That SPIRIT?"
"Let's Hear It!"

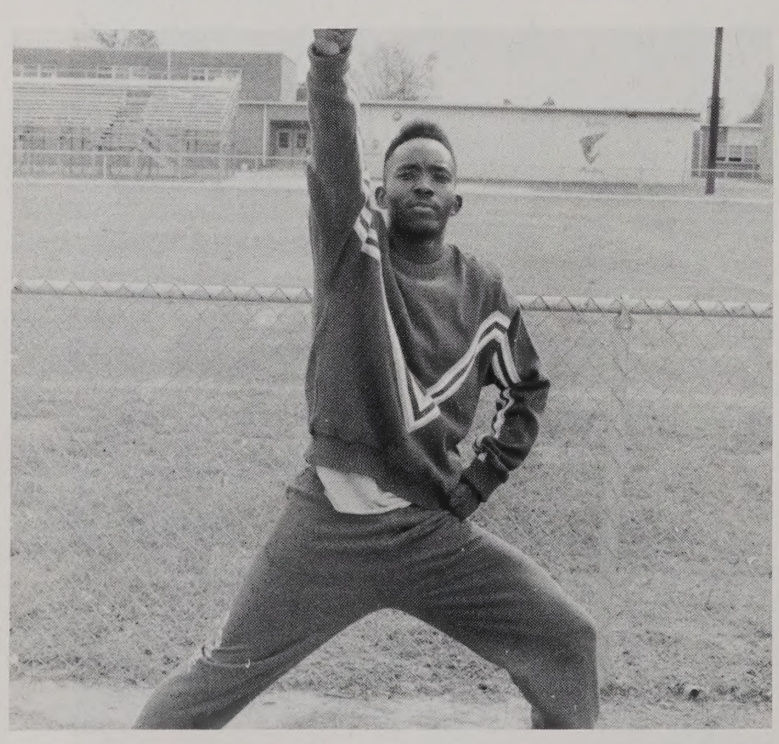
This year, the Marlin Cheerleaders did and exceptionally good job of promoting crowd involvement and school spirit. A major contribution to the squad's success was the appearance of the first Male cheerleader, Kevin Miller.

The fall cheerleading squad spent their summer vacation attending early morning practices, late night activities, and a week of cheer camp under the hot August sun. The hard work paid off as the Marlin squad, under the supervision of Rebecca Barraclough, captured superior ribbons each night as well as the NCA Spirit Award for the second straight year. Co-captains Alyson Condon and Kelly McGinnis led the squad through an exciting and fun-filled football season.

The winter squad, with hopes of another State Championship, worked diligently after school and attended numerous games throughout the week. Alyson Condon and Velika Anich, winter co-captains, guided many new faces in the promotion of school spirit throughout the community. It was an exciting season for everyone, and not uncommon to hear the chant . . .

"Where're Ya From?"
"BAYSIDE!"

1st row: Kevin Miller, 2nd row: Rana Parham, Rickita Bell, Kim Goodwin, Wanda Jones, Alyson Condon, Jennifer Maslow, Tonya Jones, Terri Porter, Velika Anich, Janine Watson, 3rd row: Abby Brandt, Meredith McKown, Michelle Cherwa, 4th row: Emily Brandt.



Kevin Miller was the first male cheerleader in Bayside history.

Velika Anich watches on as Doug Smith tries out his cheering skills.

During the Homecoming parade Bayside Marlin cheerleaders show their school spirit.

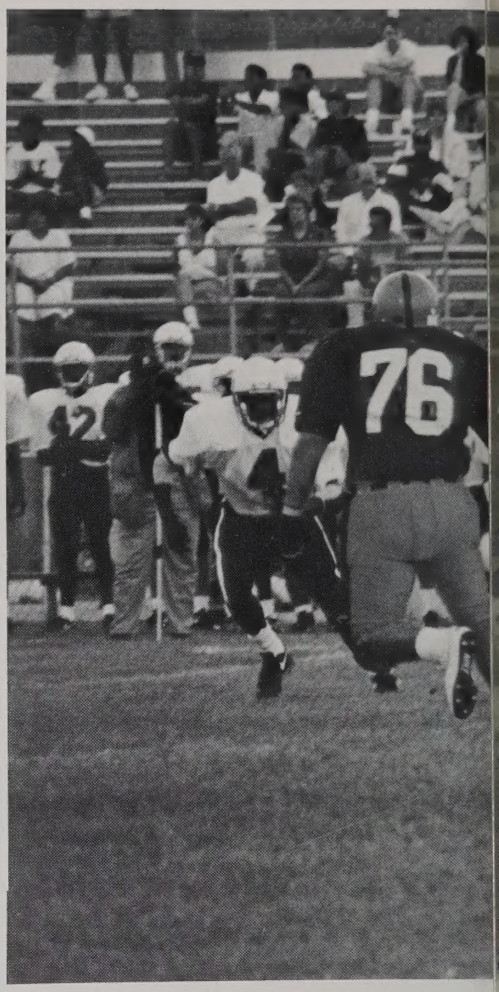
The only Sophomore cheerleader was Rickita Bell.

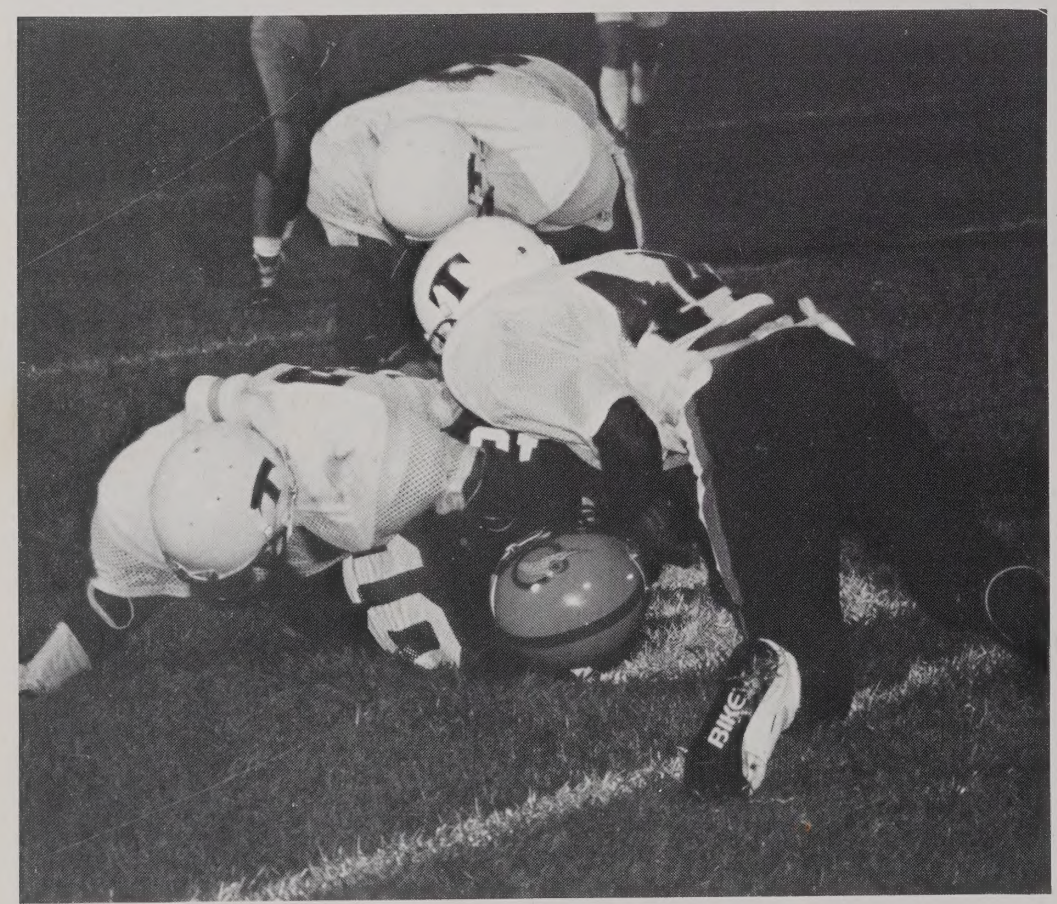
Abby Brandt, Terri Porter, Jennifer Maslow and Emily Brandt pose for a picture during a football game.

Alyson Condon and Jennifer Maslow's megaphones.

Striving to Win While Working Together

With newspaper headlines; like "Bayside basketball stars add kick to the football team", and "Bayside High has the chance to join an exclusive club", the Marlins started the season under a lot of pressure. Seven members of the Marlin State Championship basketball team were playing football. With all eyes on Bayside, the football team had a lot of expectations. The season opening game against Lake Taylor was a victory for Bayside. Confidence and comaraderie were at it's peak as Bayside prepared to face Wilson, the number one-ranked team. Unfortunately Wilson posed problems for the Marlins. After suffering a loss, the Marlins took a strong hold on the Beach District play with an air over Green Run. The Marlin dominated the gridiron until it suffered a shocking Homecoming loss to Kempsville. Approaching the season's end, Bayside still had a chance for the Beach District Title, but fell short to First Colonial. Still the Marlins proved themselves as worthy adversaries with several players being named to the all District Teams including Junior Ronnell Williams, Senior Daryl Cheatham, and Senior Ramon Estevez. All made first team. Go Bayside!





It took three Lake Taylor players to stop the Mighty Marlin effort of Ronnell Williams.

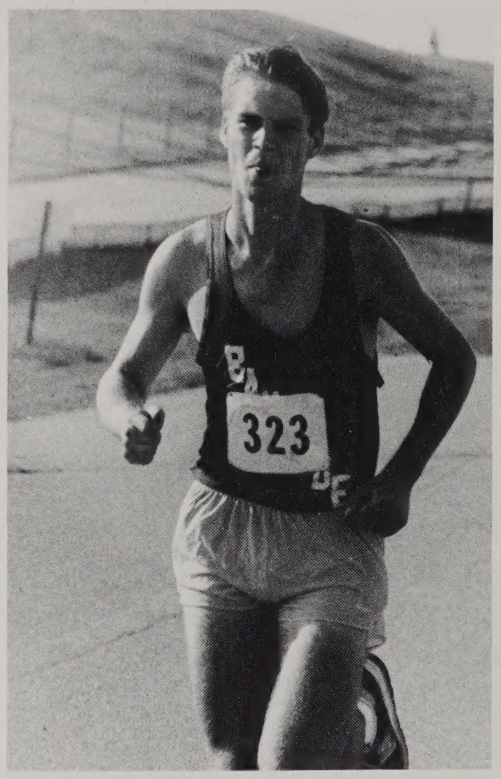
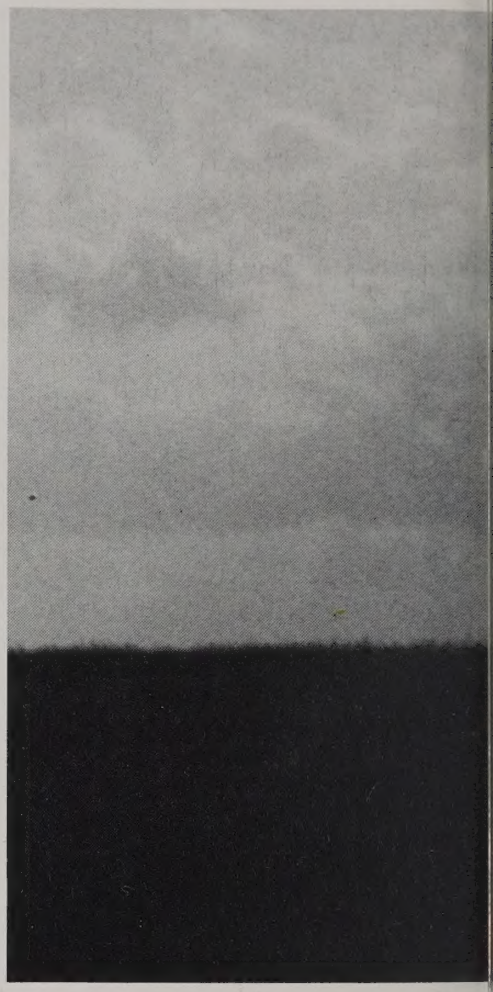
Pace Yourself

Cross Country

Cross Country running can be an extremely grueling sport in which only the most dedicated runners participate. Practicing long hours, running continuously, and maintaining a physically fit body are just a few of the necessities for cross country. At Bayside, the members of both boys' and girls' cross country teams obtained the physical and mental qualities needed to be winners! Despite their records, they gained much experience. The boys' record was (0-6) and the girls' record was (1-6) at the end of the season, but the spirit remained high. Catherine Forbes, a senior, brought victory to the field with her school record. Coach Bland said she won Most Valuable Player for two consecutive years. He continued by saying that, "Catherine was the most exemplary sportsman he had ever coached. She has unending fortitude and personal stamina. Above all she has character in the true sense of the word." Yes, winners are easy to find at Bayside, and this years cross country team has produced some of our finest!



Dan DeVoe grimaces as he makes the last round.

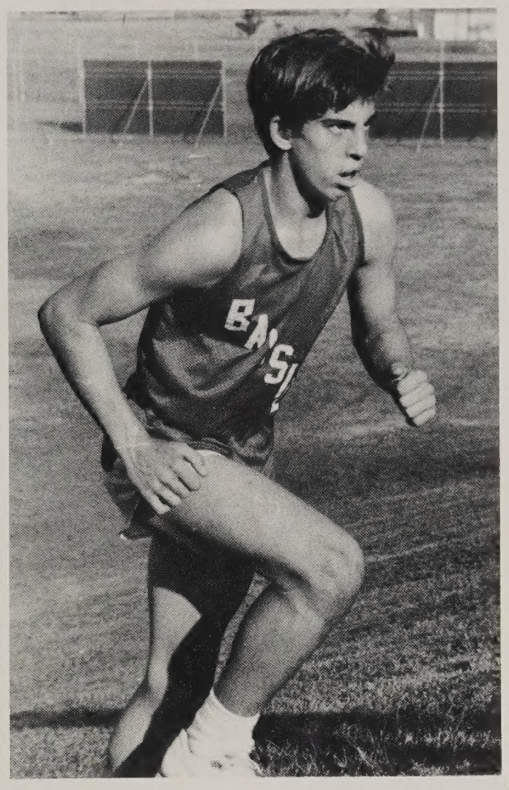


Catherine Forbes shows no pain when stretching her muscles before the race.

Dan DeVoe and Steve Bloberger check out the competition.

Two graceful runners loped off into the sunset.

Philip Forbes runs vigorously up Mount Trashmore.



John Schuch, Catherine Forbes, Tim Morgan, Brad Bateman and Coach Bland rally together to discuss their performances.

Katie Doughite, a 9th grader from Bayside Junior uses all her power to reach the top of the hill.

Tennis

What A Comeback!

The tennis team enjoyed its most successful season in years, scoring ten points to place fourth in the District tournament.

Emily Brandt, who was voted M.V.P., showed individual excellence when she advanced to the semifinals. There was an exciting comeback win over Salem, after the team swept the doubles matches.

Coaching was a pleasure for Mr. Parker who said he enjoyed working with such "outstanding young ladies." The team had much more experience in years past. The team made much progress considering records in the past.

All of the ladies exemplified Bayside's "winning spirit" and they have definitely made Bayside proud!

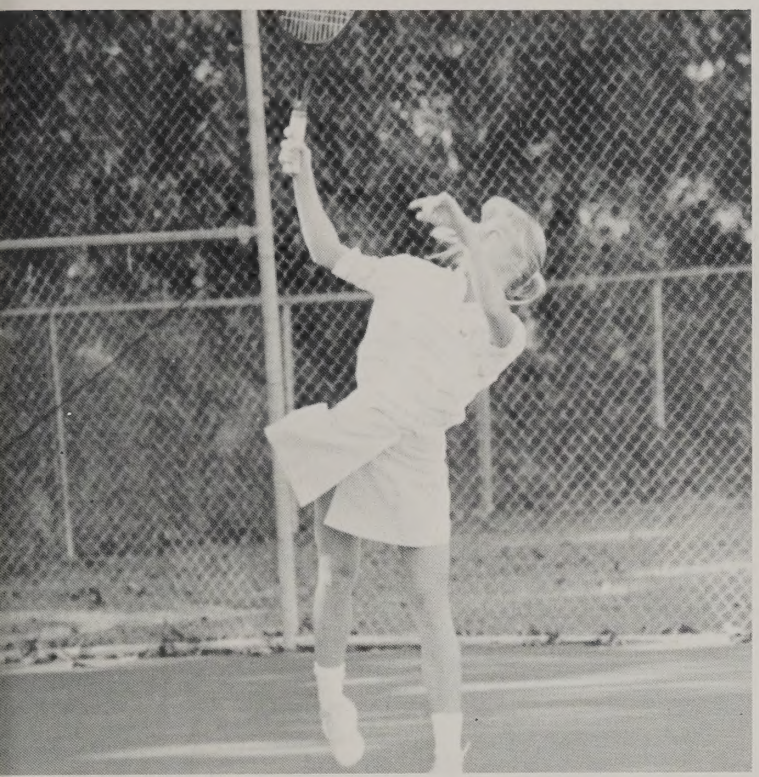
With all the improvement this team has shown, the outlook for next year seems bright.

Good Job Marlins!

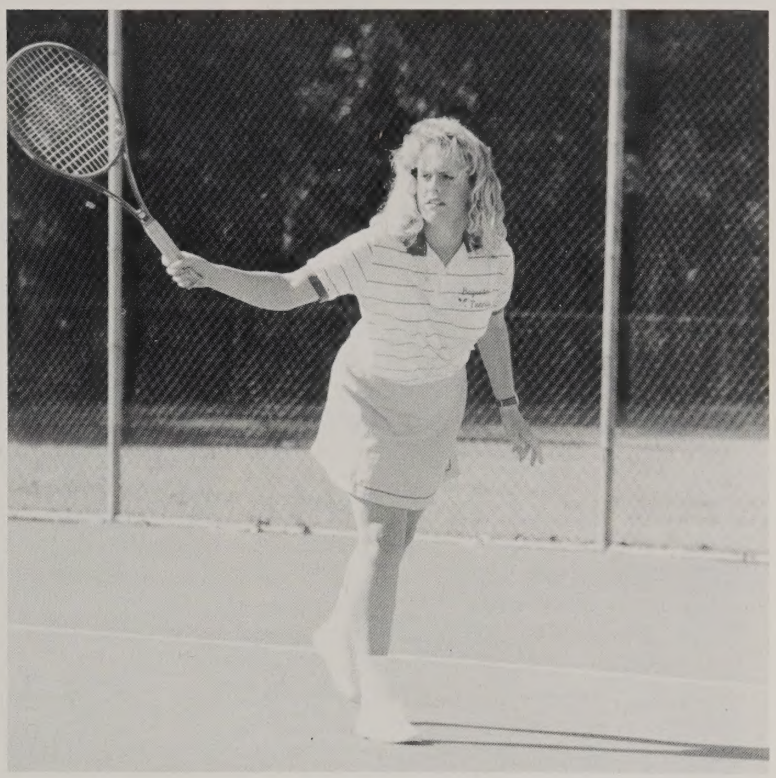
Watching the ball, Jill Casino returns it to her opponent.

1st row Emily Brandt, Tori Reinhold, 2nd row Cecilia Bersonda, Kiea Brown, Colleen Hudson, Betty Fink, Maria Lueder, 3rd row Coach Parker, Alma Magtibay, Julie Lieberth, Veda Saulsberry, Emily Bazinet, Dena Blank, Jill Casino, Kim Goodwin, Amy Gordon, Shirley Kink

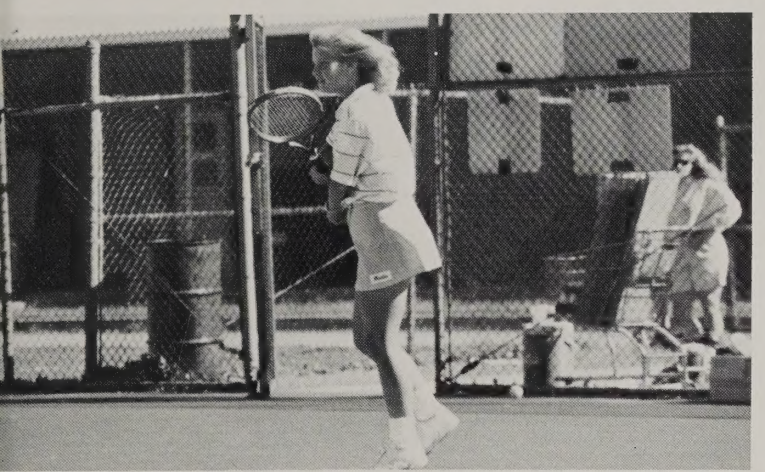
Reaching to hit the ball Emily Brandit leaps off the ground.

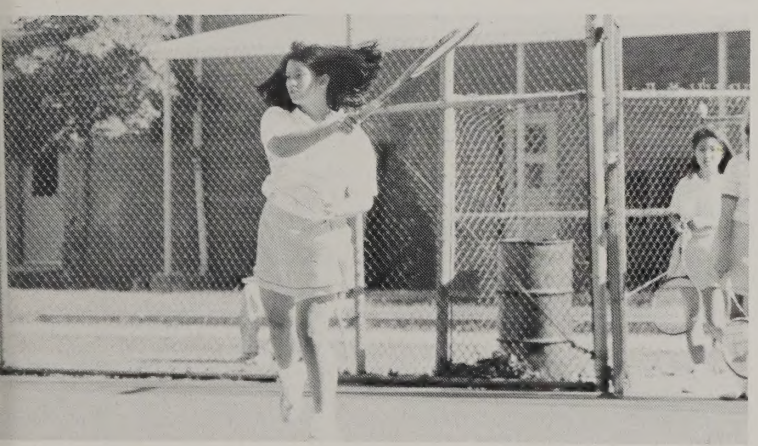


After returning the ball, Amy Gordon looks to see if it was a good ball.



Terri Reinhold awaits the return of the ball she sent to an opponent.





Alma Magtibay, a freshman, returns the ball with a full swing.

The Golf Guys
Really Know How To Tee Off.

The team was young, well-behaved, and vibrant. They started off rough, but improved greatly throughout the season. Every player was a winner.

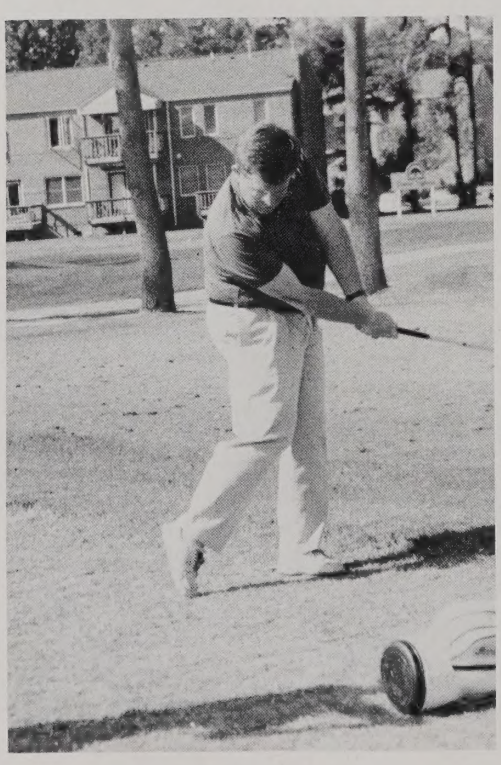
There were two seniors, one junior, three sophomores, and one freshman. Unfortunately, Mr. Parker will be loosing his two seniors, Corey Reeves and Todd Ellis, but will be getting back Bobby Akers, Tracey Thorman, and Mark Mitchell. He will also be gaining two more players from Bayside Junior next golf year.

The two seniors, Corey Reeves and Todd Ellis, were the leaders of the awesome and hard-working golf team. Mr. Parker summoned up Corey's works into one statement, "It was Corey's Year To Shine!" Corey Reeves was the captain of the golf guys, a medalist in 7-matches, he made the All-beach district, and was 8th in the Eastern Region Tournament. "He played well all year."

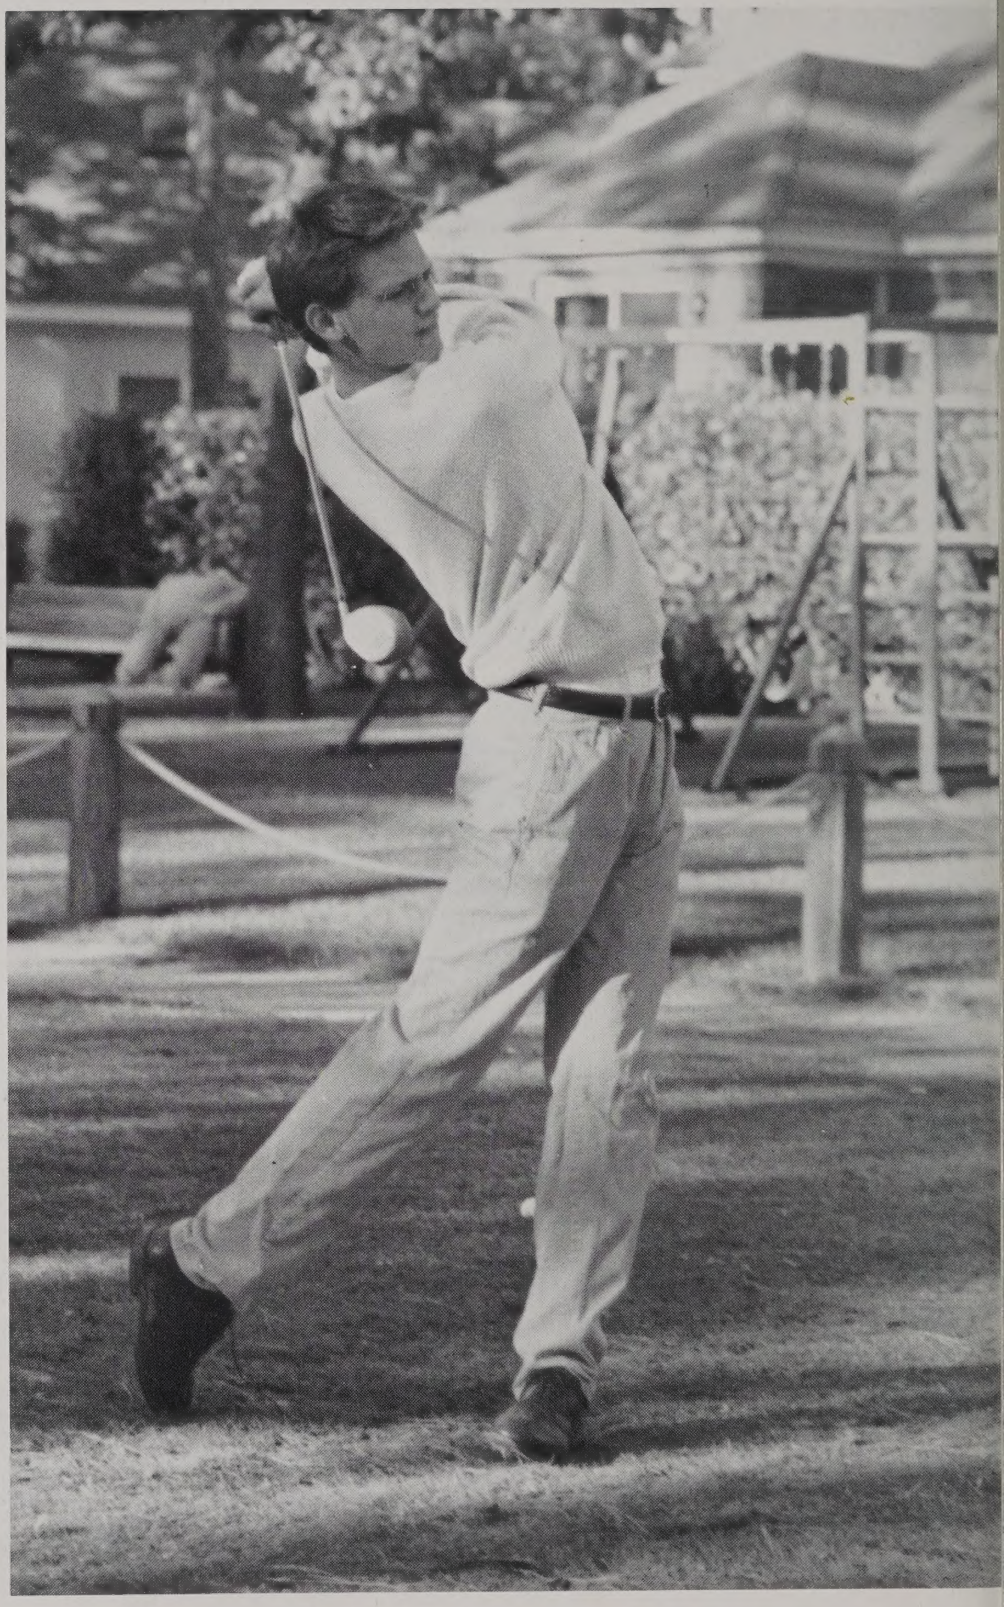
Todd Ellis was the #2 man and helped to lead the team to their victories.

The team next year has a good chance to win, and maybe even beat their 2-8 average wins from this season.

Good Luck Golf Team!

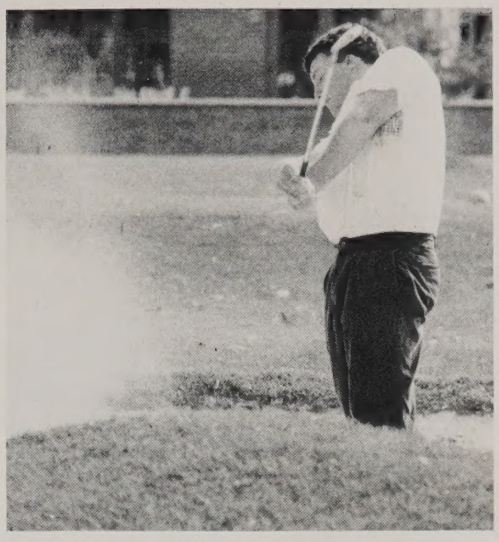


During practice, Mr. Parker doesn't mind showing off some of his own golfing skills.

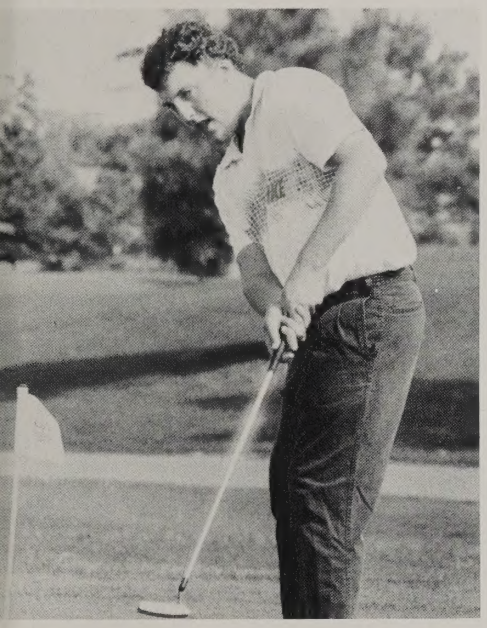


The team's top player, Corey Reeves, displayed his swinging form, while on the green.

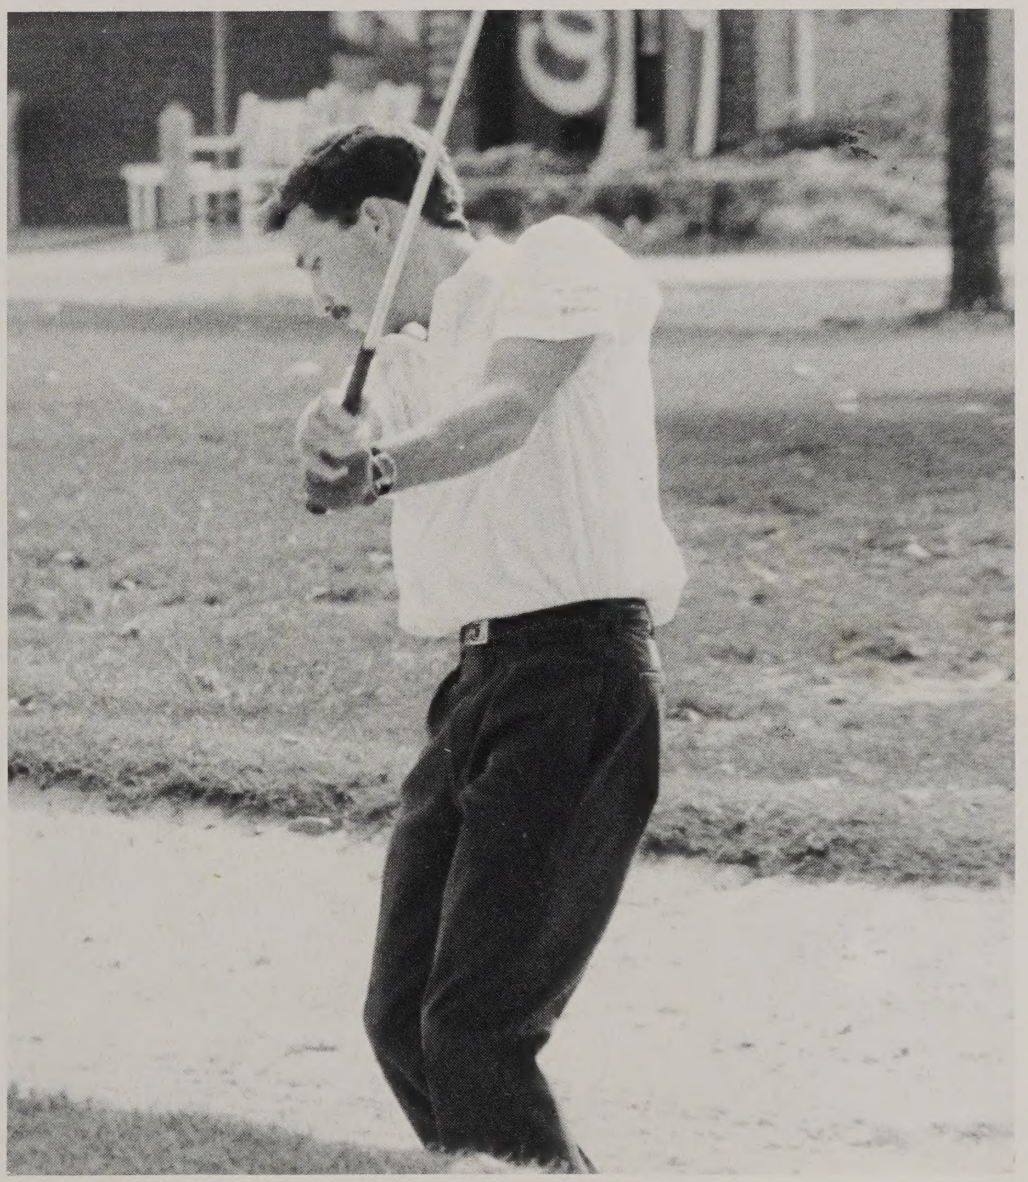
Top Row: Bobby Akers, Tracey Thorman, Mike McCully, Bottom Row: Mr. Parker, Corey Reeves, Todd Ellis, Ryan Clark. And not pictured Mark Mitchell.



Bobby Akers hits the golf ball hard to get it out of the sandtrap.



Bobby Akers realizes that he just barley missed the tee.



Todd Ellis watches the ground, as he tries to make the shot.

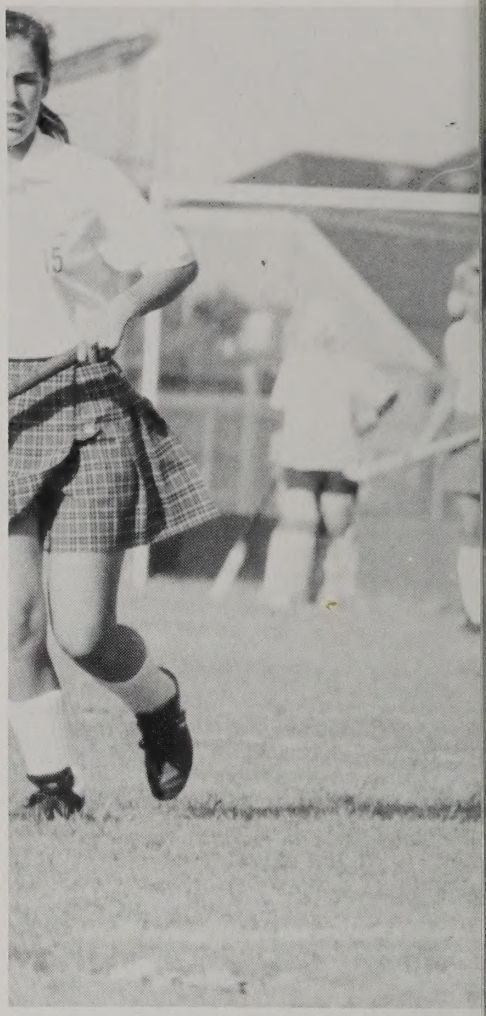
Field Hockey
Just Sticking Around



This year's field hockey team faced the difficulty of working with a new coach, however the girls' pride and dedication led them to another successful season. Coach Scarborough, from Salem High School, did a great job motivating the team to work hard and do their best. The team was composed mostly of sophomores. Co-captain Cori Gillis said that she had "high hopes for Bayside in the next few years." Bayside's family pride showed especially in the spirit of the B-squad." The team greatly appreciated the support of these fans as well as the other spectators and parents that cheered them on at every game. They really helped to boost the team's spirit even higher. All the girls strived to do their best and pushed towards another great season.

Jessica Sharp attempts to block the opponent.

Francis Mace heads for the ball to assist the team.

Cori Gillis intercepts the ball from the opposing team and heads for the goal.

Bayside steals the show again for another winning play.

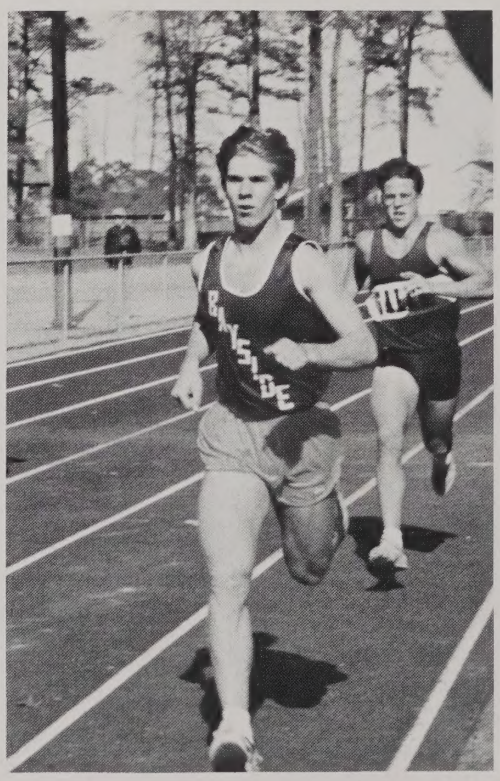
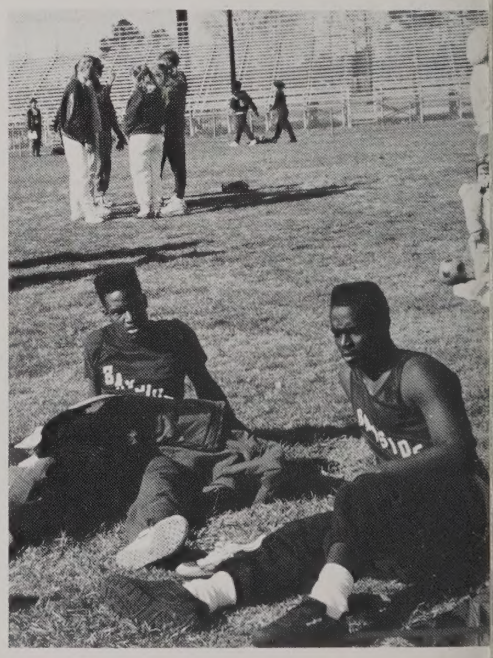
In this sport, concentration was a key factor. Runners had to be ready for all types of changes, in both the weather and the rules. Motivation and dedication kept the runners on their toes. A positive attitude about winning helped the runners also. Bayside runners had all these requirements and so much more. They were willing to run the extra mile to defeat the competitor.

Catherine Forbes is trying to beat her own time record.



Steve Balbergar runs against Salem, Cox, and Kellam.



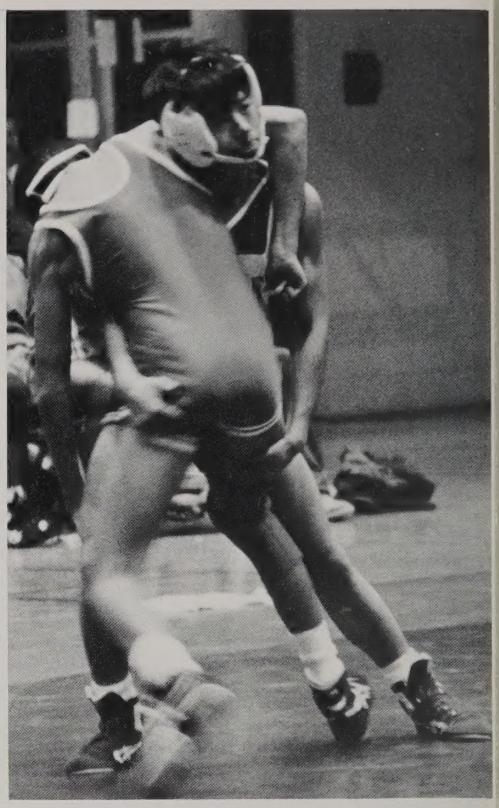
Ken Escoe and Duane Platt take a breather during the Quad Meet.

Michael Johnson (middle) slowly advances toward the Falcons.

Katie Doughtie runs against P.A.

Wrestling
Pinning Your Opponent

Aahh — wrestling! Sounds like a couple of guys rolling around right? Wrong! Wrestling isn't just fun and games. It takes a lot of dedication and skill. Practice is the key word to becoming a great wrestler. "Practice was six days a week at two and a half hours a day, rain, sunshine, injuries, and winter holidays did not stop us." commented Asst. Coach G. Mizenko. The motto for wrestling this year was "just do it and remain focused." The team received a lot of support this year. Coaches from other teams have complimented many of the wrestlers, and most of all they are starting to respect the wrestlers' abilities. Although their record wasn't the best in the district, each wrestler shined in his own way. Outstanding accomplishments include Kevin Kiger with most points, Scotty Whited with most tournament points, and Daryl Cheatham with most takedowns. Five wrestlers were district medal winners. Scotty Whited placed second. Cody Loman, Mohammed Zerhouni, Daryl Cheatham, and Kevin Kiger all placed fourth. In the regional tournament, Cody Loman took fifth place. Daryl Cheatham took third place, which advanced him to the state tournament, where he tied for eighth. Motivation is 90% internal, 10% teammates. The coaches help hold it together and direct it. Upcoming underclass leaders are Scott Whited and Robert Legge. Everybody had their up and down days. Hopefully the ups add up to a positive amount. Daryl Cheatham said, "The first half of the season the coach pushes us and then he lets up, but tournament seasons come from your own adrenaline." Mr. John Smith came up from Bayside Jr. to coach this year's wrestling team. Asst. Coach George Mizenko last comments were, "Besides watching our athletes, it is exciting watching the fans that support the team."



Freshmen, Kien Nim tries to take down his opponent.

First row (l to r) Derrick Mason, Dennis Paniza, Chris Murray, Sean Wilde, Scott Whited, Kien Nim, Trey Munford, Second row Asst. Coach Mizenko, Trevor Halstead, Ted Gjerde, Robert Legge, Nick Pidgeon, Chris Crawford, Isreal Blalesley, Lamont Price, Matthew McLauchlin, Third row Managers Tim Young, Alex Grasos, and Michelle Stone, John Bellville, Mohammed Zerhouni, Ric Mezzapesso, Scott Harsh, Sean White, Kevin Kiger, Andy Feltham, Coach John Smith.

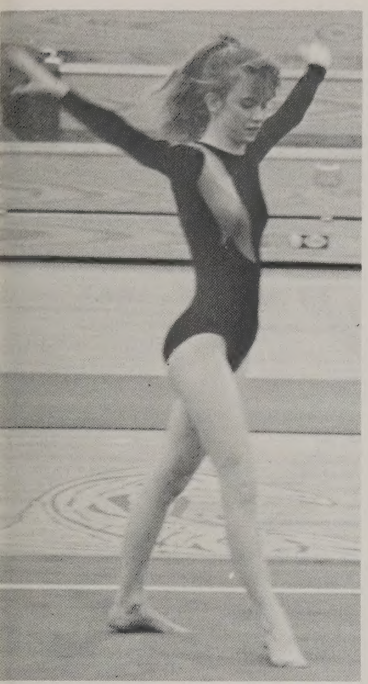
Leaping . . .
To Great Heights!

One wrong move can be fatal for a gymnast. A gymnast needs precision and accuracy, to be successful. Gymnastics is not only an individual effort, but a group one. Although the gymnastics team lost meets by a slim margin, as individuals they were highly successful. One example is Michelle Cherwa, who placed in many individual events. Thanks to the coaching of Mrs. Johnson, next year the Marlin Gymnastics Team will "leap to even greater heights."

Balance is an important part of gymnastics.

Standing: Lisa French, Abby Brandt, Amy Pearce, Emily Brandt, Michelle Cherwa, Kneeling: Kelly McGinnis, Erica Braley, Splits: Barbara Hendershot



Freshman, Barbara Hendershot, does her floor exercise routine.

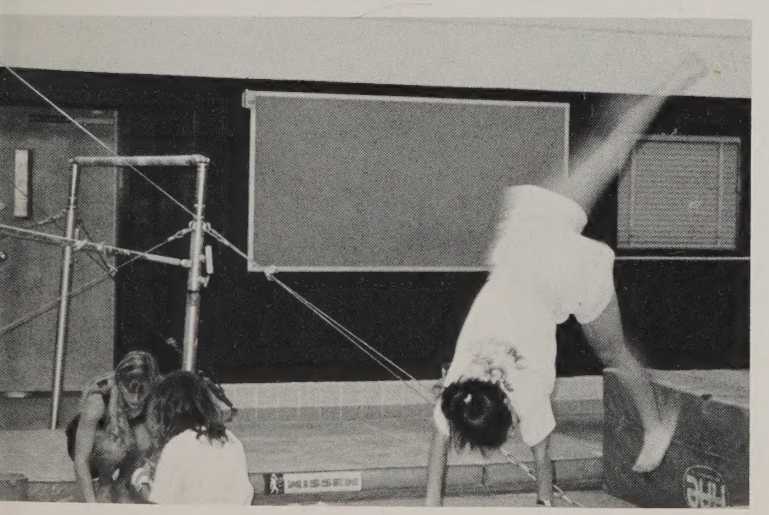
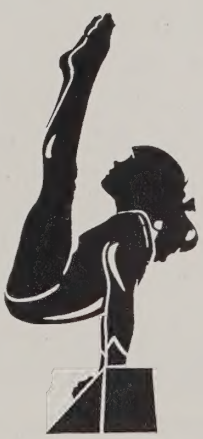
Coach Johnson helps Emily Brandt on the parallel bars.



Much preparation and care is taken before doing any gymnastic routine.



Yo, Coach Jenkins
sez he's thinkin',
There's a lot of talent,
A title in the making?
He's wondering, Can we do it?
'cause if we can
then in this fine state
we'd be the best man.

So here we are, hello,
with our fine fellows.
Mario Mullen
He's kind of mellow,
But in the clutch,
when it's on the line,
Mullen's really smooth,
a glass of fine wine.

Warrenton Parker
is mighty quick.
Ronell Williams
can be mighty slick
Then if Lamont Thomas
finds the groove,
it's on the fly:
Hey, bust a move!

(Taken from last year's "Yearbook Edition" of the Beacon; some words have been changed or omitted for this year.) (music by Young MC)

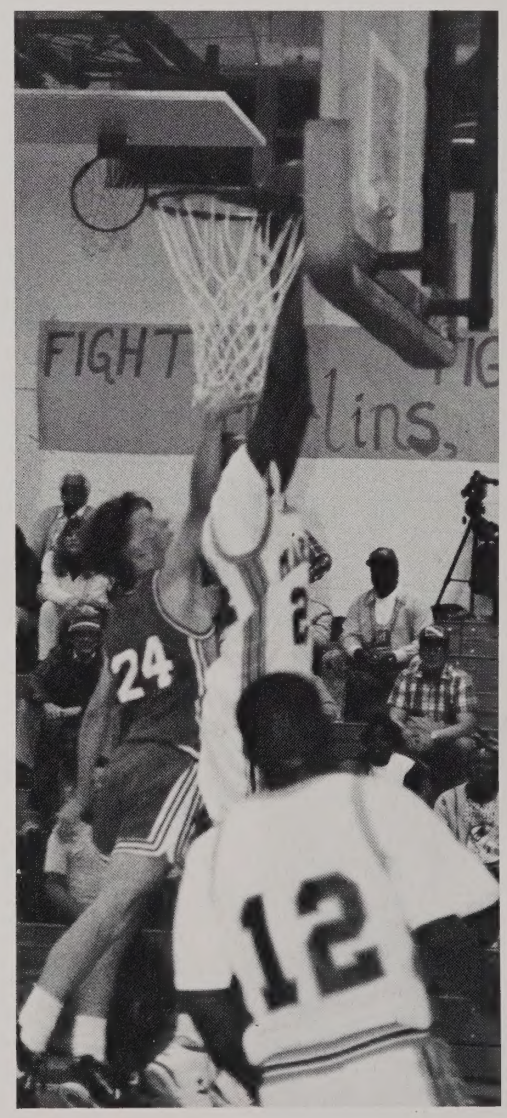
At The Top . . .

Marlin boys find gold.

When speaking about Bayside and its many successes, perhaps the subject most talked about is the boy's basketball team. Last year the team made history. Their success did not stop simply at a district championship, but moved on to a regional championship. From there, they continued on to the state tournament and became the first Beach school in twenty-five years to claim a State Championship title.

Not only did this astounding victory initiate an intense sense of pride in the school, but it built-up Bayside's reputation in the eyes of the community. Bayside literally became the king of the mountain.

Riding high on last year's glory, this year was a landmark when it came to spirit. Coach Jenkins said, "Our fan support was tremendous this year. The fans, students, teachers, and administration really got in on the bandwagon, and that really made a difference." Never did the team's dedication go unnoticed. Their hard work brought them another district trophy and the chance to compete in the regional tournament. Once again, Bayside claimed top honors, and to the opposing schools, the Marlins had but one thing to say — that's just the way the ball bounces.



Mario Mullen easily scores another point.

Coach Jenkins tells Warrenton what to do next.

Top: Mario Mullen jumps for the ball during their toughest district match-up against Salem.

Lower: This year, the Marlin boys broke a school record and scored over 100 points.

Bayside's Back . . . !

What motivates you to perform so well during a game?

"What motivates me to do well is that if I don't do well, the coach will take me out of the game as fast as he put me in."
Warrenton Parker

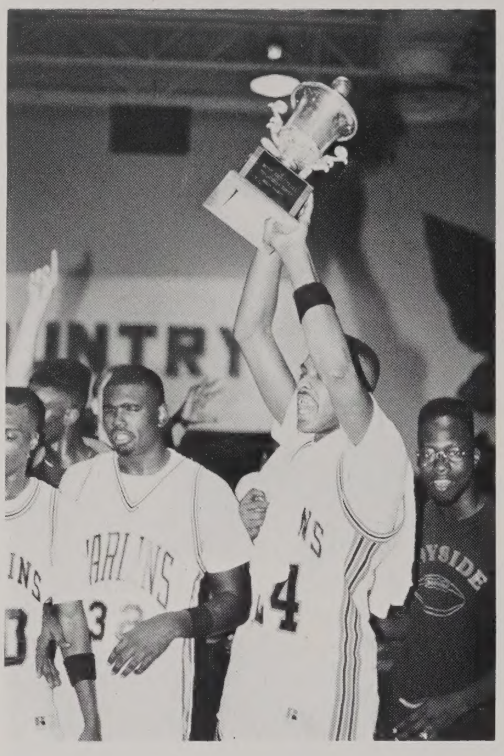
Does the school's spirit help your performance?

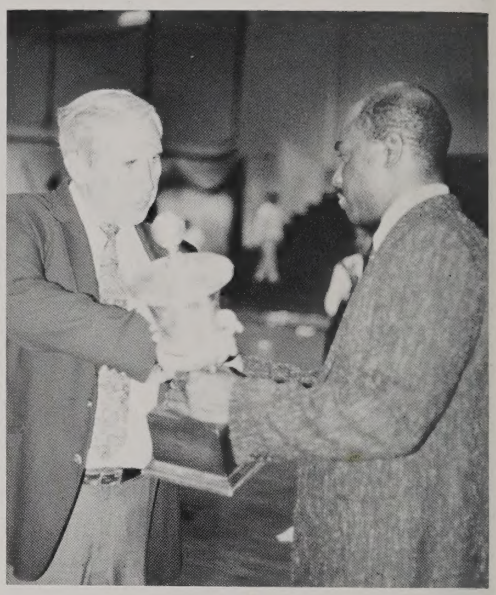
"When the people show up, it shows that they are behind us one-hundred percent. To them, we're not just basketball players."
Eric Vaughan

"Of course, because I can feel the energy from the fans and it pumps me up."
Greg Melvin

Do you feel that the team has helped heighten Bayside's reputation?

"I think we have sort of made history. We've set an example, and people are proud."
Lamont Thomas





Coach Jenkins proudly accepts the District Trophy.

Above: Mario Mullen and his team members show their excitement and pride after receiving the District Trophy. Right: Bayside became the District Champions after defeating Salem by one point.

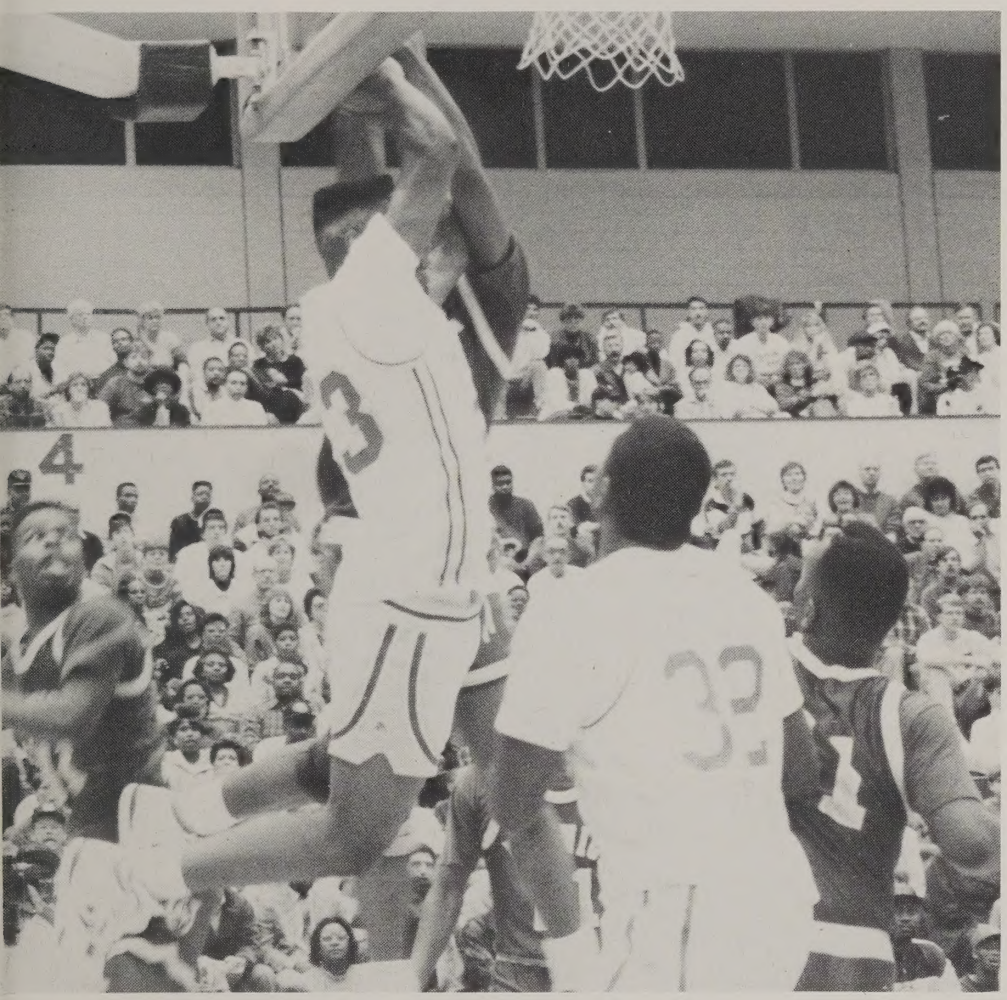
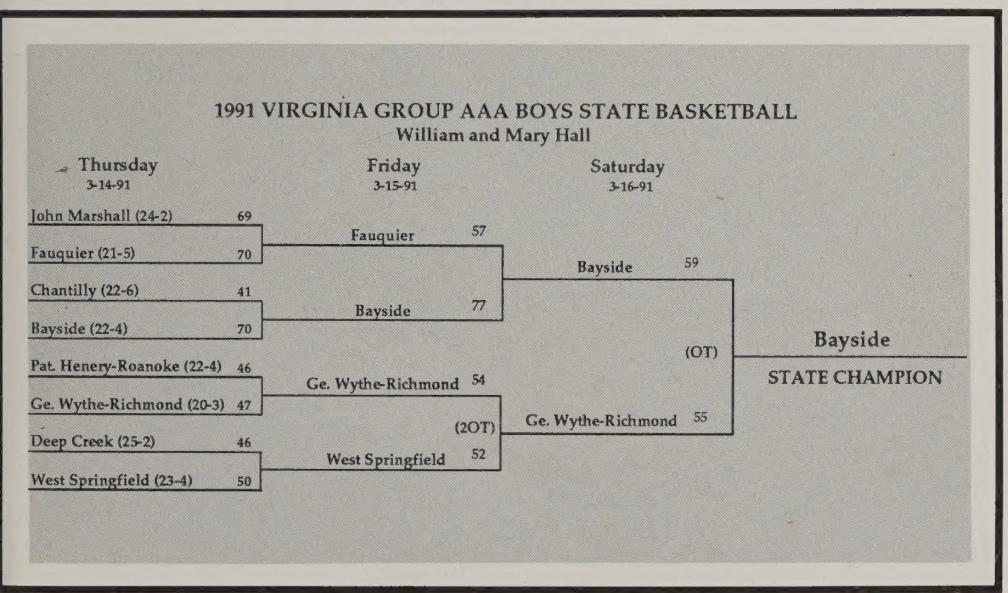
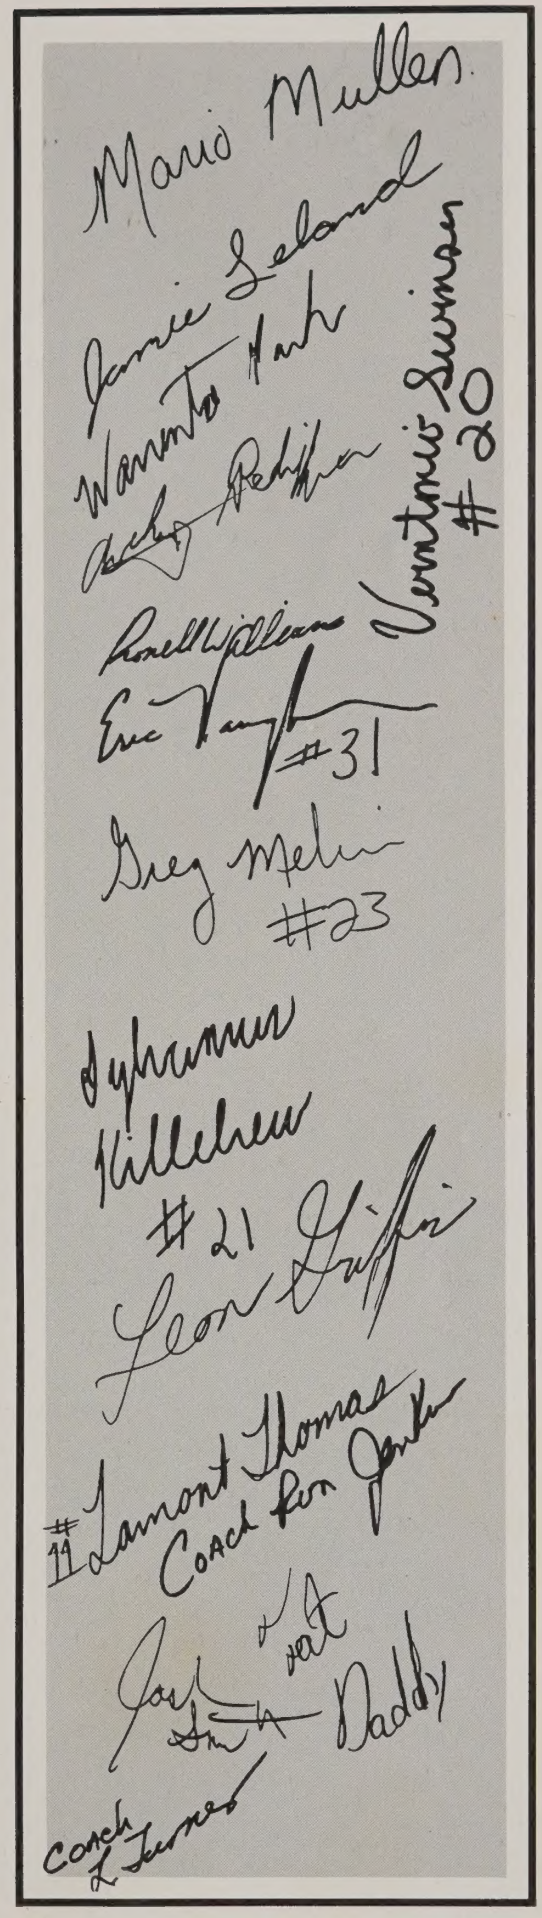
Marlins Bag Another State Championship







Lady Marlins
Some Ups and Some Downs

Did the fact that you had to play before the boys influence the way you played as a team?

"It put a lot of pressure on us because we were expected to win. We got the fans because they came early to get a good seat for the boys game. The team was like a family and that helped a lot because we did not have a winning season."

Dena Blank '92

"The people in the right hand corner were there for us! We actually had students attend our games!"

Felicia Corprew '92

"No, because we are totally different than the boys. We played for us, not the boys."

Karnita Allen '92

"I found I could concentrate and perform better when I tuned out the crowd. The best part though was knowing that we played on ability, and not grade level."

Leah Love '93

Looking back at the season, Leslie Guildry recalled that the team always felt confident despite the fact that most of the fans were there for the boys game. "We had some ups and downs, but who doesn't. We are family and we worked together as a team."

Things did not always go as planned, but "being a lady Marlin has its advantages," stated Mary Ann Vera Cruz, "we have talent and next year, as seniors, we will be even better."

Elizabeth Knowles shoots for the basket

Physical Education

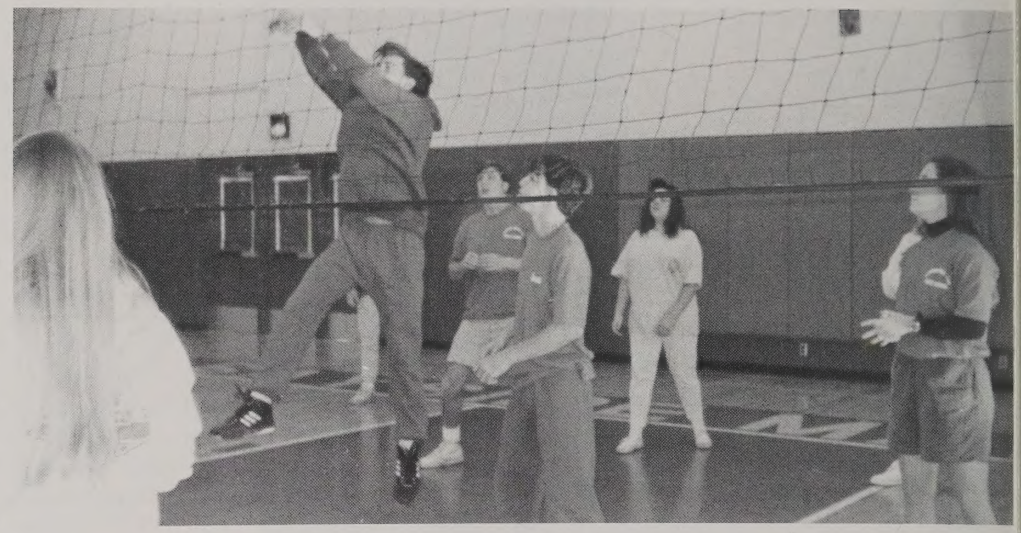
"It Was More Than Just a Work out."

The physical education department had everything you would expect, and maybe something that you wouldn't. Marlins received the basics of physical fitness through a variety of activities which included running, calisthenics, field games, and court games. Students were encouraged to improve their strength, speed, and flexibility as they progressed through the program. The overall goal of the course was to improve in sports games. But in this time of the "fitness-craze", it was also to improve the students awareness of their health.

But the physical activities had a "flip-side." Students also spent two days each week in the classroom, they learned about diseases or studied the basics of good driving.

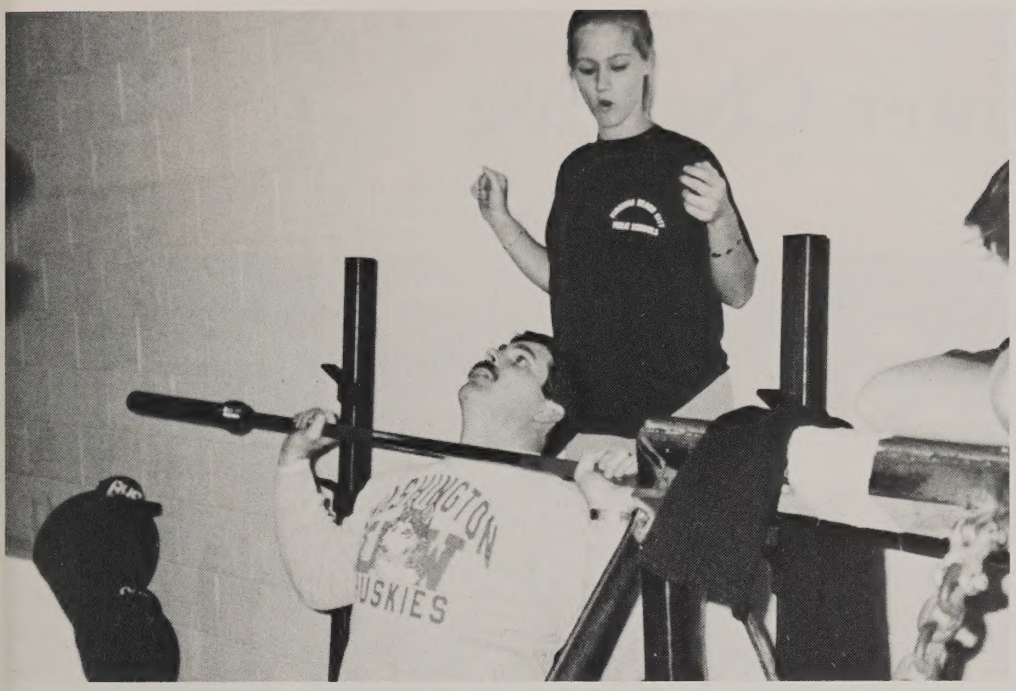
By the time a student completed his or her time in the physical education program, they were given many opportunities to explore their capabilities. A number of students found new sports teams to join or new games to play in their leisure. Above all, the students developed a better understanding of themselves.

Mrs. Johnson takes roll before assigning positions.



Top: Matt Rodgers jumps to hit the volleyball while Mark Scarpulla, Mike Davis, Bridgette Chamberlain and Lisa French stand ready to assist.

Lower: Melody Barrow and Josette Bellmore do some leg stretching before class begins.



Above: Coach King demonstrates how to lift weights.

Below: Students get a chance to try.

Sports Highlights
90/91

In one of the biggest upsets in boxing history, James "Buster" Douglas knocked out Mike Tyson in the 10th round in Tokyo, to win the world heavyweight championship. Buster Douglas was knocked out in a later fight by Evander Holyfield.

The Cincinnati Reds shocked the baseball world by defeating the defending champions Oakland Athletics in a four game sweep of the World Series. Jose Rijo of the Reds was named MVP.

Arie Luyendyk, won the Indianapolis 500, with a new speed record of 185.984 MPH. Al Unser Jr. Drove the fastest 500 car with a record speed of 189.727 MPH, but did not finish the race.

The Edmonton Oilers defeated the Boston Bruins to win their 5th Stanley Cup Championship in the past seven years. Goalie Bill Ranford of the Oilers was chosen the MVP.

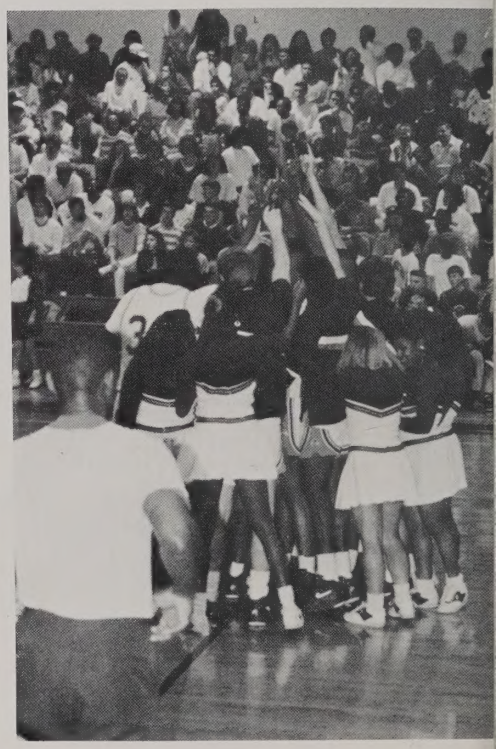
West Germany defeated Argentina in World Cup Soccer finals in Italy. The U.S. team made its first appearance in world cup play in over 30 years. The U.S. will host the tournament in 1994.

The New York Giants scored a 20-9 victory over the Buffalo Bills in Super Bowl XXV. O.J. Anderson was named MVP.

Nick Faldo of England won a sudden death playoff against Ray Floyd to win the Masters Golf Championship for the 2nd consecutive year.

Winter Cheering

Alsyon Cordon & Velika Anich lead the winter cheering squad in a cheer honoring the boy's basketball team.



The cheerleaders join in the huddle to help promote team spirit.

During half-time, the winter squad keeps the crowd entertained and the pride in Bayside at it highest.

The 1991 Mariner Staff

COLOPHON

Volume 27 of Bayside High School's Mariner was printed by Jostens Printing and Publishing at the Hunter plant in Winston-Salem, North Carolina. The 1991 Mariner had a press run of 700 copies with 200 pages.

The cover is 9x12, American Embossed, Mission #1212 black matte grain, with an applied two color metalay of red mylar and rich gold #327. The end sheets selected were sterling silver #420. The paper is #80 gloss.

Goudy light type was used for all body copy. Headlines were printed in 48 point and sub-headlines were printed in 36 point. Body copy was printed in 10 point and captions in 8 point.

The Mariner staff photographed and processed over 75% of all pictures used in this book. The yearbook is an extracurricular activity. The staff worked on a five consignment deadline schedule.

A special thank you is extended to Mr. Alex Blackwell, our Jostens representative, and to Mr. Tom Knox, our Vacaro Portraits photographer.

ANGELA,
WELL, THIS YEAR
HAS REALLY GONE BY
FAST. BUT ITS BEEN A BLAST.
I HOPE YOU HAVE A GREAT SUMMER
YOU A GREAT FRIEND AND A WONDERFUL
PERSON! THANKS FOR EVERYTHING.

Literature: First Place, Amy Fletcher, Second Place, Walter Doetsch, Third Place, Mark Roberts.

Bayside wishes to congratulate the Forensics Team on a job well done.

Bayside's Cooking Corner

Lunch was definitely the favorite bell of many of the Bayside students. Not only was this the opportune time to socialize and catch up on the latest gossip, but it was also the ideal time to fill growling stomachs! From biscuits in the morning, to hot, wholesome lunches in the afternoons. The hard work and dedication of the cafeteria staff made the lunchroom a popular place to retreat. Thank you ladies for all of the time you dedicated into making Bayside's breakfast and lunches enjoyable and pleasant.

Elsie Gregory smiles for the camera before cleaning the kitchen.

Lena Seals takes a break from serving the hungry students and teachers to pose for a picture.

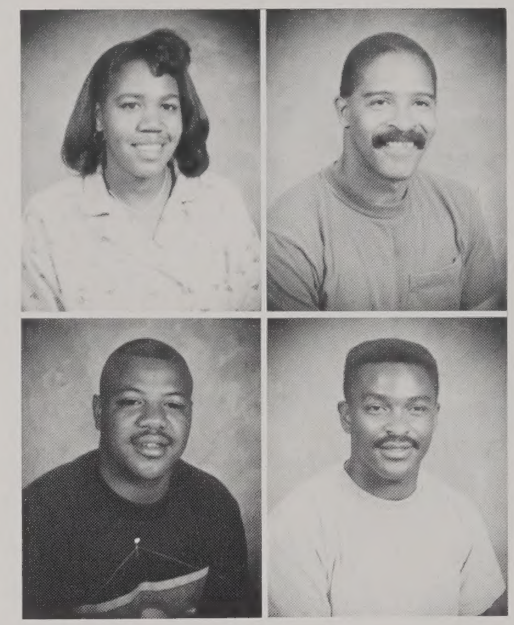
Joyce Goodman prepares lines for the rush-hour traffic of the lunch bells.

Peggy Wolf always has her hands full while preparing lunch.

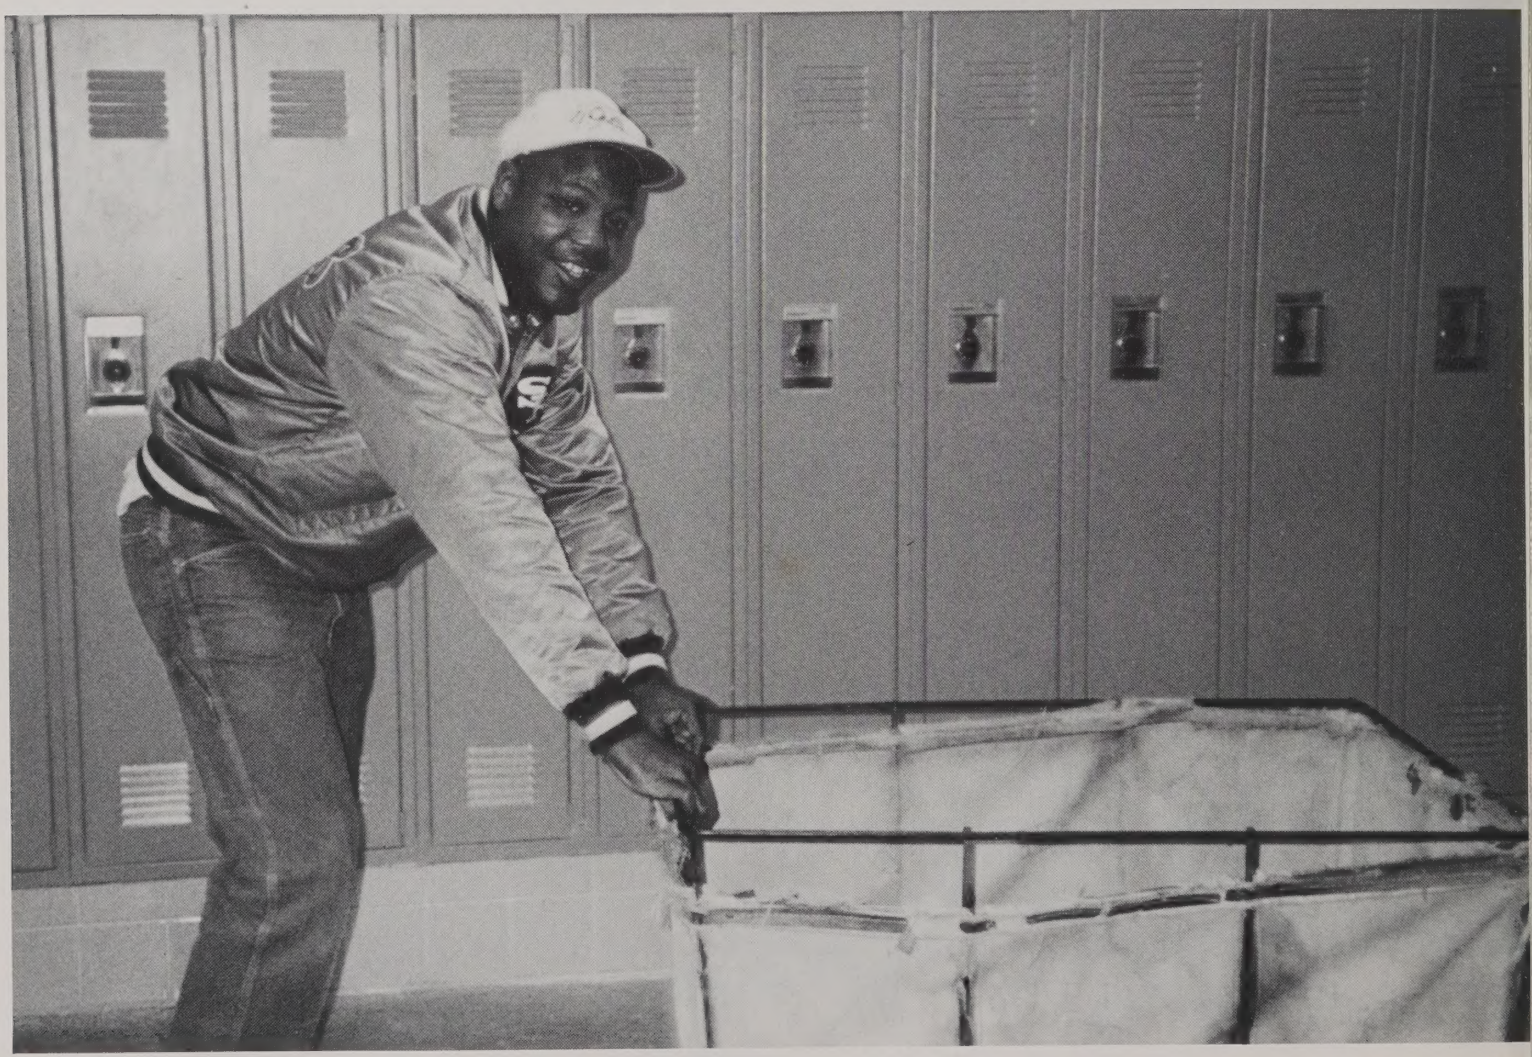
Bayside's Housekeepers

Keeping Bayside clean and safe was not an easy job for this year's custodians, especially with the renovations that were in progress. But despite the hours of labor necessary to keep our school in top condition, the custodians always had smiles on their faces. Many would agree that after spending hours inside the classroom, exchanging a friendly word with one of the Marlin custodians was enough to make the day a little more tolerable. Many thanks to the housekeepers of Bayside, for your hard work has made us proud!

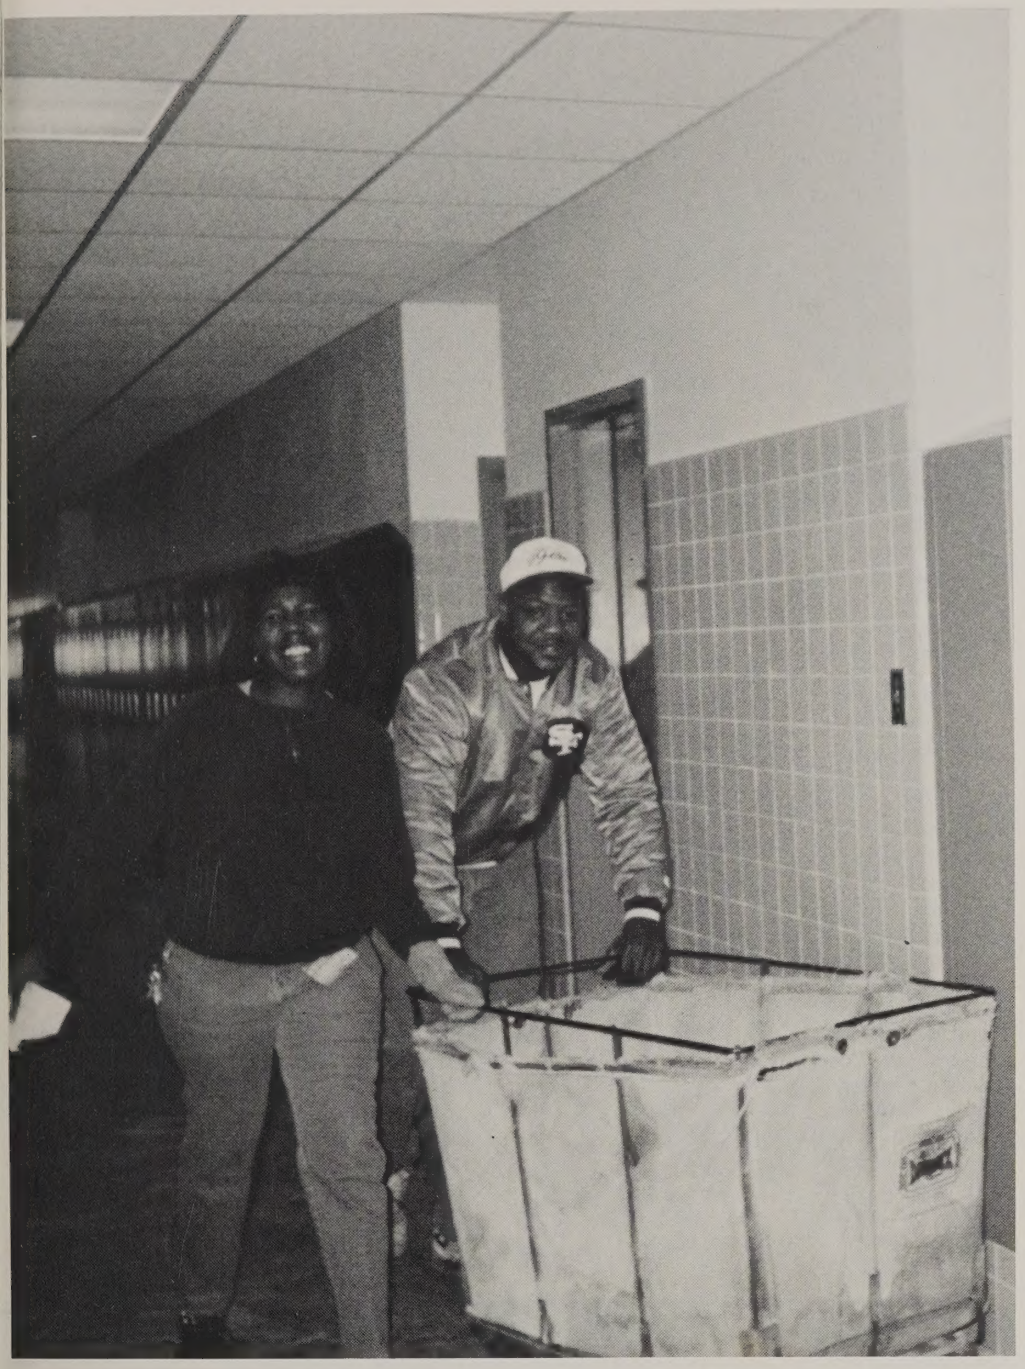


Crystal Black
James Cooper

Kenny Cornick
Terrance Williams

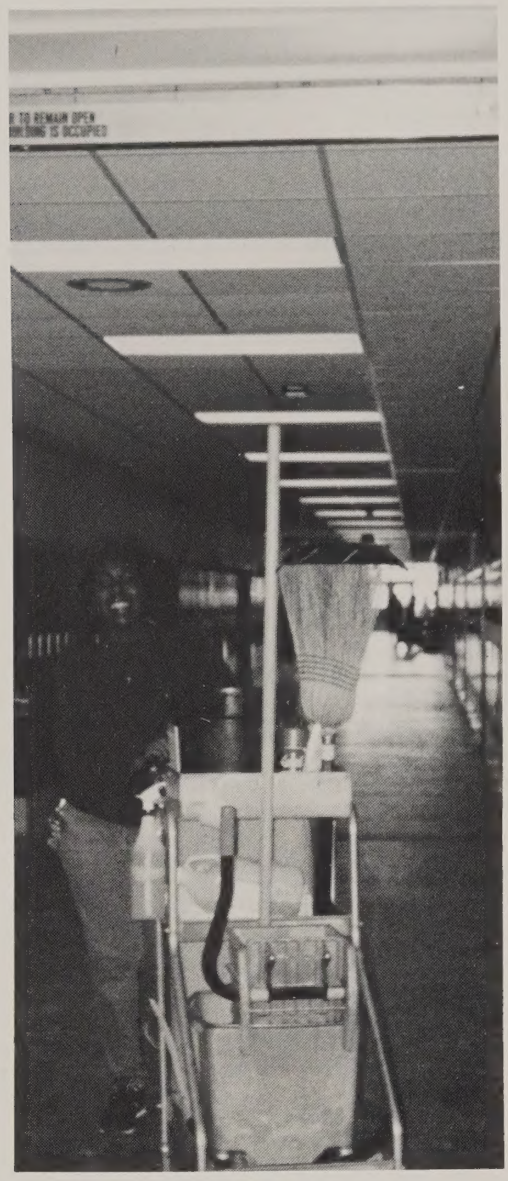


Kenny Cornick cleans up after Bayside's students everyday with a smile.



Crystal Black and Kenneth Cornick share a few laughs before retiring for the day.

Crystal has everything she needs to keep Bayside clean.



Kenny takes a breather after many hours of hard work.

I'd love to see you at the mall. Good luck in all your classes in the future.

As you can see I'm not so much into writing. Keep in touch & have a great summer.

Angie,
I probably see you over the summer. Unfortunately, I don't want to see you. Well stay — your the summer and call me.

Angie,
Hi, Have A Great Summer
And get some balls if you
like some one tell them
Kit. 363-8555
Shaggy

Angie
Hey well The year is almost
up and To bad you failed
Math. Well I Hope to see
ya next Year. Later
Rick
Myers

Angie,
A person who
tries to share
my name. but
can't because I
hate Angie Determined
spelled Butter).
you a pritty funny
person but im
funnier Ha. Hope to
see ya over the summer.
keep in touch

LOOK

Angie,
Hey girl! You're
a sweet girl. Take
care and see you
next year!
Brenda

Angie,
Well they year has
been fun but thank
god it's done. We
don't have to listen
to Mrs. Bland any
more. Have a cool
summer & see ya
next year!
-Mike

Angie,

Hey girl. Welp the year is over
thank God! no more Mrs Bland.
Well Ill probably see you over
the summer. and Ill be darker
Stay Sweet :)

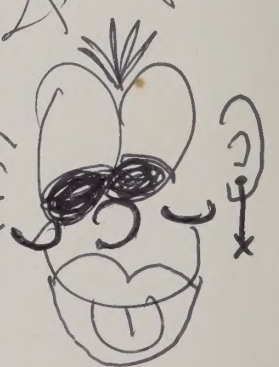
CLOSING

Alma Mater

We sing to thee, O Bayside
We lift our voices high
Your banner gold and scarlet
We'll raise up to the sky
Your halls which now surround us
May din and fade away
The years will pass
But in our hearts
You'll ever stay

We pledge to thee, O Bayside
Our love forever true
O Cherished Alma Mater
Our loyalty to you
Your vision helps to guide us
Wherever we may be
Your mem'ry lives forever
In our praise to thee



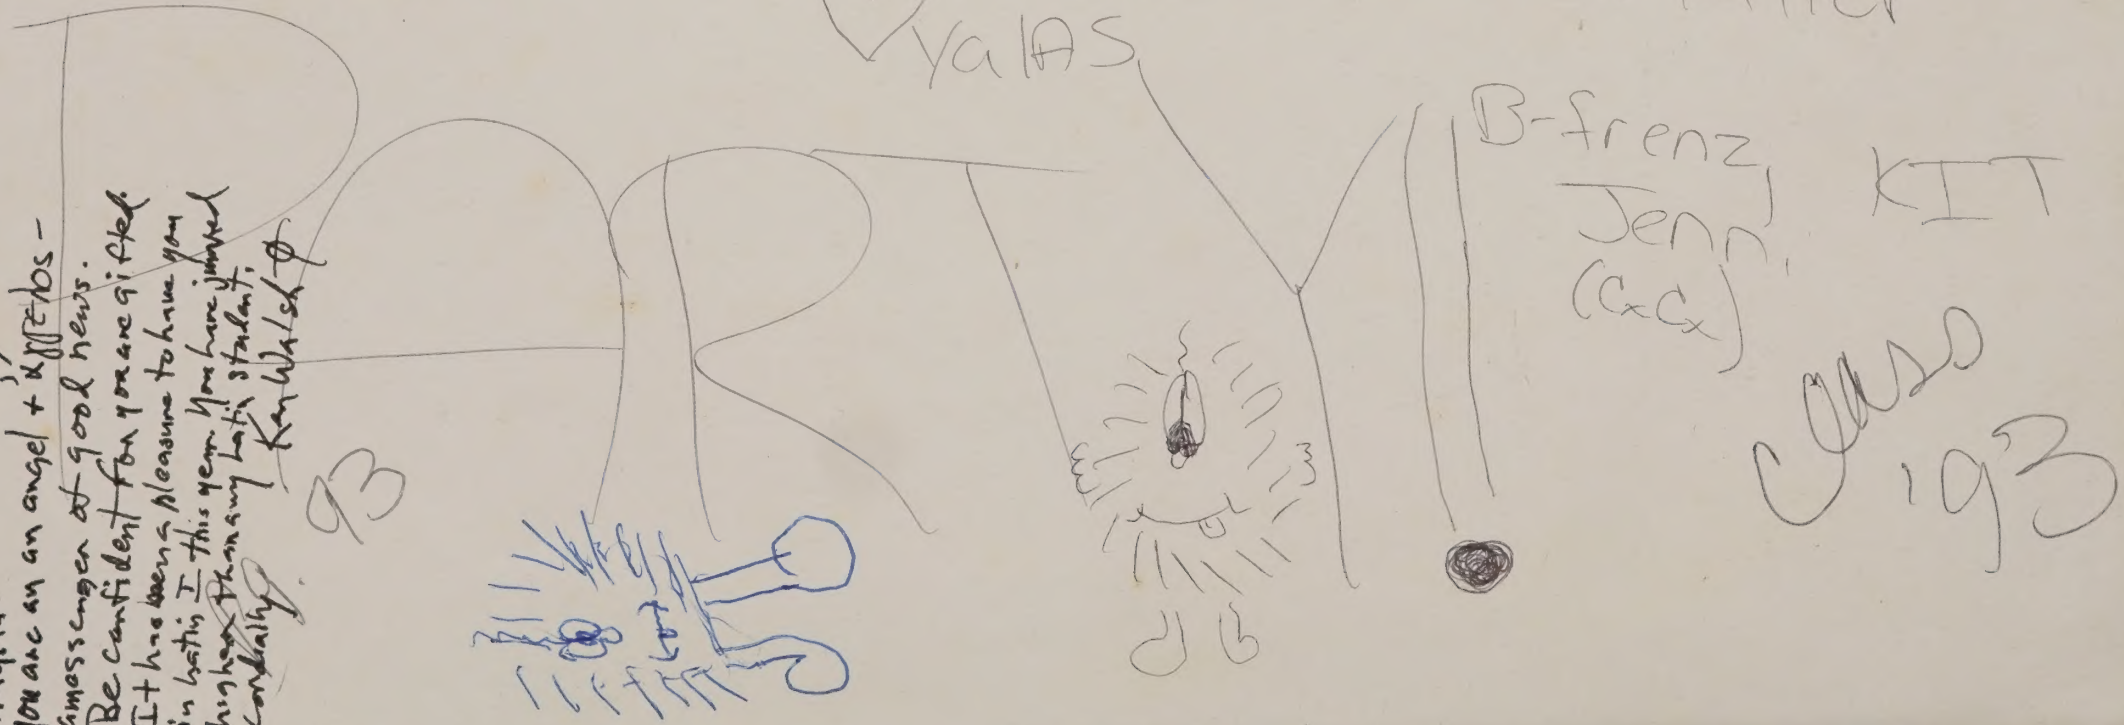
Ang,

Hey girlie! How's life? Okay here. Well we've finishe another crudy and boring year of school. The only fun part about it was the weekends and Spring Break. I know we had some disagreements, but they always worked at sooner or later. We'll be juniors next year and can push the 9th and 10th graders around and it's time to hit the beach. Have a killer Summer.

♡ ya AS

B-frenz, Jenn, KIT (CxC)

Angela:
You are an angel + it's effortless - a messenger of good news.
Be confident for you are gifted.
It has been a pleasure to know you in both I + this year. You have journeyed higher than any latin student.
Kim Walsh Φ



Angela,

Hey girl, whats up? Alot here. Well to start off Donna said No one could top her well I'm gonna try. So here goes. Had a cool time in Lunch. It was a trip an a half. Sorry we weren't friends all through it, but hey were not perfect. Have fun this Summer. Stay cool. Meet some gorgeous guy that has a brother. Only if his brothers cute too! Well Sine Donna wants me to write smaller I will. Anyway If you go to any good parties call me, Stop Rushin me. Hey it could be worse. I could be like "M" not mentioning names. Anyway we've only got 368 more days of school left. It'll go by before ya know it. Hope we see eachother or have some classes together. Well I'm gonna cruz. Remember. If your gonna cruz do it with a booze (Not Original) So Later chic

Always & Forever

Budget Chamberlain

To Angela,
a sweet person
that I've known
for a while, it's been
nice knowing you.
Have a nice cake. Good luck
with the guy
have a
Keisha
Lyn
etc.

ANGELA, HEY GAL! WHAT'S UP? NOT MUCH HERE! DOES THIS YEAR
MEAN ANYTHING TO YOU? IT'S ABOUT TIME. PARTY TIME. WE HAVE TWO
THEN ON TO REAL LIFE. IT WAS FUN IN MR. WALSH'S
SLACKING OFF IN THE EASIEST CLASS. WELL, I HOPE
R. RIGHT THIS SUMMER SO YOU'RE NOT SO BORING
. J/K. AT LEAST I HAD SOMEONE TO TALK TO.
AL ALL THE GUYS FROM THE BEACH BECAUSE WHEN
FROM MICHIGAN I'M TAKING THEM. WELL
EAT SUMMER AND KEEP IN TOUCH. SEE YOU NEXT
YEAR.

KT 490 DARK

Angela,
You crazy girl you. You've got the biggest = well anyway have a good summer see you next year

Ross Steves

TJ

Angela,
So the year is over thank G-d! Well just 2 more years. I can't wait. But there is one problem I don't want to really go to collage because I am scared of it well I have to go so I can get a good job. Stay just the way you are because if you don't I'll kill you. Just kidding KIT FRENZ,
4649481 Rochelle

Angela,
I never knoow what to write, but good luck and cee probe bby
See you next year
Tyler Dent

Angela,
Well, we made it, 12 years finally over. I might see you over the summer, but I will see ya next year. Do until then have a great summer.
P.S. Mark I'll give you a fucker like you ain't never seen before!
